## In MHAL Track

Lightning-fast Lee Evans of Overfelt took his first step toward the state meet and made it a big one as he figured in three record-breaking performances Friday in the Mount Hamilton track finals at San Jose High.

Evans, who boasts the area's top times in both the 220 and 440, smashed league records in those events and anchored the 880 relay quartet, which eclipsed another loop mark.

The power-running sprinter lowered his own area best in the 220 by one-tenth of a second to 21.1 with the help of a mild tail wind. Earlier, he ran his specialty, the 440, in 49.2 with little competition to bring him near his state best clocking this year of 46.9.

In the meet-ending race, Evans anchored the relay team, which broke the tape in 1.30.6.

Cal Robinson was second to Evans in both the 220 and 440, and ran the second lap for the relay team, which also included Dan Sterling and Jerry Romero.

It was a big day for Overfelt as Sterling established another league record with a 19.9 time in the low hurdles.

Roger Bueno of San Jose and Larry Johnson of Lincoln also

had brilliant marks. Bueno fired the shot 55-8 and Johnson whirled the discus 159.8.

Gene Delk of Hill won the high hurdles in 15.4 and placed second in the lows in 20.2.
