# Larson, Yanicks Predict MPL Track 'Revival'

"This was the healthiest track year in Peninsula history," enthused Aragon High coach Bill Larson after the state finals in Berkeley.

"Next year, we'll have the best-balanced league in a decade," joined in Hillsdale mentor Plato Yanicks.

The two rival coaches, seldom in harmony on the cinder paths or sawdust pits, agreed that big-time high school track has arrived on the Peninsula.

Larson, a teacher of field skills in the area since 1949, was pleased that no team made a run-away of the state meet, especially no team from southern California.

**EDISON HIGH**, of Fresno in "neutral" central California, was the surprise team victor and Dennis Carr of Lowell (Whittier) the individual hero in a two-day marathon loaded with the best track talent in the U.S. Carr set a new national 880 record of 1:50.9.

While Hillsdale and Aragon qualified only one man each, the finals spelled sweet victory for both schools. The Knights' Ralph Likens, a dandy miler who only lacked stiff enough opposition all year, surprised a field of milers with better times on their records. Likens proved a point few coaches would debate — better conditioning means winning performance.

**LIKENS RAN** his best mile in the qualifying heats Friday night, at 4:19.5. Saturday, when several "swifter" milers faltered in the middle of the race, Likens had one of his strongest closing kicks to finish a surprise third. His time was 4:19.9. Had the race been longer Likens would have been second. The man ahead of him, Bill Delaney, of Orange, was losing ground rapidly at the finish line.

"Ralph came through with the pressure on," explained the proud Yanicks. "His type of workouts make him stronger. He runs all year."

The mile was won by the favorite, swift Tracy Smith, Arcadia, in 4:14.4.

Larson also praised Likens' clutch performance: "He's a fine athlete."

Aragon's own star, pole vaulter-superior Jack McLeskey, sprang to his all-time high, 14-1. His only trouble was the "quality" of the other vaulters. While Jack was soaring to new Peninsula records,

the other guys, especially titlist Bill Fosdick of Andrew Hill, were shooting for the national prep mark of 15-1.

**FOSDICK** set a new state record of 14-3 $\frac{3}{4}$ , against six entrants over 14 feet. McLeskey missed getting points for Aragon on the "fewer misses" technicality. Mark Savage of Claremont also did 14-1, but made fewer attempts getting there.

McLeskey was pulled out of a rut at the 13-6 mark, when Larson vaulted out of the stands.

"He was having a wind problem," informed Larson. "He was chopping his stride

coming into the take off."

The Don senior barely missed clearing 14-3 in three attempts. Contrary to one report, Larson advised that Jack's arm—not his chest—dragged the bar down.

If McLeskey enters College of San Mateo, as he is considering, he'll be one of the top J.C. vaulters around. His present 14-1 mark would stand up in college competition, but Larson predicts he'll better 15.

"With the fiber-glass pole, the sky is the limit," said Larson.

The Hillsdale and Aragon coaches wound up their season's comments to the press with one final disagreement—the outlook for '64 Mid-Peninsula varsity track.

Predicts Yanicks: 1. San Mateo; 2. Hillsdale; 3. Burlingame; 4. Aragon, and 5. Capuchino. **LARSON:**

Predicts 1. [redacted] dale; 2. Capuchino; 3. San Mateo; 4. Aragon, and 5. Burlingame.

"Next year, San Mateo will return to its past track power status," offered Yanicks.

"Look out for Capuchino; they have everyone coming back," Larson argued.

Exit all in healthy disagreement.

## EDISON WINS TEAM TITLE

# McLeskey's Best Effort Falls Short

By RON REID  
Times Sports Writer

BERKELEY—Hillsdale High school's Ralph Likens did all that was asked of him and more here Saturday in the finest high school track meet in the nation.

Likens, picked to finish no better than fourth in the mile run, closed out an impressive prep career with a strong third-place finish in the 45th edition of the CIF State high school track championships.

One of two San Mateo county entrants in the meet, Likens probably ran the headiest race of his life, although his 4:19.9 clocking was four-tenths of a second slower than his qualifying mark of Friday.

An Edwards stadium crowd of 14,000, largest since the 1960 NCAA finals, saw Edison of Fresno win the coveted team title and also witnessed a new National record go into the books.

Jack McLeskey of Aragon, the other Mid-Peninsula league delegate to the meet, also performed admirably, but had the misfortune of being matched against best pole vault field in the history of the meet, and went unplaced because of two early misses in the event.

McLeskey came up with a 14-1 effort, the best mark of his life, but had missed twice at 13-6 and thus lost out on a fifth place to Marc Savage of Claremont.

It was in the pole vault that one of the meet's new records were set, long after the other events had finished.

Bill Fosdick of Andrew Hill cleared 14-8 $\frac{3}{4}$  for a mark that bettered the old record by more than five inches.

Fosdick's record leap culminated five hours and 16 minutes of vaulting competition that saw seven entrants better the 14-foot mark.

He and Gene Kicenski of Cleveland (Reseda) waged one of the day's fiercest duels, ironically after most of the fans had headed homeward. Both cleared 14-5 $\frac{3}{4}$  before Fosdick wriggled over the bar at the new record height.

The San Jose star, who almost missed qualifying for the meet after a poor third in the North Coast section finals a week earlier, nearly made a new national record of 15-1, but bumped the bar with his shoulder.

McLeskey missed his first two attempts at 13-6, before Coach Bill Larson came out of the stands to offer his charge some instruction, which must have helped. He then cleared 13-6 and made 13-9 and 14-1 each on his first attempt.

He went out in three tries at 14-4, although he gained sufficient altitude to clear the bar. The Aragon senior nearly made it on his first attempt, but nicked the bar with his chest on his descent.

