High school track championship meets in the South Peninsula Athletic League, Catholic Athletic League and Bay Counties Athletic League are all scheduled for Saturday.

The BCAL will hold its annual running at 1 o'clock at Menlo School in Atherton and the Western and Eastern Divisions of the Catholic Athletic League will vie for the over-all title at 12:30 p.m. at the St. Francis High School oval.

The SPAL meet will be run at Terremere Field on the Sequoia High campus beginning with the Class B pole vault at 7 o'clock. Regular varsity events are scheduled for 8 o'clock according to meet director Plato Yanicks.

The distance races will be the feature events at Mt. View in the C.A.L.'s. In the mile, St. Francis' Kent Rezowalli (4:32.2) will challenge Riordan's Jim Tracy (4:31.6). St. Mary's Tim Swenson (9:20.0) and the Lancers' Bernie Lahde (9:28.6) will lead a strong two-mile field.

Several SPAL meet records will be challenged by the nine participating schools. Of the 14 varsity events, nine could have new meet records before the night is over.

In the night's top distance race, Chris Carey of Carlmont, Rich Hunter of Gunn, Tom Huntsberger of Palo Alto and Mike Dailey of Sequoia will battle for the league meet record of 9:37.6 in the two-mile.

Jon Enscoe of Palo Alto, who has impressive marks from the 880 to the two-mile this season, will run the mile with top opposition expected from Carlmont's Bruce Eaton.

In the hurdles, Bob Evers of Cubberley has a good shot at snapping the league records in the 120 high's and 180 low's.

Gunn's Robert Piatt is the favorite in the 880 (1:55.6) and the 440 (49.9). Cubberley (1:30.6) is given the best chance at the league record of 1:28.9 in the 880 relay.

The field has three events that might put new names in the record book. Wilson Landes of Palo Alto, Jim Penrose of Carlmont and Ben Welch of Woodside have all thrown over 174 feet in their careers. In the long jump, four athletes led by Sequoia's Charlie Johnson, have gone over 22 feet this year, while in the pole vault, Gunn's Ken Weed (13-6) and Carlmont's Joe White (13-4½) will battle for a gold medal.
