RALPH RUNS 4:19.5

McLeskey and Likens Carry County Hopes

By RON REID

BERKELEY — San Mateo county's representation in the 45th annual California Interscholastic Federation track championships was down to two individuals this afternoon as the state's finest athletes began competition here at Edwards Stadium.

Hillsdale's Ralph Likens, who ran a best-of-life 4:19.5 qualifying mile yesterday, and Aragon pole vaulter Jack McLeskey were set for the best effort of their prep careers, and those who witnessed the field here yesterday were sure that no less a performance would qualify for the medals that will go to the first five finishers.

Ousted from the county's original three-man delegation was Elton Harrison of Ravenswood, who found the competition far ahead of him in the broad jump trials.

Harrison got off a leap of 22-7/4, two inches less than his performance in the north coast section finals a week earlier and far short of yesterday's leaders.

Berkeley's Jerry Williams, the outstanding individual here yesterday, led all qualifiers with a 24-3 1/2 leap that gave Northern California fans hope for a break in the traditional monopoly enjoyed by southern schools on the team championship.

Williams, who virtually carried Berkeley's title hope all by himself this afternoon, also qualified in the 220 with a stadium record-equalling 21.0 and in the 100 with a 9.8 clocking.

His chief opposition for the sprint crowns, and possibly the team title as well, was John House of Pasadena Muir, who led the 100 qualifiers with a 9.6.

Williams, with 9.5 and 20.4 clockings to his credit this year, wasn't expected to be at full effectiveness for yesterday's competition, but if the lad was hampered in any way, it certainly wasn't noticeable while he was running. He also pulled Berkeley's 880 relay team into a qualifying slot with a brilliant anchor leg.

Should Williams win both sprints, and his broad jump mark stand up in the finals today, Berkeley could walk off with the team title. Berkeley was the last northern school to win the title, in 1957.

In nearly every other event yesterday, however, southland athletes outdid their Nor-Cal opposition handily.

The mile proved no exception as Tracy Smith of Arcadia, the south section champ, ran away from a first-heat field to win by 20 yards in 4:15.4.

440—McGowan (Centennial) 47.9; Buck (Brea) 48.1; Horne (Grant) 48.3; Smith (Lemoore) 48.4; Robinson (Fremont L. A.) 48.6; Gratts (Belmont) 48.7; Agsten (San Diego Hoover) 48.7; S. Williams (Chaffey) 48.9.

Broad Jump—J. Williams (Berkeley) 24-3 1/2; Motley (L. B. Poly) 24.3 1/4; Kennedy (S. D. Lincoln) 23-9 3/4; Jim House (Muir) 23-9; Selness (Verdugo Hills) 23-3 3/4; Appleton (San Gabriel) 23-0; Clark (Manual Arts) 22-10 1/4; Wilson (Manual Arts) 22-10.

220—Jerry Williams (Berkeley) 21.0; John House (Muir) 21.4; T. Williams (Ells) 21.4; James (Perris) 21.5; Harrison (Hogan) 21.5; Coleman (Stockton Edison) 21.5; Cox (Redlands) 21.6; Buford (Cathedral) 21.6.

180 Low Hurdles—Mann (Fresno Edison) 18.9; Davis (Oakland Tech) 18.9; McCullough (L. B. Poly) 19.0; James (Manual Arts) 19.1; Sanford (San Diego) 19.2; Foster (Centennial) 19.2; Ford (Clayton Valley) 19.4; Boyett (Wasco) 19.4.

1 Mile—Smith (Arcadia) 4:15.4; Daughtery (Glendale) 4:19.2; Jordan (Crescenta Valley) 4:19.2; Delaney (Orange) 4:19.3; **Ralph Likens (Hillsdale) 4:19.5**; Dunafon (San Diego) 4:19.6; Ryan (Wilcox) 4:24.4; Rios (Sunset) 4:25.6.

880 Relay—Manual Arts, 1:26.7; San Diego, 1:27.1; L. A. Jefferson, 1:27.4; Castlemont, 1:27.4; Centennial, 1:27.5; Los Angeles 1:27.5; Lenmoore 1:27.9; Berkeley 1:28.3.

Schools Qualifying more than 1—Manual Arts 5, Muir 4, Berkeley 4, Lenmoore 3, San Diego 3, Jefferson 3, Centennial 3, Ells 2, Edison of Fresno 2, Oakland Tech 2.

ond in the relay, but low hurdler Paul Foster is a question mark.

Lemoore and San Diego, the other two teams with three qualifiers, don't appear strong enough to score in double figures.

Locals' Track Chances Slim

Look for three national prep records—maybe more—to fall today and Saturday in the state track finals in Berkeley.

This word comes from Hillsdale spike coach Plato Yanicks, a walking almanac of track knowledge.

YANICKS reports this 45th annual big show is the strongest in history. A look at participating contingents from throughout the state bears this out. Five of the best prep tracksters in the U. S. are converging. An illustration—Dennis Carr, holder of the U. S. prep mile banner (4:08.7!), out to crack the half-mile his time.

