

No Points Kept In SPAL Track

PALO ALTO — If you want to know who the team winners will be in the SPAL Track Championships Saturday at Gunn High School here, you are advised to bring along your own pencil, pad and pocket calculator.

Meet Director Clay Henry, coach at Gunn, announced following Tuesday's trials that no official team scores would be kept.

"As far as I am concerned, this is a qualifying meet for the Regionals, there are no team championships," Henry declared.

While the official SPAL championships are determined in dual meets, according to the league's constitution, team scores have been kept in the previous nine Championship Meets and winning the SPAL Finals has been considered nearly as large a prize as the dual meet crown.

The first six placers in all varsity and B events Saturday will qualify for the Regional Meet May 21 at Gunn. There is no competition past the league meet for C's so they will be running for medals only.

With many of the league's top athletes seeded directly into the finals, outstanding marks were sparse in the trials. Most notable was a 168-11 $\frac{3}{4}$ discus throw by Hank Norberg of Gunn. Improving more than 10 feet over his previous best, Norberg fell 3 $\frac{3}{4}$ inches short of the meet record set two years ago by Carlmont's Tom Grimm.

Ben Welch of Woodside, who logged the all-time best SPAL discus throw of 174-6 in the Sequoia District Championships last Friday night, was second at 166-2 $\frac{1}{2}$.

All marks in the discus, shot put and long jump made in the trials will stand up in the Finals unless improved upon Saturday.

Henry also announced the starting time Saturday has been moved up to 11:30 a.m. for track events. Field events will begin at 11 o'clock.

Between now and Saturday, it's likely that team scoring will be restored to the SPAL Track Championships. Meet director Clay Henry of Gunn may have overstepped his authority in eliminating team scoring and other coaches probably will overrule him.

If there were no team scores, athletes at schools which award a block-letter for scoring a point in the league meet would be in a tough spot.

Dual Meet Champion Palo Alto Favored Tonight at Terremere

By KEVIN DOYLE, Tribune Sports Writer

Palo Alto's strong overall balance is enough to make experts believe that tonight's SPAL track and field championships at Sequoia High School's Terremere Field will be captured by the undefeated dual meet champion Vikings.

MIKE DAILEY
... 2-mile chase

The opening event on the 40-event card will be the class B pole vault, beginning at 6:30. At 7 o'clock the lightweight two-miles are scheduled and at 8 o'clock the regular rotation of varsity events, beginning with the 120 high hurdles will commence.

Jon Enscoe (mile), Steve Rogaway, Bob Bush and Greg Marshall (sprints), Tom Huntsberger (discus) and Winston Landes (2-mile) are a few reasons why the Vikes are rated ahead of defending champion Gunn, Cubberley, Sequoia and Sequoia District championship winner Carlmont.

Carlmont's chances of upsetting the Palo Altans is very slim as coach Loren Lansberry has moved several of his top-notch runners, including 880-man Pat Carey (1:59.2), down to the class B division.

Gunn's Robert Piatt, of late the league's best middle-distance man, and pole vaulter Ken Weed (14-3) could score enough points to move the Titans closer to the favorites.

Sequoia is considered the strongest team of the Sequoia District in the varsity level. A few come-through performances along with a couple of upsets could move the Cherokees to the top of the team listings.

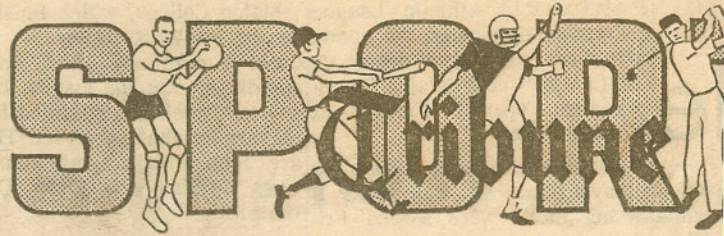

One of the Cherkos considered to gather valuable points will be Charlie Johnson. Johnson, who was seeded into the long jump and high jump finals because of an abscessed tooth, is the favorite in the long jump and a strong contender in the high jump.

The best running event of the evening could be the varsity two-mile. An outstanding field, led by Gunn's Rich Hunter (9:42.2) and Chris Carey of Carlmont (9:35.5) will be chasing after the meet record of 9:37.6 set last year by Hunter. Hunter, who is recovering from a foot wound, will get pressure from Carey, Mike Dailey of Sequoia, Tom Huntsberger of Palo Alto and Rich Terriberry of Sequoia.

The trio of Landes-Ben Welch Jim Penrose will renew their battle for the discus championship. The three who compose one of the top fields around, have met several times this season with Landes coming out on top.

All three of the beefy tossers have gone over the 174 foot mark in their careers thus threatening the meet record of 169-3½ set by Tom Grimm of Carlmont in 1964.

Palo Alto favored in track finals tonight

Palo Alto High School will be counting on depth and overall strength tonight when the Vikings go after the South Peninsula Athletic League track championships at Sequoia's Terremere Field.

The 40-event meet will get underway at 6:30 p.m. with the B pole vault and the lightweight two miles slated for 7 p.m. and the regular rotation of varsity events commencing at 8 p.m. with the 120 high hurdles.

Palo Alto's chances for a team title were further enhanced when Carlmont coach Loren Lansberry moved several of his top-notch runners down to the B division including 1:59.2 half miler Pat Carey. Carlmont won the Sequoia District meet.

Sequoia will now possibly be the top District entry.

The Cherokees can count on points from Charlie Johnson in the long jump and the high jump. Johnson, seeded in the

finals because he missed the trials due to an abscessed tooth, should win the long jump although Ron Sledge, last year's champ, will push the Tribe star.

The high jump is a toss-up with Johnson, Ravenswood's Oscar Jones and Palo Alto's Mark Daley all six-footers.

Gunn's Bob Piatt, who finished strongest among the league's 880 runners and Ken Weed, whose 14-3 pole vault was a Northern California best, will gather some points for the Titans, the defending meet champ.

Palo Alto should get some key points from sprinters Bob Bush, Steve Rogaway and Greg Marshall, miler Jon Enscoe, two-miler Tom Huntsberger and discus flipper Winton Landes.

One of the top races of the night could come in the varsity two mile where defending champ Rich Hunter (9:42.2 this season) and Carlmont Chris Carey (9:35.5) will be in quest of Hunter's 1966 meet record of 9:37.6.

Palo Alto's Landes, Woodside's Ben Welch and Carlmont's Jim Penrose will hook up in one of the best-ever discus battles. All have thrown over 174 feet and will be after the meet record of 169-3½ set by Carlmont's Tom Grimm in 1964.

Penrose tied the meet mark in Friday's trials with Welch second at 159.7.
