SOUTHERN CALIFORNIA HIGH SCHOOL

TRACK & FIELD RECORD

1 9 6 7 SEASON

THIRTY-FIRST ANNUAL EDITION

RESPECTIVELY DEDICATED TO EDMUND CARY WEST

This Thirty-First Anniversary edition of the HELMS ATHLETIC FOUNDATION'S SOUTHERN CALIFORNIA HIGH SCHOOL TRACK & FIELD RECORD is respectfully dedicated to EDMUND CARY WEST -- better known in Southland sports circles as EDDIE WEST.

Born at Santa Ana, California, Eddie has spent most of his lifetime in that community, serving it in distinguished manner. He attended Santa Ana High School, participating in football and tennis.

A graduate of Stanford University, Eddie has been identified with the Santa Ana Register since 1923. His affiliation with that publication has ranged from Sports Editor to City Editor, and Assistant Managing Editor.

Eddie's always interesting and informative column, WEST WINDS, is not only widely read in Santa Ana, but throughout Orange County & beyond.

An industrious sports editor and journalist, Eddie West has, down through the years, dug deeply for features -- many of which have been picked up by fellow sports journalists and press agencies. West has been quoted, as result of his fresh and lively features, on countless occasions.

The Sports Editor of a major Southern California newspaper not long ago remarked: "Eddie West is one of the finest sports journalists in the nation."

Although Eddie West devotes much of his writings to the big leaguers, he is very mindful of the high school athletes and teams.

Eddie became a member of the Helms Athletic Foundation's All-Southern California Board of Athletics in 1945. In this capacity, for 23 years, he has been dedicated to two causes -- the high school athletes of Southern California and to the Board. No Board member has ever contributed more to the high school awards project than has Eddie West.

Southern California high school athletics doesn't have a better friend than the Sports Editor of the Santa Ana Register.

Thirty-one years ago (1936) Helms Athletic Foundation published its first Southern California Track and Field Record Book. The Foundation has issued this comprehensive record each year since, in the interest of high school athletics. Some 500 of these record books are distributed each season to high school coaches and members of press, radio and television without charge.

Material for this booklet is gathered from sources believed to be reliable. In some cases, performers are credited with non-winning times that may not be entirely authentic...although the athlete is always given the benefit of the doubt. Coaches, track officials and southland newspapers have provided the majority of marks listed.

Special thanks is extended to Rick Smith (San Diego Tribune) and Don Clarkson, Commissioner of the San Diego Section, for supplying information on the San Diego area athletes. The Helms Foundation also thanks Jerry Weiner (Los Angeles City High Schools) and Don Andersen (CIF Southern Section) for their help in the compilation of best marks.

This 31st annual track and field record contains marks established by former southland track and field greats, former team champions, and present city, state and national interscholastic records. There are also sections on top meets of the year, results of Southern California's top meets, best all-time marks by southland prep athletes and many other interesting features.

Helms Athletic Foundation, with offices at Helms Hall, Los Angeles, is sponsored by Paul H. Helms, Jr. The Foundation was established in 1936, with one of its main functions that of recording achievements of athletes in all sports and in all divisions.

Southern California High School Track and Field Record Books dating back to 1937 are on file in the Helms Athletic Foundation library. Also in the museum is the High School Track & Field Hall of Fame, with photos of athletes named for athlete of the year honors dating back to 1937.

All athletes named for top honors in track and field have their names engraved upon the Paul H. Helms perpetual trophy, which is permanently lodged in Helms Hall, Los Angeles. All athletes of the year receive special medallion awards from the Helms Hall Board.

Helms Hall is open daily except Sunday, nine to five and until noon on Saturday. The Helms Hall library is available for research projects throughout the year and contains a wide variety of publications and books on track and field.

JERRY PROCTOR (MUIR) & MIKE JETER (GARDENA) WIN TOP CIF & LA CITY TRACK AWARDS FOR 1967

Add the names of Jerry Proctor, Muir High School of Pasadena, and Gardena High's Mike Jeter to a long list of great Southern California prep athletes of the year. This is exactly what the Helms Foundation's All-Southern California Board of Track and Field did when it selected this hurdling pair as Southern Section CIF and Los Angeles City Track and Field Athletes of the Year respectively.

Muir's Jerry Proctor was a triple event winner in both the Southern Section and California State Meets, taking both hurdle events and the long jump. He set State Meet records of 13.7 and 18.7 (curve) in the hurdle races and established a new long jump mark of 25-4½. His long jump effort wiped out a 14-year mark of 25-4¼, set by Monte Upshaw in 1954. Only three other athletes in the history of the California State Championships had won three events -- Harry Lampport (Manual Arts 1916), Frank Wykoff (Glendale 1927) and Hugh McElhenny (Washington 1947) -- before Proctor turned in his sparkling triple performance. Proctor was coached by Walter Opp.

Mike Jeter, Gardena's track and football star, although not as sensational a record buster as Mr. Proctor, was no less devastating in city ranks. Mike won the Los Angeles City title in the high and low hurdles, the latter event in record breaking time around a turn of 18.8. This mark was broken by Proctor's 18.7 in the State Meet as Mike again ran an 18.8. Jeter was fifth in the State Meet highs. Jeter was coached by Bob Daligney.