Likens trailed Tracy Smith of Arcadia and Bill Delaney of Orange to the tape in the mile. Smith, an easy winner by 20 yards, had a 4:14.4 clocking for first while Delaney followed in 4:17.9.

Likens' finish, which faltered slightly in Friday's Trials, was too strong for the other five men in the race.

RALPH LIKENS

As nearly everyone predicted, Dennis Carr of Lowell (Whittier) set a new Federation record in the 880. With his elbows flying high, Carr ran his opposition into the ground to win in 1:50.9, a full mark set by Ray Van Asten of LaVerne in 1960. Second place finisher Robert Hose of Madison (San Diego) was also under the record in 1:51.7.

Carr, who set a national mile mark of 4:08.7 in last year's state meet at Modesto, led all the way with a 54-second first lap en route to his second record.

Edison's team victory was led by Alvin Mann, who was literally bloodied, but certainly unbowed.

Mann, the meet's only double winner, beat favored John House of Pasadena Muir for a 9.7 first place in the 100 and, with blood streaming from his right hand, hung on gamely to win the 180-yard low hurdles in 18.9.

Mann was accidentally spiked by Oakland Tech's Jasper Davis when he went over the seventh hurdle, but that mishap didn't slow Mann to any noticeable degree.

His two victories, along with another first by Stan McDonald in the discus, gave Edison 15 points and the school's second state title since 1941.

# Wilhelm wins shot-put title; Carr cracks prep 880 mark

By DICK O'CONNOR

BERKELEY — Bruce Carr of Lowell High School in Whittier is so good he takes all the excitement out of a track meet.

The slender senior, who is headed for the University of Southern California, made a rout of the featured 880-yard run in the 45th annual state track championships here Saturday to win in 1:50.9.

He bettered the national high school record of 1:51.9 which was set three years ago at Stanford Stadium by Ray Van Asten.

Carr, who must be rated as the greatest high school middle-distance runner of all time, became the first to hold two national records at the same time.

He set the mile mark in the state meet at Modesto last year

with a phenomenal 4:08.7 clocking.

Thus, it was left to the sprinters and pole vaulters to provide the thrills for a crowd of 14,000 fans who watched the meet.

Most of them came to see if the fabled sprinter from Pasadena's Muir High School — John House — was as good as he was supposed to be.

He isn't. Alvin Mann of Edison High of Fresno whipped House by a yard in the 100. Mann also won the low hurdles and with the 10 points just about gave his school the team title.

Steve McDonald assured the Tigers of that team crown with a first in the discus.

House, who had a wind-aided time of 20.4 in the 220, did show the spectators that we was "for real" by winning at that distance. He beat Jerry Williams,

the Berkeley youngster who tried to win the meet all by himself.

And he almost did. Williams took the broad jump, was second in the 220 and fifth in the 220 and fifth in the 100.

Williams's last bid for the team crown came as anchor man in the 880-yard relay but he couldn't do it. San Diego High School won that in 1:26.7.

Midpeninsula entrants in the meet accounted for a first, second and third.

Big Bruce Wilhelm of Fremont in Sunnyvale, who probably will be competing for the Stanford frosh next year at this time, won the shot with a heave of 63-4/4.

He was second to McDonald in the discus. Chuck Smart of Los Altos was third.

The other two Midpeninsulans

who survived Friday's trials didn't place.

Dick Barkley of Palo Alto cleared 13-6 in the pole vault but went out at 13-9. Bill Fosdick of Andrew Hill High School in San Jose went on to win the event at 14-8 3/4 for a new meet record.

At Pittsburg last week in the NCS finals, Barkley defeated Fosdick.

Miler Mike Ryan of Wilcox High School in Santa Clara led for the first lap but then faded and finished last. Just a soph, he'll have two more chances in the same race.

The team win for Edison keeps the title in the Southern part of the state for the sixth year in a row and the 42nd time in the 45 meets.

Next year the state championships will be held in the Los Angeles Coliseum. It will be a two-day affair.

## Constant competition makes Southern runners outstanding

The failure of Midpeninsula runners in the state track meet at Berkeley last week isn't anything to be alarmed about. It happens every year.

It isn't the fault of the local runners. They simply are not ready for the level of competition they face in a state meet.

The runners from the South—John House of Muir in Pasadena, Carl Davis of Compton and Dennis Carr of Lowell in Whittier and Tracy Smith of Arcadia—have tough races almost every week.

### LEISURELY PACE

When it comes time for the state meet they are ready. Northern California runners seldom are. They spend most of the season running at their own leisurely pace.

The 880-yard run was an outstanding example of what competition or lack of it can do in the finals.

The winner was Carr, the phenom who also holds the national prep mile record. He simply ran his competition into the ground with a 54-second first lap.

He finished with a time of 1:50.9, a full second better than the old national record for the distance. Only three yards behind was Robert Hose from San Diego. His time was 1:51.7.

### MAY NOT LAST

Carr's mark in the 880 may not last a year. Hose is just a junior as were the fourth and fifth placers in the same race.

Southern California runners are used to putting out their best every week of the season. If they don't, they get eliminated from the state meet.

Paul Graham, the fine half-miler from Los Altos, usually set his own pace in winning the SCVAL, Santa Clara County, North Coast Section II, and NCS championships.

Prep expert Fran Errota, of Track and Field News, explains:

"Graham usually won his race with a good effort in the third 220 but when he tried that at Berkeley he didn't gain any ground. The competition was too good."

The same thing happened in the mile run.

Little Mike Ryan of Wilcox High School tried to keep up with the pace of Smith and Bill Delaney in the first lap of the mile.