Trials are being held for the first time, beginning at 4:30 p.m. at University of California's Edwards Stadium. Saturday's events, featuring the top eight performers from the trials, start at 12:30.

Mid-Peninsula's chances appear to be slim. Hillsdale Ralph Likens reached his swiftest mile, 4:22.1, last week in the NCS finals, but faces a ticket of milers clocked at better than 4:18.

ARAGON'S Jack McLesky's opposition is equally stiff. While Jack was elated to set a new North Coast pole vault measure at 14-0 $\frac{1}{4}$, two of competitors at Berkeley will be going for the national record of 15-0.

One of three Los Angeles squads is favored to take the team prize. Manual Arts, Los Angeles and Jefferson lead the list of 130 schools sending 216 boys.

Manual Arts boasts three broad jumpers in the 24-foot range, a 1:26.4 relay and a 9.6 sprinter.

McClymonds of Oakland is Norcal's top threat, featuring a 6-6 high jumper, 9.6 sprinter, 14.0 hurdler and behind Manual Arts and Jefferson, the nation's fastest prep relay.

Without fleet Jerry Williams, who reports an infected leg, NCS titlist Berkeley doesn't figure to be strong. Other Norcal leaders are Clayton Valley of Walnut Creek, Els of Richmond and Los Altos.

LIKENS, contacted yesterday, has no visions of grandeur for the mile.

"I'll have to go all out to even qualify," he put it. "I'd be happy with a 4:17."

He gloomily mentioned the name of Tracy Smith, a Southern Californian and holder of a 4:12. Then there are George Rios, Sunset, at 4:18.9 and Mike Ryan, Wilcox, named one of the two top sophomore milers in the U.S. But Likens is at his best against the big guys, missing in his MPL days.

Yanicks remarked that the trials may give Likens a break. Running on successive days could give an edge to the strong over the fast milers.

A dry track could mean a new 100 or 220 record and a national stir. John House of Pasadena has a wind-aided 9.2 (and a legitimate 9.5.) Williams and Tracy Williams of Els, both with 9.5, plus several

Likens undoubtedly ran the best race of his life and proved that he should be good enough for a fourth place today, if not better.

Running in the second heat, Likens trailed leader Hill Daugherty of Glendale by inches through the first three laps before he made his move, perhaps a bit too soon.

Lanky Ralph burst out in front as the gun sounded for the last lap, and moved out to a ten-yard lead at the head of the the backstretch.

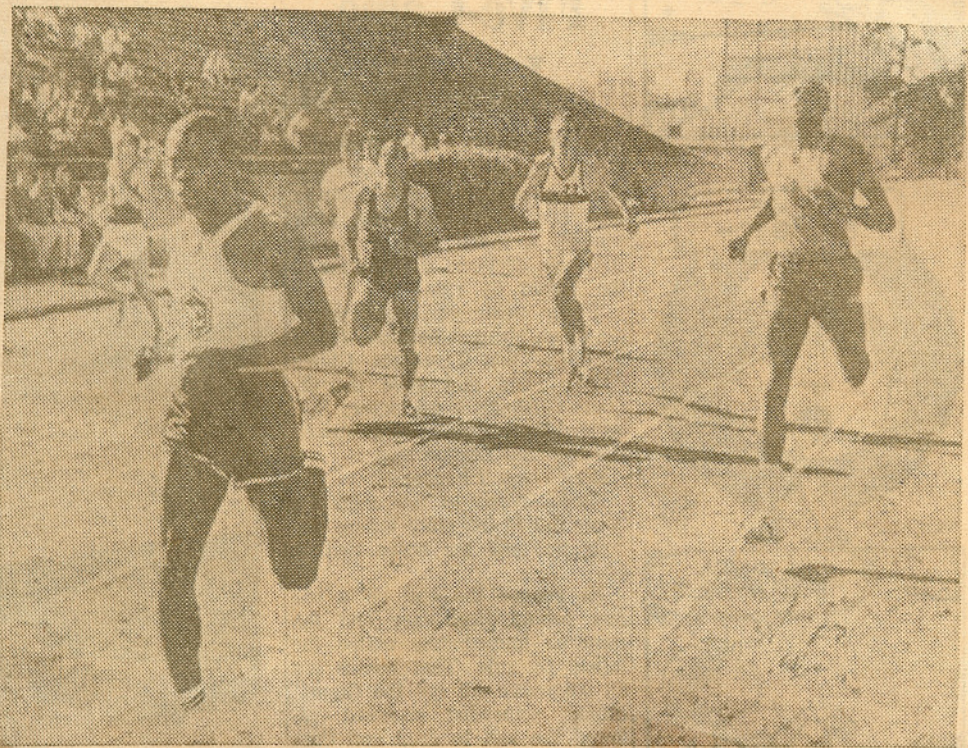

But he couldn't hold the blistering pace through the final 100 yards, where Daugherty and Jim Jordan of Crescenta Valley passed before the tape. Likens finished third in the faster heat by three yards. His time for the 1500 meters (about 120 yards short of a mile) was 3:57.4, best of the heat.

