

THE THIRD ANNUAL ALL NORTHERN CALIFORNIA  
TRACK & FIELD TEAM - JUNE 7, 1968

The Northern California Track & Field Association presents its third annual All Northern California Track and Field Honor Team.

The main criteria in selecting the members of the team was how well they fared in competition against each other. Their performance in the state meet was especially important. If a boy had a good mark, but failed to place in the State meet he was given secondary consideration.

There will not be an awards night as there has been in the past, due to lack of funds.
