

## Athens Track Team vs Santa Clara Youth Village

Riding the crest of a two meet winning streak, the strong Athens Athletic club track and field team will take on the Santa Clara Youth Village team at the San Jose State College Track on Saturday, April 22, 1967, at 1:00 PM. Having beaten the upcoming Long Beach 49ers and the National Champion Southern California Striders in the last two weekends, the Athens group will put their reputation on the line Saturday. The SCYV has shown tremendous progress in the past months and will give Athens stiff competition in many events.

Athens will be without the services of Tom Wyatt, their outstanding high and intermediate hurdler, who is studying to become a minister and has a preaching engagement in Los Angeles this weekend. Wyatt has a best of 14.1 and 51.5 in his specialties and will be hard to replace against the Youth Village's strong Bill Gardner.

There is also a question as to whether Menzies Campbell, AAC's great Sprinter will be available. Menzies is on a Rotary Club Scholarship at Stanford Graduate Law School and has previous commitments with the Rotary Club on Friday and Saturday. Darrell Horn, Athens team manager, will be hard pressed to replace Campbell who has best this year of 9.6 and 21.0 and is anchor man on both AAC relay teams.

In the last four meets of the young track season, four Athens team records have been broken on six occasions. In the first meet Rich Delgado ran a fine 9:07.2 in the two mile to break Jeff Fish backs 9:17.1 record set last year. Just last weekend Ed Dean obliterated that mark by touring the oval eight times in

(CON'T NEXT PAGE)

8:57.1. In the high hurdles Al Rockwell and Larry Livers have been trading off wins and now both have best of 13.8, two tenths better than Tom Wyatts Team Record of 14.0. High Jumper Gene Johnson set a mark in his first outing in Eugene, Oregon when he soared 6' 10" to move 1/4 inch higher than Bill Carter was able to jump last year. Another Team mark fell when Ed Dean ran 4:07.0 three weeks ago. That bettered another of Jeff Fishbacks marks of 4:17.