McLeskey, who vaulted 14-0 $\frac{1}{4}$ last week in the NCS finals, will need to exceed that mark today against a tough field. Among his opposition will be Palo Alto's Dick Barkley, Paul Manning (14-3) of Grossmont, and Marc Savage of Claremont, who has cleared 14-8 $\frac{1}{2}$ this season.

In other events yesterday, Dennis Carr of Lowell of Whittier ran a 1:52.0 half mile to miss Ray Van Asten's national record by a tenth of a second. Carr, who holds the national mile record with a 4:08.7 that he ran in last year's state meet, is expected to break the 880 mark this afternoon.

Other qualifying leaders included Bruce Wilhelm of Fremont, who paced the shot put competition with a 63-4 $\frac{3}{4}$ heave, almost four feet better than his nearest rival.

Title in Sight

By ALAN McALLASTER

It's entirely possible Jerry Williams may climax a brilliant high school cinder career by giving Berkeley the state championship this afternoon in the 45th annual California Interscholastic Federation track and field meet at Edwards Stadium.

The talented Yellowjacket took the broad jump lead with a prodigious 24-foot, 3½-inch effort and had the fastest 220 qualifying time of 21 seconds flat during Friday's trials before an estimated 3,200 fans.

Evidently completely recovered from the leg injury that plagued him earlier this week, Williams also qualified in the 100-yard dash at 9.8 and kicked Berkeley into the eighth lane for today's relay final.

Jasper Davis of Tech, Travis Williams of Ells and Greg Ford of Clayton Valley all qualified in two events each, and Sunset's George Rios made it in the mile as did Castlemont's fleet foursome in the relay.

But 16 other Eastbay individuals and teams fell by the wayside, some despite turning in the best performances of their careers.

Three outstanding cases were Larry Dillon of Tech, who was actually second in his 440 heat in 48.3 but disqualified for running out of his lane; quarter miler Steve Lawyer of Piedmont, sixth in 48.8; and junior San Ramon half miler Dave Anderson, fifth in 1:55.7.

Four in each heat, and eight in the three field event trials, made it into the finals.

Davis flashed to an 18.9 low hurdles clocking but still finished second to Alvin Mann of Fresno's Edison, and placed third in the 100 in 9.7.

Travis Williams won his century heat in 9.7 and took second in the 220 behind Jerry in 21.4.

Ford was second in the highs and third in the lows at 14.2 and 19.4, respectively.

Rios, possibly saving something for today's tough race, had to shift into high on the final turn in order to post the eighth fastest mile time, 4:25.6.

Castlemont's relay team won its heat in 1:27.4, but three times in the first race were equal or better.

MacArthur McDaniels of McClymonds and Jerry Chatman of Berkeley just missed in their respective high hurdle heats, the latter in a creditable 14.2.

So it's all up to Jerry Williams if Berkeley is to be the state champ.

If he were to hang on to his first place in the broad jump, pick up another five points in the 220 and place fourth in the 100, it might be just enough. Berkeley doesn't figure to score in the relay.

Manual Arts qualified four individuals and what appears to be the state's best relay team for today's finals, and off yesterday's times the Los Angeles school should get a record in the 100 and no better than a fourth in the low hurdles.

But that's only 11 points, unless its two broad jumpers improve by almost half a foot.

Muir of Pasadena could win it if John House, who qualified in 9.6 and 21.4, should beat Jerry in the 220. Broad jumper Jim House is currently fourth, and shot putter Tom Kearin isn't too far out in seventh.

Defending champion Jefferson of Los Angeles could take one-two in the high hurdles and a third in the relay unless Castlemont comes through, and Centennial has an excellent chance for a first in the 440 and a sec-

Compton entry captures 440 heat in state classic

McGowan of Compton's Centennial, in lane two, won his 440-yard dash heat in 47.9 during Friday's trials of the state track meet at Berkeley. At right is Tom Smith of Lemoore, who placed second.

Five area stars seek titles

Three Midpeninsula spikers disappoint in state meet

By DICK O'CONNOR

BERKELEY — Three of the Midpeninsula hopes for points in the California state track meet here didn't survive Friday's preliminaries held at Edwards Stadium on the Cal campus.

Half-miler Paul Graham of Los Altos finished back in the pack in his heat and did not make the finals. The 880 heats were won by Dennis Carr of Lowell High School in Whittier (1:52) and Mike Coley of Santa Maria (1:53.3). It

took a time of 1:55.4 to make today's final.

The same thing happened to NCS quartermile champion Jim Duran of Cupertino. He missed out in a pair of heats that were won by John McGowan of Centennial in Compton (47.9) and Dave Buck of Brea (48.1). Duran's best time this season is 48.4 but he couldn't duplicate that Friday.

Elton Harrison of Ravenswood didn't make the broad jump fi-

nals. It took a jump of 22-10 or better to make the final eight and Elton couldn't get that far. He has done it in the past.

