

**AND THERE HE GOES**—Tommie Smith, world record holder in the 220, takes the baton from San Jose State teammate Lee Evans in anchor leg of the 880-relay at Mt. Sac Relays Saturday. Smith spurred away to pace 1:24.6 win.

The "Tommie Smith" show was upstaged by a Greek tragedy at the Mt. San Antonio Relays Saturday.

The 10,000 fans who came to see Tommie didn't get much of a show, but it was through no fault of his.

When the 49er Track Club was banned Friday, it eliminated any competition for Tommie-jet and his Spartan teammates, so the 880 and mile relays became virtual "walkovers" for San Jose State.

Lee Evans gave Smith an eight-yard lead in the 880 and a 25-yard advantage in the mile. Evans was clocked in 46.3 and Smith in 46.7 as they soloed quarter-mile laps in the 3:09.0 mile relay.

## Close Call

The nearest thing to excitement in an otherwise dull day came in the pole vault when Chris Papanicolaou sailed over 17 feet, apparently becoming the seventh ever over that magic height. However, an eager vault attendant grabbed Papanicolaou's pole as it teetered under the bar, thus nullifying the vault.

It became truly a Greek tragedy when Chris, a 25-year-old transfer student from Greece, was told his vault did not count—and the official who told him was Pete Clentzos, himself a former Greek national pole vault record holder in the 1930s.

Papanicolaou's official height of 16-8 is a new Greek record and earned him field athlete of the meet honors.

## Whitney Honored

Former Occidental star Ron Whitney was voted track athlete of the meet for running the fastest 440-yard intermediate hurdles in the world this year, a 50.7 victory and then returning to anchor a Striders' sprint medley relay team with a 1:50.6 half mile.

Whitney actually was running on the Striders "second team" in the sprint medley. He took the baton 20 yards behind the leader, Harris Williams of
