

SEVENTEEN RECORDS TUMBLE IN CLAREMONT RELAY MEET

3-26-67

BY MARSHALL KLEIN

Times Staff Writer

The sixth edition of the Claremont Relays is now a matter of record—literally.

An incredible 17 meet marks were bettered, and three more equalled Saturday in the three divisions of the track and field carnival—open, college and freshman.

Six open records fell and three were matched; six college marks were bettered, and five frosh standards were surpassed by the field of nearly 350 athletes from five states who flocked to scenic Claremont-Mudd College on a cool, windy day.

Although there were no outstanding solo performances, there were several notable team efforts, including a meet record (naturally) 7:33.0 in the open two-mile by the 49er Track Club combine of Harry McCalla, Darryl Taylor, John Perry and Tom Von Ruden.