The other five area entrants were more fortunate. Big Bruce Wilhelm of Fremont in Sunnyvale led the shot put trials with a 67-0³/₄—more than three feet ahead of Bob Brannan of Los Gatos who is second. Each competitor will get five more throws in today's finals.

In the discus, Chuck Smart of Los Altos was second to Steve Donald of Fresno's Edison High School. He threw 170-5. Wilhelm was fourth at 168-11.

Mike Ryan of Wilcox, the North SCVAL mile champ, made the finals with a 4:24 clocking. He has a best of 4:19.1 and only Tracy Smith of Arcadia ran faster than that Friday. His time was 4:15.4.

The final area entrant in the meet—pole vaulter Dick Barkley of Palo Alto—didn't compete Friday. The finals in his event will be held today. There were no prelims.

Berkeley High School found itself in good position to end the Southern California monopoly on the team title. Jerry Williams led the broad jump qualifiers and also made the finals in the 100 and 220. The Yellowjackets also qualified a relay team.

John House, the Pasadena Muir sprinter who had a wind-aided 9.2 time in the 100 earlier this year, topped century qualifiers at 9.6.

A crowd of more than 3,000 fans watched the trials. More than 15,000 fans were expected at the finals today.

pulled leg muscle. If he was, you wouldn't have noticed.

He won his 220 heat impressively in 21.0 — House won the other 220 heat in 21.4 — and took a surprise lead in the broad jump with his best-ever leap of 24-3½.

He also qualified in the 100, running fourth in 9.8, but it was generally agreed he's capable of much better.

Williams' only test of this caliber prior to yesterday was in the Fresno relays, where he got a poor start and did not place in the 100.

House, won his heats easily in 9.6 and 21.4, and still rates as the man to beat today.

Jerry overshadowed Dennis Carr of Lowell High (Lahabra). Carr (who set the National Interscholastic record in the mile with 4:08.7 upset win in last year's State meet at Modesto), barely missed the national 880 mark. He ran it in 1:52.0., his all-time best, and just one-tenth of a second off the record.

Alvin Mann of Edison, in Fresno, won his 180-yard low hurdles heat in 18.9 despite losing his steps completely on the final hurdle.

However, Edison's chances for the State title suffered when highly-rated Ezunial Burts failed to qualify in the 440.

But it was big Tom Smith of Lemoore, given an outside chance to win the meet all by himself, who was the biggest disappointment of the day. He failed to qualify in the broad jump, leaping only 22-8½ against his best

of 24-6; ran second in his 440 heat, an event he is favored in—although he didn't appear to be running his hardest and the heat winner, John McGowan of Centennial (Compton), was impressive with a personal best of 47.9 —and ran third in his 100 heat in 9.8, far below his best of 9.5.

Smith did run an impressive relay leg, moving his team from fourth to third and closing fast against some grade-A sprinters.

San Francisco put only one man into the finals, Mission discus thrower Otto Brewster, who got the eighth qualifying spot with a 149-3 toss, well below his 164-½ best. His teammate, Oliver Mitchell, the city record-holder in both hurdles, was badly beaten.

Toilers, Jeff Roll; L.B. Poly Fizzles

BY MIKE ERICKSON, Times Staff Representative

BERKELEY — There's something about state high school championships that brings out the tiger in the Southern League.

Manual Arts, league champion and a strong contender for the over-all title, and Jefferson, defending state champ, paced a parade of magnificent clutch performances in the preliminaries Friday at Edwards Stadium.

The chances of CIF runner-up Long Beach Poly, however, took a nosedive when James Miles, who won the CIF low hurdles title last weekend, and the Jack-rabbits' 880 relay foursome each failed to qualify.

Eddie Orr and Thomas Gillette, two Jeff hurdlers who have been battling bad weather, bad tracks and bad luck all season, led a massive Southland blitz in the high hurdles that saw all seven City and Southern Section entrants qualify for today's finals.

Gillette had an easier time of it, running in the tough-seeded first heat, and Thomas, never threatened, equaled the stadium mark of 14.2.

The record lasted another ten minutes.

Wheeler Wheels

Manual's rock-steady sprinter, Julius Wheeler, finished a tenth of a second back of Muir High's great John House in the 100 and anchored a winning Toiler 880 relay effort of 1:26.7, also a stadium record.

John House, almost yawning, met and beat the best of the rest of the state in the two sprint heats, clocking a 9.6 and coasting to a 21.4 220.

House still hasn't been pushed, but a whippet-fast hometown sprinter, Jerry Williams from Berkeley High, clocked 21.0, and might give the Foothill Leaguer a rough run today.

Manual and Muir lead entries in the finals with

880 (First Heat)—1. Dennis Carr (Lowell), 1:57.0; 2. Robert Hose (S.D. Madison), 1:53.5; 3. Walt Channels (Colton), 1:53.5; 4. Ray Schröder (Eagle Rock), 1:55.0. Non-Qualifiers—Dan Figueroa (Cleveland).