He did accomplish that but it took something out of him. Mike dropped back farther and farther in the remainder of the race and finished last.

His time was around 4:40. That's almost 25 seconds slower than he ran just two weeks ago in the Santa Clara Valley Athletic League meet.

Mike is only a sophomore. He is small (140 pounds) and isn't as mature as some of the runners he was competing against.

### TOUGH HEAT RACE

Perhaps a tough heat race on Friday took too much out of him.

His coach, Gene Antone, explained:

"The situation of being in the finals was overwhelming for Mike. He wasn't used to it. He is only a sophomore and the experience will help him next year."

There isn't much Northern California coaches can do to improve the level of competition.

Southern California has several top men for every good one up here. They do it with numbers. There are almost twice as many high schools south of Fresno as there are north of it.

One thing the South can't match is Northern California domination in the weight events.

A Midpeninsula competitor has won the discus in four of the last five state meets.

For some reason Southern California doesn't even include the discus as part of its regular track program.

Maybe Northern California ought to do the same in the 100-yard dash. They have only won it twice in the last 25 years.

**TWO-TIMIN' CHAMP**—Alvin Mann (arrow), Edison of Fresno, stunned a crowd of more than 14,000 fans when he upset highly touted John House of Muir (Pasadena) to win the State 100 prize in 9.6 seconds. That's House on the right with Travis Williams (Harry Ells, Richmond), sandwiched between them and coming home third. Mann later took the 180 low hurdles to become the meet's only double winner. Thanks to that Mann, the Fresno school was a stunning team championship claimant.

# Cream of the State's Young Track Crop

—Examiner Photos by Matt Southard  
**LEFTY FOOLS 'EM**—A left-handed shotputting champion is rare in track annals. But Bruce Wilhelm of Sunnyvale, Fremont, outdistanced the field to win the State prep title with a preliminary round put of 63-4 $\frac{3}{4}$ . It stood up through the finals.

# Jacket Jump Champ Defeated In Sprints

Continued from 1st Sports Page  
triumph, actually accomplished in Friday's trials, Williams placed second in the 220 behind John House in 21.4 and got a fifth in the 100.

Not since the great Hugh McElhenny won both hurdle races and the broad jump to give Washington of L.A. the team trophy in 1947 has one individual taken three events.

The last time a local athlete won the broad jump was when Monte Upshaw of Piedmont set the national record of 25-4 1/4 in 1954.

In a desperate attempt for more points, coach Leroy Mims put Jerry in the leadoff spot for the relay, a departure from his usual anchor-man duties.

However, a bad pass resulted when second man Matthew Pruitt took off too fast, and what slim chances the Yellowjackets had were eliminated.

Other Eastbay performers who scored were Jasper Davis of Tech, who couldn't match his 18.9 trials time and was second to Mann in the low hurdles; Travis Williams of Ells, third in the 100 and fourth in the 220; McClymonds sophomore Calvin Criddle, third at 6-5 in the high jump; and Greg Ford of Clayton Valley, fifth in the high hurdles.

Ford was sixth in the low hur-

Williams by a tenth of a second, in addition to getting a second in the 100. Brother Jim was third in the broad jump behind Marvin Motley of Long Beach Poly, who missed equaling Jerry's mark by a scant quarter inch.

Bruce Wilhelm, winner of the shot put by almost three feet at 63-4 3/4, gave Fremont of Sunnyvale nine points and a fifth place when he moved up from fourth to second with a 173-7 1/2 effort in the discus.

Tommy Smith, the big, strong "horse" from Lemoore, took off on the backstretch and won the 440 easily by some four yards.

**DISCUS** — 1, Steve McDonald, Edison (Fresno), 178-1. 2, Bruce Wilhelm, Fremont (Sunnyvale), 173-7 1/2. 3, Chuck Smart, Los Altos, 170-5. 4, Dale Samvelian, Fresno, 169-4. 5, Burt Marks, Leigh, 162 1/2.

# Jerry in Eastbay's Only Win

By ALAN McALLASTER

EDWARDS STADIUM — Jerry Williams proved himself a mere mortal before an estimated 14,000 fans here Saturday when he failed to win the state high school track and field championship for Berkeley High all by himself.

The Yellowjacket phenom did score 10 points, and brought the Eastbay its lone individual title with a 24-3½ broad jump, but he couldn't match the two-man effort from Edison of Fresno and three point-winners from Muir of Pasadena.

One national and two state meet records were broken and one was tied as Edison, led by sprinter-low hurdler Alvin Mann, scored 15 points to take the team title.

Muir, with John and Jim House accounting for all but the fraction, was second with 12½ points. Berkeley and Jefferson of Los Angeles tied for third with 10 each.

Dennis Carr of Lowell in Whittier, who set the U.S. mile standard in last year's meet, clobbered Ray Van Asten's 1960 half-mile mark by a full second with a 1:50.9 clocking.

Four pole vaulters bettered the 1962 record of 14-3, but Bill Fosdick of Hill claimed the new mark of 14-8¾. He just missed on his final attempt at a national record of 15-1.

# State Track Meet Finals

By RON REID  
Times Sports Writer

The greatest attraction in California prep sports, the State High school track meet, will be held for the forty-fifth time tomorrow and Saturday at the University of California's Edwards stadium.

And among the throng of athletes who will flood into the Berkeley arena from all parts of the Golden State will be three lads who will carry the colors of San Mateo county schools.

That each has won a slot in the meet, rated the best prep track carnival in the United States, is already ample evidence of a fine season for each of them.

Each, however, may conceivably come through with a place in the first five before the festivities end Saturday afternoon,

but the price will be a lifetime best mark for each against the toughest competition in the state.

