Dear Mr Nelson,

Finally we can make our arrangements  
with you for the Olympic Tours.  
I might add that I am very  
excited about it! Only wish it  
wasn't so far (in months) away!

I hope it will be possible for  
all our group of ten to stay  
together. It would be more fun  
for us if it is at all possible.

James was glad we decided  
to go with your tours. He

felt like you could be more  
sure of getting us there.

Sincerely,  
Mrs. Gerald Ryan

Dear Mrs. Ryun,

Welcome to the Track & Field News Olympic Tours. It will be good to have you and your family with us.

The tours are shaping up very well and we look forward to an exciting time with a fine group. Tour information is enclosed, there will be another tour bulletin this week, and we will keep you informed of all developments.

Our big Celebrity Party is planned for Oct. 20, on conclusion of the track program, and all of us hope Jim will feel like joining his family and the rest of us for a celebration.

We have your deposit of \$1000 for the Ryun party of five and another \$1000 for the Leisy party of five. We are acknowledging directly to Leisy and will send them all tour information, now and in the future. There will be no problem in keeping you together providing you all request the same tour and the same type of housing when it comes time to make the choice.

With best wishes for the Ryun family,

Bert Nelson

Again it is time to send in our deposit for our Olympic Tour. This time we have a problem we need help with. Our older son, Jerry and his wife Virginia, plan on going on the tour with us. Jerry is in the Army Reserves, and as you know from the news, is subject for call up at a moments notice. If he gets a call will he be able to get a refund? I am almost sure we could sell his reservations to someone in Wichita.

I would appreciate it very much if you would send some brochures to the other families that are going with us. You sent us some, but we have given them away except for our copies.

Today we received our Track and Field News. I can't tell you how thrilled I am that James was chosen for the second time for Athlete of the year. I think the picture and write up are both great! I had not seen the picture before.

Sincerely,

*Mrs. Gerald Ryun*

One of your group brought up the subject of family rates as a means of reducing the air fares. On checking without tour travel agent we find there are possible savings that were overlooked because we had considered only families of two travelling via Dallas. This is what we found:

Through fare, Wichita to Mexico City, via Dallas  
\$158 per person  
(This is the rate all of you have been charged.)

Wichita to Mexico City, via Dallas, using family plan for the Wichita-Dallas portion. (Family plan does not apply out of the country, i.e., Dallas-Mexico City.)

\$158 one person  
\$320 two persons  
\$456 three persons  
\$592 four persons

Wichita to Mexico City, via Houston, using family plan for the Wichita-Houston portion.

\$158 one person  
\$303 two persons  
\$416 three persons  
\$529 four persons

The price for one person is the same whether via Dallas or Houston. But on the family plan Houston becomes cheaper because more of the fare is a domestic fare and thus subject to the family plan discount.

So, please let us know ~~ex~~ whether you wish to travel via Houston or Dallas. There is a decent connection either way. Houston is slightly cheaper for a couple and the savings are larger for the families of three and four.

Dear Mr. Nelson,

Of course we are all looking for ways to save money on our Olympic Tour, and are happy to find that we can by changing our flight plans to Houston. All of the people that leave from Wichita wish to change to the Houston flight. I have not talked to Clarkson or Timmons so I can't speak for them.

Sincerely,  
*Mrs. Gerald Ryun*

Dear Mr. Nelson,

We are Getting a bit anxious since we are the only one in our group that hasn't heard from you about the change in our flight plans. We do want it changed to go through Huston. Also we havent received the additional billing on our tour. The others have told us that the dead line is the 15th., and that is getting close! We sure don't want to miss out!

Sincerely,

*Mrs. Gerald Ryan*

Dear Mr. Nelson,

We did receive our billing for the additional amount on the tour, but we have not received our refund of \$58. Perhaps it was lost in the mail. I am also sending the \$2.00 extra per person for the tickets.

We have all, (Wichita group and the Sniders in Bay Village, Ohio) requested morning tickets for the 18th. That is the first of the 1500 meters. We are hoping that James will be running in that event. As you can imagine, that is our main reason for going-so we hope we can get tickets for that morning. Perhaps this has been an oversight.

Sincerely,

*ms. Gerald Ryan*
