TROJANS WIN FIRST NCAA INDOOR TITLE

Hurdler Earl McCullough and two-mile relay runners Rich Joyce, Dave Buck, Dennis Carr and Carl Trentadue were the chief heroes as USC scored 26 points to win its first NCAA indoor track championship Saturday night in Detroit's Convention Arena. Oklahoma was runnerup with 17 points and Kansas third with 16.

McCullough, indicating he's headed for an outstanding outdoor season, had a brilliant series of races in winning the 60-yard high hurdles. His opening heat time of 7.1 set a meet record followed by his semifinal and final clocking of 7.0, not only an NCAA mark but the fastest ever by a Trojan indoors and but two tenths slower than Hayes Jones' world record established in 1964.

Carr, showing great recuperative powers, came back 20 minutes after reeling off a 2:58.7 1320 in the distance medley relay to contribute an important 1:52.7 carry as Troy's two-mile team outfinished Michigan in 7:30.1.

Sophomore anchorman Trentadue brought home the victory in 1:51.8 after soph Joyce had led off with 1:53.0 and No. 2 man Buck returned a 1:52.6 split. Manhattan finished third in 7:31.0, Fordham fourth in 7:34.6 and Villanova, anchored by Dave Patrick, fifth in 7:45.3.

SEAGREN SETS NCAA RECORD

Bob Seagren gave Troy its third first place of the NCAA indoor meet with his record performance of 17'4", breaking the mark set last year by Bill Fosdick. It was Seagren's 15th indoor competition of the season and his sixth clearance of 17 feet or more. He boosted his own world indoor record to 17'3" in Cleveland's Knights of Columbus meet Feb. 18. Teammate Paul Wilson finished second at Detroit, clearing 16'4", and Fosdick added a fifth-place point with a 15'6" effort.

Carr's fast three-quarter-mile carry put USC in the distance medley relay lead, but anchorman John Link (4:08.4) succumbed to fast finishes by Kansas State's Conrad Nightingale and Villanova's Patrick. Kansas State's winning time was 9:44.6 with Villanova second in 9:45.1 and Troy third in 9:50.1. Other Trojan splits were Craig Grant 1:53.0 and Roger Wolff 50.0.

Also collecting Trojan points were Lennox Miller (6.3), fourth, and O. J. Simpson (6.3), fifth, in the 60 behind Charlie Greene's winning 6.0.

High hurdler Paul Kerry qualified for the semifinals with a 7.3 heat in the 60 highs, but failed to survive the semis.

LETTERS TO THE EDITOR  
TRACK & FIELD NEWS  
P. O. Box 296  
Los Altos, Calif. 94022

Gentlemen:

I don't know if T&FN was personally represented at the recent NCAA indoor track championships but here are the observations of one track nut that was there.

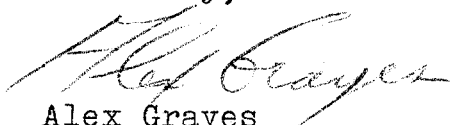

Ryun and Patrick proved that a person cannot run two tough races within a couple of hours of one another. Without taking a thing away from Patrick in the 880, it was not a fresh Jim Ryun that competed in the half mile. Only 2 hours before, Ryun had run a qualifying mile race. It was evident after 1½ laps that nobody was going to catch Patrick. He had a commanding 20-25 yd lead by that time and still as fresh as ever. He simply sprinted the entire race. I'd love to see Patrick and Ryun hook up in an 880 when both are rested.

But if Ryun had tried to pull an iron man stunt on Friday, it was Patrick's turn on Saturday. After anchoring the distance medley to 2nd with a 4.00:6 mile, Patrick came back only 30 minutes later to attempt to anchor the 2 mile relay. Jumbo Elliot should be shot for even permitting this. Patrick collapsed at the end of the race. After one lap it was evident that Patrick simply could not hack it.

The runner who perhaps enjoyed the most success with an iron man stunt was Dennis Carr. Carr ran a very good 1320 in the distance medley and then came back 30 minutes later to run an excellent 3rd leg on the 2 mile relay.

The closest race of the meet was the 2nd semi-final heat of the 60yd HH. In that race Coleman, Butler, Shy and Flowers finished in a virtual dead heat. I was at the finish line (where else would a track nut be) and I could not determine who finished 1st or 4th. It was that close. Twenty minutes later, after studying the photos, the judges claimed that Flowers finished 4th.

Sincerely,

  
Alex Grayes

February 1, 1967

The 1967 National Collegiate Indoor Track Championships will be held in Detroit on Friday night, March 10 and Saturday afternoon, March 11 at Convention Arena.

In this pre-Olympic games year, more than usual national attention will be focused on the conference champions and outstanding independent stars from the nation's major colleges competing in this year's championships.

For example --

JIM RYUN, Kansas sophomore, world record holder for the mile (3:51.3) and half-mile (1:44.9) will compete on Friday and Saturday.

GERRY LINDGREN, Washington State Junior, defending champion in the two-mile, will compete on Friday.

BOB SEAGREN, Southern California, indoors world record holder in the pole vault at 17'1" will compete on Saturday.

CHARLIE GREENE, Nebraska senior, NCAA 60-yard champion for the past two years, will compete on Saturday.

We hope your newspaper will want to cover this championship meet and attend a complimentary luncheon on Saturday where the press will get together with many of the noted college coaches and outstanding athletes.

Enclosed is a hotel reservation form for your use. Please direct requests for press credentials to my attention c/o The Detroit News promotion and research department.

Sincerely,