San Mateo county's three entrants are Hillsdale miler Ralph Likens, Aragon pole vaulter Jack McLesky, and Elton Harrison, Ravenswood broad jumper.

Both Harrison and Likens will have to survive qualifying trials that are being held for the first time this year in preclusion to Saturday's finals.

Harrison's opposition includes one half of a brother combination from Pasadena Muir, James House, who finished second in the Southern Section finals with a leap of 23-6 $\frac{3}{4}$ . His brother John, who was the victim of a bribe attempt in the Southland early this year, is co-favored in the sprints with Berkeley's Jerry Williams.

Harrison finished third in the North Coast Section finals last week with a 22-9 $\frac{3}{4}$  leap, and is capable of doing better. He will have to improve on that mark for a medal Saturday. Long Beach Poly's Marvin Motley has jumped 23-10 $\frac{3}{4}$ , and both winners of the Los Angeles and San Diego Sections last week exceeded 24 feet in their specialty. Harrison will be able to check his opposition when the broad jump trials start at 4:30 tomorrow.

Likens could be the most likely prospect for a place in the mile, depending on his mental preparation for the race.

Both he and McLesky have been labeled with the dubious distinction of being "psyched out" in past performances, but each proved to everyone's satisfaction last week that he could come through when it counted.

Likens ran his best time, a 4:22.1 last week in the NCS finals for a second place in that meet. Coach Plato Yanicks, however, along with other observers who have watched the lanky pacer run, say he can improve on that clocking.

There will be two heats in the mile, and Likens will have his chance to prove himself in one of them which starts at 7:05 p.m.

Ironically, the favorite in the mile is a boy who almost was disqualified before his South section meet, Tracy Smith of Arcadia. Smith won the race in 4:12.6, best in the state, after he was re-instated by a 6-4 vote of the section committee.

Aragon's amiable McLesky came through with his lifetime best mark last week at Pittsburg, where he vaulted 14-0 $\frac{3}{4}$  for a new meet record, but finished second

to Palo Alto's Dick Barkley on fewer misses.

If the lad is ready Saturday for an even better effort, he could conceivably take home one of the medals. Among his competitors are Jeff Hendrix of Downey (14-0), Paul Manning (San Diego Grossmont) (14-3), Gene Kicenski of Los Angeles Cleveland (14-0 $\frac{3}{4}$ ) and Barkley.

Among the teams favored to fight it out for the team title are Berkeley, Edison of Fresno, McClymonds, Long Beach Poly, Muir, and perennial favorite Manual Arts of Los Angeles.

The meet this year is co-sponsored by the Oakland and San Francisco sections of the California Interscholastic Federation.

Tickets, which are good for both days, will cost \$2 for adults and \$1 for students.

# Carr Sets Prep 880 Mark (1:50.9)

BY MIKE ERICKSON  
Times Staff Representative

BERKELEY — Al Mann, almost overlooked in an all-star cast of high school track and field stars, scored a stunning victory over Muir High's unbeaten John House in the 100-yd. dash and parlayed it to a win in the low hurdles to give Edison High School of Fresno the 1963 state title Saturday at Edwards Stadium.

Rated a good sprinter though certainly not in House's class, Mann finished second in his preliminary heat Friday at 9.7. But before 14,000 sun-baked fans Saturday afternoon Mann sprang out of the blocks, assumed the lead early and held off the flying Mustang for the rest of the race, clocking 9.6 to House's 9.7.

### Double Winner

While Mann became the meet's only double winner, Lowell's Dennis Carr scored a national record double, adding the half-mile mark of 1:50.9 to his year-old mile standard of 4:08.7.

For a month, Carr has been grimly in pursuit of Ray Van Asten's three-year-old record, and Saturday, with some prodding by Robert Hose of San Diego's Madison, Carr loped home a full second ahead of the old record.

Ironically, Edison's team triumph was decided long before most of the crowd was seated—in an event which is never seen in the Southland: the discus.

It didn't seem significant to many people when the public address announced that Stan McDonald of Fresno Edison had won the first event with a toss of 178 ft. 1 in.

But two hours later it became a major factor—particularly as far as Muir was concerned. The Mustangs, who felt they had a sure 10 points in John House, got three gray points from John's brother James in the broad jump and another half a point from high jumper Clyde Carr.

Williams, finished in a tie for third with 10 points.

Compton hurdler Carl Davis tied the 120 high hurdles mark of 13.9 set by Riverside Poly's Bob Bond, as he blazed across the finish a whisker ahead of Jefferson's Eddie Orr and Corona's Roger Moody.

All three were clocked in the same time in the day's closest race.

In what has to be the greatest prep pole vault battle of all time, seven skyriders cleared 14-1 and four survived the donnybrook at 14-4, breaking the CIF record of 14-3.

### Favorites Miss

Curiously, as the quartet set out after a mark of 14-3 1/4, none of the favorites was in the running: Claremont's Marc Savage, Downey's Jeff Hendrix and Arcadia's John Hergenrather.

The survivors were Gene Kicenski (Cleveland), Bob Seagren (Pomona), Bill Fosdick (Andrew Hill) and Paul Manning of Grossmont.

In an incredible clutch performance, Kicenski, who cleared 14 ft. for the first time in his career just last week at the city finals, was leading Bill Fosdick of Andrew Hill High going for 14-8 3/4 on fewer misses.

But the San Jose vaulter cleared the mark on his third try, and Kicenski had to settle for second.

# Smith Misses In Broad Jump As Upsets Mark CIF Meet

By Eddie Lopez  
EDWARDS STADIUM, Berkeley—It's an unwritten rule for competitors in the state CIF track and field championships to expect the unexpected.

This was never more evident than during the 45th running of the meet.