Cinder Title in Sight

By ALAN McALLASTER

It's entirely possible Jerry Williams may climax a brilliant high school cinder career by giving Berkeley the state championship this afternoon in the 45th annual California Interscholastic Federation track and field meet at Edwards Stadium.

The talented Yellowjacket took the broad jump lead with a prodigious 24-foot, 3½-inch effort and had the fastest 220 qualifying time, of 21 seconds flat during Friday's trials before an estimated 3,200 fans.

Evidently completely recovered from the leg injury that plagued him earlier this week, Williams also qualified in the 100-yard dash at 9.8 and kicked Berkeley into the eighth lane for today's relay final.

Jasper Davis of Tech, Travis Williams of Ells and Greg Ford of Clayton Valley all qualified in two events each, and Sunset's George Rios made it in the mile as did Castlemont's fleet foursome in the relay.

But 16 other Eastbay individuals and teams fell by the wayside, some despite turning in the best performances of their careers.

Three outstanding cases were Larry Dillon of Tech, who was actually second in his 440 heat in 48.3 but disqualified for running out of his lane; quarter miler Steve Lawyer of Piedmont, sixth in 48.8; and junior San Ramon half miler Dave Anderson, fifth in 1:55.7.

Four in each heat, and eight in the three field event trials, made it into the finals.

Davis flashed to an 18.9 low hurdles clocking but still finished second to Alvin Mann of Fresno's Edison, and placed third in the 100 in 9.7.

Travis Williams won his century heat in 9.7 and took second in the 220 behind Jerry in 21.4.

Ford was second in the highs and third in the lows at 14.2 and 19.4, respectively.

Rios, possibly saving something for today's tough race, had to shift into high on the final turn in order to post the eighth fastest mile time, 4:25.6.

Castlemont's relay team won its heat in 1:27.4, but three times in the first race were equal or better.

MacArthur McDaniels of McClymonds and Jerry Chatman of Berkeley just missed in their respective high hurdle heats, the latter in a creditable 14.2.

So it's all up to Jerry Williams if Berkeley is to be the state champ.

If he were to hang on to his first place in the broad jump, pick up another five points in the 220 and place fourth in the 100, it might be just enough. Berkeley doesn't figure to score in the relay.

Manual Arts qualified four individuals and what appears to be the state's best relay team for today's finals, and off yesterday's times the Los Angeles school should get a second in the 100 and no better than a fourth in the low hurdles.

But that's only 11 points, unless its two broad jumpers improve by almost half a foot.

Muir of Pasadena could win it if John House, who qualified in 9.6 and 21.4, should beat Jerry in the 220. Broad jumper Jim House is currently fourth, and shot putter Tom Kearin isn't too far out in seventh.

Defending champion Jefferson of Los Angeles could take one-two in the high hurdles and a third in the relay unless Castlemont comes through, and Centennial has an excellent chance for a first in the 440 and a sec-

ond in the relay, but low hurdler Paul Foster is a question mark.

Lemoore and San Diego, the other two teams with three qualifiers, don't appear strong enough to score in double figures.

Twilling, Fuller Also Are In Finals

By Larry Lavelle
Bee sports writer

BERKELEY—Though the weather was ideal, Sacramento area athletes were not as they got beat in the heats in the qualifying for the 45th annual state CIF track and field championships yesterday at Edwards Stadium. There was one exception—the exceptional Leon Horne of Grant Union High School, who equalled his seasonal best time of :48.3 in the 440 yard run.

Leon finished third in the second heat but was awarded second after Oakland Tech's Larry Dillon was disqualified for straying out of his lane.

Horne was to be in today's 440 finals in a field of eight, which includes Tommie Smith of Lemoore, who has done :47.4, and nobody who ran worse than :48.9 yesterday.

Two In Finals

Sacramento's only other entries were El Camino pole vaulter Bud Twilling and C. K. McClatchy High School high jumper Paul Fuller. Preliminaries were not held in those events.

The Capital City representatives fell by the wayside, one by one, some virtually unnoticed and some who deserved a better landing.

Unluckiest of all were the area's milers, Rich Elliott of Highlands and George Weed of Folsom. Each barely missed a fourth place finish and a spot in today's program.

Elliott ran a lifetime best 4:20.1, and that was not good enough!

Worse, however, was the fact that Rich's time was far better than those of runners who placed third and fourth in the other heat. Mike Ryan of Wilcox was third in 4:24.4 and George Rios of Sunset fourth in 4:25.6 in the opening heat.

Weed, who was fourth briefly on the back stretch of the third lap, doggedly pursued Rios, but could not overhaul the San Jose ace.

Breeze For Smith

The first heat was a breeze for Arcadia's Tracy Smith—4:15.4.

Elliott's race was different. Not even a full second separated the first five. Jim Jordan of Crescenta Valley, who won, and Bill Daughtry of Glendale, who placed second, had identical clockings of 4:19.2.

Elliott was in the thick of it all the way, fourth after 440, third once on the second lap, fourth for a fleeting moment during the gun lap, and driving and just missing a place at the finish.

Others Not Close

For others, however, it was not close at all.

