To 'Tangs

For a track team that has held all its competition on foreign ovals this season, Hillsdale High School deserved better from the fates than they received yesterday in a Mid Peninsula League dual meet with Capuchino.

Performing before their own fans for the first time this year, the Knights found it no advantage in a 66-53 loss to the San Bruno Mustangs. To make matters worse, Hillsdale was also resoundingly beaten in both lightweight meets.

Capuchino's success was primarily produced by Jim Kauffman, one of the best all-around athletes in the school's history, whose talents have already led Cap to titles in football and basketball.

Kauffman was a triple winner yesterday, taking both jumps and established his best mark of the day with a 51.5 clocking in the quarter.

The best performance of the meet, however, was a 1:57.6 half mile by Gary Paoli of the Mustangs, who ran nearly the entire distance without any competitive pressure. Mike Miller and Jim Betts were respective double winners for the Mustangs and Knights.

The victory gave a 3-1 dual meet record in MPL competition while Hillsdale now has a 1-3 mark.