For the first time in history, 216 runners, jumpers and throwers from 139 schools were required to qualify in all

events with exception of the high jump and pole vault for this afternoon's finals.

There were many surprises yesterday afternoon, with central section, or San Joaquin Valley, athletes figuring in the rash of upsets.

Nothing was an unexpected as the failure of Tommy Smith of Lemoore to qualify in the broad jump. He plummeted from a season best of 24 feet, 6 inches to 22-8½ and 10th

among the qualifiers. Only the first eight are finalists.

Smith also was off his stride in the quarter mile, where he is credited with a nation leading best of 47.4. He was defeated for the first time this year in the first heat, although he had the advantage of the pole position.

John McGowan of Centennial of Compton pinned the loss on Smith by a decisive margin in the time of 47.9,

fastest of the two heats. Smith followed at 48.4.

David Buck of Brea took the second heat at 48.1, with the valley's other entrant, Ezumial Burts of Edison of Fresno, failing to qualify by running next to last—or eighth. Burts entered the meet with a best of 47.9, the second best time in the nation. As usual, the long legged junior, who also drew a pole spot, did not respond with a kicking finish. Certainly he missed Smith as a pacesetter.

ALL ALONE—Alvin Mann of Edison High School in Fresno is well ahead of the field during his heat of the 180 yard low hurdles as he takes the next to last barrier. In the picture is Vernon James of Manual Arts High, Los Angeles, third.

# Hurler Pena's Grand Slam Gives Athletics 9-3 Win Over Senators

By United Press International  
Poor Gil Hodges. If he thought the New York Mets were the worst team in baseball he must be beginning to wonder about the woebegone Washington Senators.

They have lost eight out of nine since Hodges officially took over as their manager May 23rd.

And the way they have lost some of those games would bring tears to the eyes of a hobbyhorse.

Gil watched them lose their first game under him on a Chinese homer, they dropped another one on a muffed infield popup and last night they went down to defeat again on a grand slam homer by the rival pitcher.

Orlando Pena was the fel-

## Ralston Meets Ward in Tourney

SACRAMENTO — UPI — The seeded players today moved into action in the men's division of the Central California Tennis Championships.

Number one ranked Dennis Ralston of Bakersfield and USC takes on Gene Ward of San Francisco. Second seeded Whitney Reed of Alameda, like Ralston a Davis Cup team performer, met Billy Demas of Sacramento.

In women's play yesterday, second seeded Jean Danilo-Vich whipped Irene Dempsey of San Francisco, 6-2, 6-0, and third seeded Rosemary Casal breezed through two matches. She downed Avalon Hahn of Sacramento, 6-0, 6-2, and Sue Strander of Sacramento, 5-7, 6-3, 6-4.

Pena, who had lost his last five games, struck out seven and did not walk a batter en route to his fifth victory. His fifth inning homer was one of six during the game.

Ed Charles and George Alusik also connected for KC while Larry Osborne, Don Lock and Jim King each homered for Washington. Don Rudolph was charged with his seventh defeat in 10 decisions.

Elsewhere in the American League, the New York Yankees climbed into a percentage tie for first place by blanking the Cleveland Indians, 4 to 0; the Los Angeles Angels downed the Baltimore Orioles, 7 to 4; the Detroit Tigers ended the Minnesota Twins' 10 game winning streak, 3 to 1; and the Chicago White Sox shut out the Boston Red Sox, 6 to 0.

Whitely Ford set down the Indians on three hits for his sixth victory as Tom Tresh and Elston Howard each hit two run homers for the Yankees. Both blows came off Jim Grant, who lost his fifth game against three victories.

Jim Bunning ended the major leagues' longest winning

streak by limiting the Twins to seven hits as he recorded his third triumph for the Tigers. Gus Triandos' single with the bases full was the key blow off loser Jim Perry during a three run rally by the Tigers in the fourth. Earl Batley's 10th homer in the ninth deprived bunning of a shutout.

Johnny Buzhardt checked the Red Sox on three hits while the White Sox pounded loser Gene Conley for five runs during the first three innings. Charley Maxwell clipped Conley for a triple and a single, scoring twice and driving in one run. Nellie Fox and Pete Ward also had two hits apiece. The victory was Buzhardt's fifth compared with two losses.

## Oilers, Dukes Play And Play And Play And—

By Associated Press  
It was 1:47 AM and an occasional chicken was crowing for daylight when Tulsa and Albuquerque wound up the longest game in the 75 year history of the Texas League.

Tulsa won it, 9 to 8, on Harry Watts' double in the seven-inning. It showed Tulsa into third place, just two games away from leading El Paso.

It wasn't the longest game inningwise because Rio Grande Valley and San Antonio played 24 in San Antonio in 1960. But those guys required only 5 hours and 42 minutes. The Oilers and Dukes used up 5 hours and 47 minutes.

They had played almost a regulation game before Bill Wakefield and Thad Tilotson took over to wage a pitching duel for nine innings. It was a shame Tilotson had to lose it but also would have been a shame had Wakefield lost.

# Cinder Title in Sight

By ALAN McALLASTER

It's entirely possible Jerry Williams may climax a brilliant high school cinder career by giving Berkeley the state championship this afternoon in the 45th annual California Interscholastic Federation track and field meet at Edwards Stadium.

The talented Yellowjacket took the broad jump lead with a prodigious 24-foot, 3½-inch effort and had the fastest 220 qualifying time of 21 seconds flat during Friday's trials before an estimated 3,200 fans.

Evidently completely recovered from the leg injury that plagued him earlier this week, Williams also qualified in the 100-yard dash at 9.8 and kicked Berkeley into the eighth lane for today's relay final.