Highlands' Dave McHugh ran somewhere in the neighborhood of 1:56, which is creditable, but that was good enough only for a sixth in the first heat of the half mile.

Folsom's Joe Campoy ran next to last in the 180 yard low hurdle trials. Morris Spagner of Sacramento, who took Horne's place in the broad jump when Leon scratched himself after winning the Sac-Joaquin Section title, was 18th with a 21-5 $\frac{3}{4}$ effort.

The Sacramento Dragons' 880 yard relay team, which unofficially had run 1:28, turned in a disappointing 1:30.2. Davis' Ed Maxie put the shot 56-11, which was an inch and a quarter shy of putting him into the finals.

Horne Fails In Highs

Even Horne suffered a setback. It came in the 120 yard high hurdles, an event in which Leon figured to qualify. Last year he placed among the first five.

Horne struck the next to last hurdle but he was plainly in trouble before that.

His performance in the 440 was something else again. With a poor lane assignment—next to the outside—and hardly any rest, Horne showed plenty of grit as he fought off Tom Agston of San Diego, Hoover and Spencer Williams of Chaffey.

The third lane should be more to his liking today. And while John McGowan of Centennial has the pole position by virtue of his :47.9, talented Tommie Smith of Lemoore, who will be in lane four next

to Horne, is plainly the boy to beat.

Superior Californians were led by Wheatland's Frank Slemph. He ran the 880 in 1:54.3, finishing third in his heat.

Some of the opening day's top stars were Pasadena Muir's John House, a double heat winner in the sprints with times of :9.6 and 21.4; home town favorite Jerry Williams of Berkeley, who equaled a stadium record of :21.0 in the 220 and is leading in the broad jump at 24-3 $\frac{1}{2}$; national mile record holder Dennis Carr, Lowell of Whittier, who turned a 1:52.0 in the 880; Alvin Mann of Fresno's Edison, an :18.9 in the 180 low hurdles; and the Manual Arts of Los Angeles relay team, 1:26.7.

Smith Misses In Broad Jump As Upsets Mark CIF Meet

By Eddie Lopez
EDWARDS STADIUM, Berkeley—It's an unwritten rule for competitors in the state CIF track and field championships to expect the unexpected.

This was never more evident than during the 45th running of the meet.

For the first time in history, 216 runners, jumpers and throwers from 130 schools were required to qualify in all

events with exception of the high jump and pole vault for this afternoon's finals.

There were many surprises yesterday afternoon, with central section, or San Joaquin Valley, athletes figuring in the rash of upsets.

Nothing was as unexpected as the failure of Tommy Smith of Lemoore to qualify in the broad jump. He plummeted from a season best of 24 feet, 6 inches to 22-8½ and 10th

among the qualifiers. Only the first eight are finalists.

Smith also was off his stride in the quarter mile, where he is credited with a nation leading best of 47.4. He was defeated for the first time this year in the first heat, although he had the advantage of the pole position.

John McGowan of Centennial of Compton pinned the loss on Smith by a decisive margin in the time of 47.9.

fastest of the two heats. Smith followed at 48.4.

David Buck of Brea took the second heat at 48.1, with the valley's other entrant, Ezunial Burts of Edison of Fresno, failing to qualify by running next to last—or eighth. Burts entered the meet with a best of 47.9, the second best time in the nation. As usual, the long legged junior, who also drew a pole spot, did not respond with a kicking finish. Certainly he missed Smith as a pacesetter.

On the brighter side, Stanley McDonald of Edison of Fresno led the discus qualifiers, with a toss of 178-1, and Dale Samuelian of Fresno High had the third best throw of 169-4. Both have done better, but there's a good chance of them finishing 1-2 in the finals.

Alvin Mann of Edison of Fresno lost his step on the eighth and final hurdle in the first heat of the 180 yard low sticks. His time, 18.9, a far cry from his two consecutive national interscholastic record tying 18.3's.

Sherril Boyett of Wasco, running in the second heat, qualified by taking fourth at 19.4, also off his valley meet time of 18.7.

John House of Muir of Pasadena streaked the 100 in 9.6. But Jerry Williams of Berkeley led the field in the 220, with a 21 flat. House won his heat at 21.4.

Mann and Smith ran in the second century heat, which was won by Travis Williams of Ellis, Richmond, at 9.7. Mann was inches behind, also at 9.7, with Smith having to struggle desperately for third at 9.8.

The valley's 220 men didn't fare well at all. Leester (Porky) Jones of Delano was sixth in House's heat, with Ray Wilson of Lemoore eighth. The fourth runners in each heat were caught at 21.6.

No one expected sophomore Raul Perez of Edison of Fresno or Bill McDonald of Bakersfield High to fare well in the half mile, and they didn't. Perez found the pace too hot—53 flat for the first 440—and was eighth. Unofficially he was timed at 1:57.6 behind the winner, Dennis Carr of Lowell of Whittier. Carr, who holds the national prep mile record, hit 1:52.0. Mike Coley of Santa Maria won the second heat at 1:53.3, narrowly edging Don Wood of Granada Hills, also 1:53.3. McDonald was seventh, timing 1:58.3 unofficially.

