## Rain Challenged:

# Crazy Trackfest For Menlo School

ATHERTON — Pole vaulters slipped off poles, hurdlers fell en masse and the winning high jumper went 5-3 Friday as Menlo School track coach Bob Jones finally cracked under the rain strain and held his triangular meet with York and Mitty of San Jose in the rain.

The Acorns won, 57½ to Mitty's 43½ and York's 42.

"We had to hold a meet sometime," Jones said, "so we decided to go ahead no matter what."

Acorn Arthur Nathan was the

only vaulter able to qualify and won with a vault of 11-3.

The sky-high time (18.6) in the 120 high hurdles is simply explained — everybody fell down.

Best effort, according to Jones, was Chris Gould's 52.6 quarter mile.

Other high school outdoorsmen were not so hardy Friday — all four SPAL baseball games and both Western Division C.A.L. games were washed out, along with a make-up track meet between Ravenswood and M-A and a make-up tennis match between Cubberley and Sequoia.

The C.A.L. has been driven to the "meet and take action" stage — athletic directors will put their heads together on rescheduling and or shortening schedules Monday night.