Jasper Davis of Tech, Travis Williams of Ells and Greg Ford of Clayton Valley all qualified in two events each, and Sunset's George Rios made it in the mile as did Castlemont's fleet four-some in the relay.

But 16 other Eastbay individuals and teams fell by the wayside, some despite turning in the best performances of their careers.

Three outstanding cases were Larry Dillon of Tech, who was actually second in his 440 heat in 48.3 but disqualified for running out of his lane; quarter miler Steve Lawyer of Piedmont, sixth in 48.8; and junior San Ramon half miler Dave Anderson, fifth in 1:55.7.

Four in each heat, and eight in the three field event trials, made it into the finals.

Davis flashed to an 18.9 low hurdles clocking but still finished second to Alvin Mann of Fresno's Edison, and placed third in the 100 in 9.7.

Travis Williams won his century heat in 9.7 and took second in the 220 behind Jerry in 21.4.

Ford was second in the highs and third in the lows at 14.2 and 19.4, respectively.

Rios, possibly saving some-thing for today's tough race, had to shift into high on the final turn in order to post the eighth fastest mile time, 4:25.6.

Castlemont's relay team won its heat in 1:27.4, but three times in the first race were equal or better.

MacArthur McDaniels of McClymonds and Jerry Chatman of Berkeley just missed in their respective high hurdle heats, the latter in a creditable 14.2.

So it's all up to Jerry Williams if Berkeley is to be the state champ.

If he were to hang on to his first place in the broad jump, pick up another five points in the 220 and place fourth in the 100, it might be just enough. Berkeley doesn't figure to score in the relay.

Manual Arts qualified four individuals and what appears to be the state's best relay team for today's finals, and off yesterday's times the Los Angeles school should get a second in the 100 and no better than a fourth in the low hurdles.

But that's only 11 points, unless its two broad jumpers improve by almost half a foot.

Muir of Pasadena could win it if John House, who qualified in 9.6 and 21.4, should beat Jerry in the 220. Broad jumper Jim House is currently fourth, and shot putter Tom Kearin isn't too far out in seventh.

Defending champion Jefferson of Los Angeles could take one-two in the high hurdles and a third in the relay unless Castlemont comes through, and Centennial has an excellent chance for a first in the 440 and a sec-

ished, well ahead of Oakland Tech's Jasper Davis.

These two victories, plus Stan McDonald's first place in the discus with a throw of 178 feet 1 inch, gave Frank Fletcher's Tigers 15 points and their second State title. The first one came in 1941.

#### TIED THE MARK

Compton's Carl Davis tied the State 120 yard high hurdles standard for the only other record-breaking performance. He bolted in front of the pack on the second to last hurdle and finished in 13.9, tying the mark held by Bob Bonds of Riverside Poly in 1960. Ed Orr of LA's Jefferson and third place finisher Roger Moody of Corona also equaled the State meet record. However the crowd showed its displeasure when the top three were all announced as having the same time.

These record-makers overshadowed such accomplishments as:

A 4:14.4 mile victory by Arcadia's Tracy Smith. A nine point performance by Muir's John House with a first in the 220 and a second to Mann in the century. Two 6-8 high jumps by Ed Caruthers of Santa Ana Valley and Bill Channel, McLane of Fresno. Caruthers won on fewer misses.

Even Tommy Smith's quarter-mile win in :47.3 and a first in the shot put and a second in the discus by Fremont of Sunnyvale's Bruce Wilhelm almost went unnoticed.

Berkeley, given a good chance to wrap up the State title after Friday's trials, fell short of its mark when sprinter Jerry Williams failed in his victory bid in the 100 and 220. His trial broad jump mark of 24-3½ held up for a first place yesterday, but he wound up second in the 220 and fifth in the 100.

Muir finished second in the team scoring with 12½ points, coming on John House's nine

# Jerry in Eastbay's Only Win

By ALAN McALLASTER

EDWARDS STADIUM — Jerry Williams proved himself a mere mortal before an estimated 14,000 fans here Saturday when he failed to win the state high school track and field championship for Berkeley High all by himself.

The Yellowjacket phenom did score 10 points, and brought the Eastbay its lone individual title with a 24-3½ broad jump, but he couldn't match the two-man effort from Edison of Fresno and three point-winners from Muir of Pasadena.

One national and two state meet records were broken and one was tied as Edison, led by sprinter-low hurdler Alvin Mann, scored 15 points to take the team title.

Muir, with John and Jim House accounting for all but the fraction, was second with 12½ points. Berkeley and Jefferson of Los Angeles tied for third with 10 each.

Dennis Carr of Lowell in Whittier, who set the U.S. mile standard in last year's meet, clobbered Ray Van Asten's 1960 half-mile mark by a full second with a 1:50.9 clocking.

Four pole vaulters bettered the 1962 record of 14-3, but Bill Fosdick of Hill claimed the new mark of 14-8¾. He just missed on his final attempt at a national record of 15-1.

Carl Davis of Compton tied the meet high hurdles record with a 13.9 victory.

In addition to his broad jump

**EDWARDS STADIUM, Berkeley** — Rocketing Alvin Mann, who won the 100 yard dash and 180 yard low hurdles, and Stanley McDonald, who won the discus, accomplished an unprecedented feat by winning the 45th annual California Interscholastic Federation State track and field championships for Edison High School of Fresno.

Coch Frank Fletcher entered the competition, which is considered the finest high school meet in the nation, with five athletes but three of them—quarter miler Ezunil Burtis, half miler Raul Perez and high jumper Larry Cormier—did not place so it was up to Mann and McDonald to win it by themselves.