Pre meet favorite Tracy Smith of Arcadia toured the mile in 4:15.4 in a two man race with Bill Delancy of Orange, who hit 4:19.3. Smith has a season best of 4:12.6 and should be all by himself in the finals. Jim Jordan of Crescenta Valley won the second heat at 4:19.2. Pat Timbrell of Shafter was fifth behind Smith and Gary Blackmon of Bakersfield High was ninth. Neither came anywhere near their best times.

Boyett missed out in the highs, taking sixth at 14.6. Jack Hamilton of Dinuba was seventh, also at 14.6. Winners of the heats were Thomas Gillette of Jefferson, Los Angeles, at 14.2, and Ed Orr, also of Jeff, at 14 flat. Orr looks like the class of the field. McArthur McDaniels of McClymonds of Oakland, the winner of the West Coast Relays, did not qualify.

Although Edison's chances for a state title are faint, due to Burts' failure to qualify in the 440, Lemoore still may come through following the performance in the 880 yard relay. Lemoore followed Castlemont of Oakland, 1:27.4, and Centennial, 1:27.5, at 1:27.9 in the second heat.

hurdles as he takes the next to last barrier. In the picture is Vernon James of Manual Arts High, Los Angeles, third.

Manual Arts, 1:26.7 in the first heat, is favored. San Diego, 1:27.1; Jefferson, 1:27.4, and Los Angeles High, 1:27.5, make it a hot field. Lemoore has a season best of 1:26.8. Lemoore's passing was exceptionally poor yesterday.

Neither of the valley's shot putters were able to muscle their way into the finals. Lance Patigian of Fresno High was 13th at 53-9 $\frac{1}{4}$ and Dick Russell of Taft was 15th at 52-7 $\frac{1}{4}$.

The qualifiers:

860—First heat: Dennis Carr, Lowell, Whittier, 1:52.0; Robert Hosc, Madison, San Diego, 1:52.8; Walt Channels, Colton, 1:53.5; Ray Schroeder, Eagle Rock, 1:55.7. Second heat: Mikey Coley, Santa Maria, 1:53.3; Don Lood, Granada Hills, Los Angeles, 1:53.3; Frank Slomp, Wheatland, 1:54.3; Larry Arnett, Pasadena, 1:55.4.

100—First heat: John House, Muir, Pasadena, 9.6; Julius Wheeler, Manual Arts, Los Angeles, 9.7; Jasper Davis, Tech, Oakland, 9.7; Charles Sanford, San Diego, 9.8. Second heat: Travis Williams, Ellis, 9.7; Alvin Mann, Edison, Fresno, 9.7; Tom Smith, Lemoore, 9.6; Jerry Williams, Berkeley, 9.8.

Second heat—Ed Orr, Jefferson, 14.0; Don Shy, Ganessa, Pomona, 14.1; Roger Moody, Corona, 14.2; Carl Davis, Compton, 14.2 (stadium record; old record 14.3).

5P—Bruce Wilhelm, Fremont, 63-4 $\frac{1}{2}$; Karl Hanks, Ventura, 59-10; Bob Brannen, Los Galos, 59-9; Roy Thurman, Western, 58-2 $\frac{1}{4}$; Burl Marks, Leigh, 58-1; Leon Herzog, El Capitan, San Diego, 67-7 $\frac{1}{2}$; Tom Kearin, Muir, Pasadena, 57-3 $\frac{1}{2}$; Charles Hunter, Banning, Los Angeles, 57 $\frac{1}{2}$.

BJ—Jerry Williams, Berkeley, 24-3 $\frac{1}{2}$; Marvin Nolley, Poly, Long Beach, 24-3 $\frac{1}{4}$; Jim Kennedy, Lincoln, San Diego, 23-9 $\frac{1}{2}$; Jim House, Muir, Pasadena, 23-9; Wayne Seiness, Verdugo Hills, 23-3 $\frac{1}{2}$; Dave Appleton, San Gabriel, 23-0; Gary Clark, Manual Arts, Los Angeles, 22-10 $\frac{1}{4}$; Montell Wilson, Manual Arts, Los Angeles, 22-10.

220—First Heat—John House, Muir, Pasadena, 21.4; John James, Perris, 21.5; Willie Harrison, Hogan, Vallejo, 21.5; Roger Cox, Redlands, 21.6. Second Heat—Jerry Williams, Berkeley, 21.0; Travis Williams, Ellis, 21.4; A. B. Coleman, Edison, Stockton, 21.5; Paul Buford, Cathedral, Los Angeles, 21.6.

(Equals stadium record.)

440—First Heat—John McGowan, Centennial, Compton, 47.9; Tom Smith, Lemoore, 48.4; Garland Robinson, Fremont, Los Angeles, 48.6; Ellis Grails, Belmont, Los Angeles, 48.7. Second Heat—David Buck, Brea, 48.1; Leon Horne, Grant, Sacramento, 48.3; Leon Horne, Grant, San Diego, 48.7; Spencer Williams, Chaffey, 48.9.

