SAN JOSE--The Fresno State-San Jose State track meet Saturday night at Fresno might well be called "The Great Experiment" as far as SJS is concerned.

Meet time is 7 p.m. at Ratcliff Stadium.

John Bambury may prove to be the key man in the experimentation as Bud Winter looks ahead to the California-Washington State-SJS triangular meet at Berkeley, April 22.

Winter plans to test Bambury in the century and the 440 intermediate hurdles.

Bob Griffin will be kept out of the 100 and tackle the 220 for conditioning purposes. Griffin has had leg trouble this year and is a key man in both sprints when SJS meets Cal.

Saturday is the closest thing to a "hometown" appearance this season for Tommie Smith of Lemoore. Smith has run several of his best races at night on the Fresno track and will attract the fans as he is listed to compete in the 100 and 220.

Lee Evans, another 220 entrant this weekend, tied his lifetime best in that event last week on a cold day while traveling over a soggy track in 21.0 against Smith.

Winter looks for continued improvement from javelin thrower Andy Allen who hit 191 feet last week and pole vaulter Herschal Beahm who went 14-6, both were best ever marks.

The freshmen will meet Fresno also on Saturday. Performing iron man chores are Ralph Gamez in the 880, mile and two mile; Frank Slaton in both relays, the long and triple jumps and the 100 and 220, plus Greg O'Conner in both relays, the triple jump, the 440 and 220.

A top varsity dual could develop in the intermediate hurdles where SJS's Ken Shackelford (53.8) tangles with Jack Hamilton (53.4) of Fresno. The Bulldogs' Al Williams (14.7) challenges Rickey Rogers (14.6) in the high hurdles while shot putter Larry Peterson (52-4) and discus man Charles Gardiner (159-6) meet Spartans Randy Raus (52-11) and Bob Twelvetreets (158-0) respectively.

Tommie Smith, San Jose State's great track man, will come home to the San Joaquin Valley Saturday with the SJS Spartans as they face the Fresno State College Bulldogs on the Ratcliffe Stadium track.

Smith, a native of Lemoore, holds the World record for the 220 yard dash at 20 seconds flat and has been hailed as the best trackman active today in distances from 100 to 440 yards.

-----  
The Saturday meet between FSC and SJS will be held in the afternoon instead of the evening as previously announced. Cornelius Warmerdam, FSC Track Coach, said, "The change was made because of the probability of low temperatures after sundown."  
-----

San Jose's coach, Bud Winter, will bring along a strongly balanced team to back up Smith.

Field events will begin at 1:15 with the long jump and running events are scheduled for two o'clock.

Both teams have been handicapped by a lack of competition because of meet rain outs.

A freshman meet between the two schools will be run concurrently with the varsity affair.