## Fourth Valley Champ

Never before have only two athletes won the state meet. El Centro won it with three in 1933 and Berkeley did it with five in 1957. It is the second state crown for the Tigers, who won it in 1941. Only on two other occasions has a central section school brought home the huge trophy—Coalinga in 1917 and Bakersfield High in 1939.

Edison was cofavored to win it with Manual Arts and Jefferson, both of Los Angeles, and Lemoore; however, upsets during Friday's qualifying portion of the meet cut into the other school's chances. It looked bleak for the Tigers when Burtis, who entered the meet credited with the second fastest 440

time — 47.9 — in the nation failed to qualify for yesterday afternoon's finals.

McDonald, who stands 6 feet, 5 inches and weighs 203 pounds, started the finals by winning the discus with a throw of 178-1, which he posted in the trials. He was favored to win, since the only other prep in the state with a better mark, John Reed of Monterey, did not qualify in his sectional meet. McDonald's career best throw is 180 feet even.

More than 14,000 shirt-sleeved fans witnessed the first big upset of the finals when Mann, who stands 5-10 and weighs 170, shot out of his blocks to win the century at 9.6, equaling his personal best time. Although his time

was nothing to shout about in a field which included several 9.4 and 9.5 accredited sprinters, it nonetheless is representative of all the ingredients which make a champion—start, form, gather, finish and determination.

Fletcher earlier in the week told Mann to forget about the faster times belonging to John House of Muir of Pasadena, 9.5 and 9.2, wind aided; Jerry Williams of Berkeley, 9.4 although hotly disputed, and Travis Williams of Elys, Richmond, 9.5. And there was Tommy Smith of Lemoore, with a 9.5, to worry about.

Mann wasn't concerned about the Williams boys because he had whipped them in the West Coast Relays, along with Smith. He beat

Smith again the week after he ran 9.5 in the valley finals. House was the big question mark. "They're picking House to win the 100," Fletcher told Mann Friday night, "he hasn't beaten me yet," was Mann's reply, although he was second in his heat at 9.7 behind T. Williams.

## Close For Second

A hand span or less separated the next three runners—House, T. Williams and Smith, all of whom were caught at 9.7. J. Williams was fifth, at 9.8.

Mann is the fifth state century champion from the San Joaquin Valley, joining Jack Trout of Bakersfield High, 1939; Al Jackson of Edison, 1941; Leamon King of Delano, 1943, and Bill Cowings of Fowler, 1960.

Edison had 10 points when it was time for Mann to run the hurdles, where twice he had equalled the national prep record of 18.3. He didn't look good in the trials, winning 18.9 because he lost his step on the eighth and last barrier. It was his last shot at the national record in the finals but Fletcher had instructed him to run just to win and forget about the record because he would be running into a slight head wind.

Mann leaped into the lead but was spiked by the athlete on his right, Jasper Davis of Oakland Tech, going over the seventh barrier. By the time he crossed the finish line Mann's right hand was bleeding profusely. He said the accidental spiking, which re-

# Dancin' Willie Beats Johnson In Big Upset

By Jack Cuddy

**LAS VEGAS, Nev.—UPI**—Dancing Willie Pastrano, a second substitute and a 5 to 1 underdog, wrestled the world light heavyweight championship from veteran Harold Johnson on a split 15 round decision for one of the big upsets in ring history.

Pastrano's victory before a small crowd of about 2,500 broke 34 year old Johnson's winning string at 19 straight and it ruined Philadelphia Harold's attempt to make a successful defense of the undisputed 175 pound crown.

The decision in the Las Vegas Convention Center was greeted with mingled cheers and boos because it was a very close and well fought contest by both men.

Pastrano, 27, of Miami Beach, Fla., weighed 174 pounds. Johnson scaled 173½.

There were no knockdowns.

Pastrano was a 5 to 1 underdog because his recent ring record could not compare with that of Johnson.

Moreover, Pastrano was a third choice as a contender because he got the title shot only after two men who had been matched successively suffered training injuries and had to withdraw.

They were Mauro Mina of Peru and Henry Hank of Detroit.

Pastrano was given the title chance because of his victory in this same Las Vegas ring May 4th over contender Wayne Thornton of Fresno.

Benny, who was ranked fourth in the last World Boxing Association junior welterweight rankings despite losing his last five bouts, said "my heart just isn't in fighting anymore."

His last loss was in Bakersfield last week to Tony Noriega.

"I decided several weeks ago if I didn't beat Noriega I'd quit," Medina admitted. "No, I'm not hurt, but I don't have any ideas of making a comeback either."

Now 29, Benny said he hopes to work for the City of Fresno.

Medina's best year was in 1960 when he won six of seven fights, five by knockouts and lost one, to Johnny Gonsalves of Oakland. His last victory was January 30, 1962, a knockout, over Ray Riojas. His career record, starting in 1957, was 25 wins, 12 defeats and one draw.

sulted in three separate punctures, was caused when he brought his right arm down hard at the same time Davis was raising his left foot. Davis was second at 19.2.

The valley's other representative in the lows, Sherill Boyett of Wasco, finished seventh, at 19.5, considerably off the 18.7 he posted behind Mann in the valley finals.

Smith, as expected, took the quarter mile to give the valley its fourth individual title, Terrific Tommy improved on his nation leading time of 47.4 in the Lemoore Invitational with a 47.3 triumph around two turns. He ran his 47.4 out of a chute.

There was some doubt whether or not Smith would rebound from a poor showing in the trials. Smith was beaten for the first time this year by John McGowan of Centennial of Compton at

47.9, with Smith clocking 48.4. As it turned out, Leon Horne of Grant of Sacramento gave him the most pressure in the finals, with a second place time of 47.7, with McGowan fourth at 48.1.