180 LH—First Heat—Alvin Mann, Edison, Fresno, 18.9; Jasper Davis, Tech, Oakland, 18.9; Vernon James, Manual Arts, 19.1; Charles Sanford, San Diego, 19.2. Second Heat—Earl McCullough, Poly, Long Beach, 19.0; Paul Foster, Centennial, 19.2; Greg Ford, Clayton Valley, 19.4; Sherrill Boyett, Wasco, 19.4.

Mile—First Heat—Traci Smith, Arcadia, 4:15.4; Bill Delaney, Orange, 4:19.3; Mike Ryan, Wilcox, 4:24.4; George Rice, Sunsel, 4:25.6. Second Heat—Jim Jordan, Crescenta Valley, 4:19.2; Hill Daughtery, Glendale, 4:19.2; Ralph Likens, Hilldale, 4:19.5; Darrell Dunafon, Hilltop, San Diego, 4:19.6.

880 Relay—First Heat—Manual Arts, 1:26.7; San Diego, 1:27.1; Jefferson, 1:27.4; Los Angeles High, 1:27.5 (stadium record). Second Heat—Castlemont, Oakland, 1:27.4; Centennial, 1:27.5; Lemoore, 1:27.9; Berkeley, 1:28.3.

Number of qualifiers (relay counts as one): Manual Arts, 5; Muir, 4; Berkeley, 4; Lemoore, 3; San Diego, 3; Jefferson, 3; Centennial, 3; Edison of Fresno, 2; Tech of Oakland, 2; Poly of Long Beach, 2.

BERKELEY—Gene Kicenski of Cleveland High School set a new state record in the pole vault yesterday afternoon, but when the long day was over, he placed second behind a higher record. Kicenski cleared 14-5½ to better the old mark of 14-3, but Bill Fosdick of Andrew Hill High School scaled over 14-8¾ on his final try to gain first place.

Had the two tied, Kicenski would have received the gold medal because of fewer misses, but the Northridge boy missed all three tries at 14-8¾.

The pole vault competition ended late yesterday at Edwards Stadium on the campus of the University of California after nearly five hours of vaulting in the state high school track finals.

Chuck Hodge of Reseda, who also entered the pole vault, failed to make 13-6 and finished 13th with a best mark of 13-3. Hodge was vaulting poorly all day, having several misses at the lower heights.

The only other Valley boy in the finals was Don Wood of Granada Hills, who finished seventh in a field of eight in the 880.

Wood ran 1:53.8, as Dennis Carr of Whittier's Lowell High ran 1:50.9, bettering the state and national prep records by a full second.

Robert Hose of Madison High (San Diego) was second in the half-mile in 1:51.7, also under the former national record.

Edison High of Fresno won the team title with 15 points as Alvin Mann upset Muir's John House to win the 100 in 9.6, then came back to take the lows in 18.9.

House was timed in 9.7 for the century, but won the 220 in 21.3, beating favorite Jerry Williams of Berkeley.

In the high hurdles, Carl Davis of Compton, who had finished fourth in his preliminary heat, upset the field to win in 13.9, equaling the state record.

In the preliminaries held Friday afternoon, the Valley entries didn't fare too well, either. Only one of the six local boys competing in prelims qualified for the finals.

That was Wood, who ran 1:53.3, for second place in his 880 heat. The heat was won by Mike Coley of Santa Maria in the same time.

Wood was third at the 440 break, but got boxed in on the third turn and fell back as far as sixth.

He finally escaped on the inside and moved up to third going into the final stretch. He passed one more runner and almost caught Coley at the wire in almost a dead-heat.

Lowell ran 1:52.0 in the first heat, which was just 1/10th of a second off the national record.

Cleveland's Dan Figueroa

placed ninth in a field of nine in Carr's heat, fading badly in the final 150 yards of the race.

Three Valley boys running in the mile also failed to place among the top four in either heat.

Bill Berridge of Cleveland placed seventh in a field of nine in the first heat, running 4:33.0 behind Tracy Smith's fine 4:15.4.

In the second heat, Birmingham 10th grader Kim Ellison was a disappointing seventh in 4:29.0 and Vic Krohn of Taft trailed a field of nine, running 4:36.0.

Birmingham's Ron Heiman fouled on two of his four attempts as he failed to qualify in the shot-put.

After two fouls, Heiman got off tosses of 52-11 and 53-2, good for 14th place among the 18 entries. Eight qualified for the finals.

No prelims were held in the pole vault.

Other top marks in the prelims were turned in by Berkeley's Jerry Williams with a 21.0 in the 220, Fresno Edison's Alvin Mann with 18.9 in the low hurdles, Centennial's John McGowan with 47.9 in the 440 and Muir's John House with a 9.6 in the 100-yard dash.

Eddie Orr of Jefferson scaled over the highs in 14.0, Bruce Wilhelm of Fremont put the shot 64-4¾, and Williams led the broad jump field with a leap of 24-3½.