## Fifth In Relay

Smith completed a triple event performance by passing two anchor men in the 880 yard relay to give Lemoore fifth spot at 1:27.1. Calvin Nutting, Jim Farmer and Ray Wilson ran the other 220 legs. San Diego, at 1:26.3, and Centennial, at 1:26.8, surprised the favorites. Manual Arts, 1:26.9, and Jeff, 1:27.1. Jeff had clocked 1:26.0 earlier.

Two other valley athletes placed in their events. Bob Channel of McLane of Fresno not only was frustrated again in his bid for the national high jump record, he also yielded his 1962 state title to Ed Caruthers of Santa Ana Valley on the fewer misses rule. Dale Samuelian of Fresno High was fourth in the discus at 169-4, a qualifying mark.

Caruthers, who has done 6-10 unofficially, and Channel, with a legitimate 6-9 1/4 to his credit, both cleared 6-8. Channel was placed second, however, because he required two jumps at 6-2, 6-4 and 6-5, whereas, Caruthers made it over the bar on his first try each time.

Channel may have been hindered somewhat due to a sore right foot, which is on the mend from a spike wound, incurred during the valley meet. Four stitches were required to close the wound. Calvin Criddle, a sophomore at McClymonds of Oakland, was third at 6-4, followed by Alden Burrell of Jeff, at 6-4. Burrell's brother, Otis, cleared 7 feet recently in a junior college meet.

## Carr Sets Mark

Dennis Carr of Lowell of Whittier became the nation's only double record holder by winning the half mile at 1:50.9 to go with last year's mile standard of 4:08.7 in the state meet. The listed 880 mark is 1:51.9, set by Ray

Van Asten of La Verne in the 1960 state meet.

Carr, who clicked off a qualifying time of 1:52.0, was ahead all the way by a comfortable margin. He also pulled Robert Hose of Madison of San Diego under the old mark, at 1:51.7. Mike Coley of Santa Maria followed at 1:52.5. Carr entered the meet with a 1:52.2 best.

State records also fell in the 120 high hurdles, won by Carl Davis of Compton, at 13.9, and the pole vault, won by Bill Fosdick of Andrew Hill of San Jose, at 14-8 3/4. The second and third place

hurdlers, Ed Orr of Jeff and Roger Moody of Corona, also were timed at 13.9. Fosdick, who holds the national indoor prep record, took three attempts at 15-1 for a national record, missing closely on his third try.

Next year's state meet will be in the Los Angeles Coliseum.

# Jerry in Eastbay's Only Win

By ALAN McALLASTER

EDWARDS STADIUM — Jerry Williams proved himself a mere mortal before an estimated 14,000 fans here Saturday when he failed to win the state high school track and field championship for Berkeley High all by himself.

The Yellowjacket phenom did score 10 points, and brought the Eastbay its lone individual title with a 24-3½ broad jump, but he couldn't match the two-man effort from Edison of Fresno and three point-winners from Muir of Pasadena.

One national and two state meet records were broken and one was tied as Edison, led by sprinter-low hurdler Alvin Mann, scored 15 points to take the team title.

Muir, with John and Jim House accounting for all but the fraction, was second with 12½ points. Berkeley and Jefferson of Los Angeles tied for third with 10 each.

Dennis Carr of Lowell in Whittier, who set the U.S. mile standard in last year's meet, clobbered Ray Van Asten's 1960 half-mile mark by a full second with a 1:50.9 clocking.

Four pole vaulters bettered the 1962 record of 14-3, but Bill Fosdick of Hill claimed the new mark of 14-8¾. He just missed on his final attempt at a national record of 15-1.

Carl Davis of Compton tied the meet high hurdles record with a 13.9 victory.

In addition to his broad jump

triumph, actually accomplished in Friday's trials, Williams placed second in the 220 behind John House in 21.4 and got a fifth in the 100.

Not since the great Hugh McElhenny won both hurdle races and the broad jump to give Washington of L.A. the team trophy in 1947 has one individual taken three events.

The last time a local athlete won the broad jump was when Monte Upshaw of Piedmont set the national record of 25-4 1/4 in 1954.

In a desperate attempt for more points, coach Leroy Mims put Jerry in the leadoff spot for the relay, a departure from his usual anchor-man duties.

However, a bad pass resulted when second man Matthew Pruttitt took off too fast, and what slim chances the Yellowjackets had were eliminated.

Other Eastbay performers who scored were Jasper Davis of Tech, who couldn't match his 18.9 trials time and was second to Mann in the low hurdles; Travis Williams of Ells, third in the 100 and fourth in the 220; McClymonds sophomore Calvin Criddle, third at 6-5 in the high jump; and Greg Ford of Clayton Valley, fifth in the high hurdles.

Ford was sixth in the low hurdles, as was Sunset miler George Rios and the Castlemont relay team. Wally Stuart of Tennyson was one miss short of scoring in the high jump, Davis was seventh in the 100 and Berkeley's 880 foursome finished last in the field of eight.

Mann coupled a 9.6 triumph in the 100 with an 18.9 for the lows, and a 178-1 discus toss by Steve McDonald gave Edison its third first place.

John House grabbed an early lead in the furlong and held off

Williams by a tenth of a second, in addition to getting a second in the 100. Brother Jim was third in the broad jump behind Marvin Motley of Long Beach Poly, who missed equaling Jerry's mark by a scant quarter inch.

Bruce Wilhelm, winner of the shot put by almost three feet at 63-4 3/4, gave Fremont of Sunnyvale nine points and a fifth place when he moved up from fourth to second with a 173-7 1/2 effort in the discus.

Tommy Smith, the big, strong "horse" from Lemoore, took off on the backstretch and won the 440 easily by some four yards.
