State Berths At Stake In CCS Track

By KEVIN DOYLE
Tribune Sports Writer

GONZALES — Barring major upsets and dropped batons, the SPAL and SCVAL should dominate the Central Coast Section Track and Field Championships at Gonzales High here Saturday.

Athletes from King City to South San Francisco will tackle the final State Meet qualifying

CCS Directions

Gonzales High School, the site of Saturday's CCS Track and Field Championships, may be reached by traveling south on Highway 101 to the 7th St. exit inside the Gonzales city limits. Turn right on 7th (which then becomes Cilo Vista) and turn left on Del Monte at the fork and follow to the school.

Hurdle beginning with trials at 3:30 p.m. The finals are scheduled to get underway at 7:30 p.m. with the top three placers in each event advancing to next weekend's State Meet at the University of California.

Homestead of the SCVAL and Carlmont of the SPAL are given the best shot to take home the CCS team championships. The title probably will be decided on come-through-performances

since both schools' strengths lie in some of the same events.

For example, in the weights Carlmont has the No. 2 discus tosser in the United States so far this year in Jim Penrose (181-11), while Homestead counteracts with its best thrower in Ralph Show (180-8). Both will also battle in the shot put.

In the two-mile, the Scots have Chris Carey (9:22.9) and the Mustangs have Mike Ferguson who brings a qualifying time of 9:23.2 into the meet. Carey won the event last year and went on to finish ninth in the State.

But don't look for the majority of the action to come just from Carlmont and Homestead.

Menlo-Atherton's 440-yard relay team (43.9), which qualified first last week without the services of Ernie Reese, will be at full strength and ready to give Homestead (42.9) a run for its money.

The sprints have excellent fields led by Los Altos' Brad Lyman, San Mateo's Alonzo Emery and Menlo-Atherton's Bill Hatcher. Lyman qualified in the century with a 9.6 and in the furlong with a time of 22.4.

Sequoia's mile relay team of Don and Greg Willis, Gene Currey and Darryl White has the fastest qualifying time (3:20.8) going into the meet and should spend the following weekend in Berkeley.

White will be running for his life in the open 440 as six competitors entered have broken 50.0, but White leads with a 49.5 Regional mark.

Carlmont's Eric Reich, who cleared 13-6½ at CSM last Saturday, could land a State Meet berth if he can stay consistent at that height as the only athlete qualifying higher was Rich Roseland of Pioneer (13-9).

Three Scots Win In CCS Track

By KEVIN DOYLE, Tribune Sports Writer

GONZALES — High school track careers ended for many athletes Saturday evening under the lights at the beautiful Gonzales High Stadium, but for those who qualified for this weekend's State Meet at Berkeley—good luck.

Homestead High School of the SCVAL captured three first places and two second spots to win the Central Coast Section Track and Field Championships here ahead of league member Los Altos and third-place Carlmont.

The top three athletes in each varsity event qualified for the prep spike extravaganza at Berkeley Friday and Saturday, but for most of the CCS cindermen it will be a long day.

Southern California, San Diego and the Fresno area will dominate the meet, but a few local names like Chris Carey, Ralph Show and Jim Penrose might finish the weekend with something to remember.

Los Altos' Brad Lyman, who was one of the best football players in Northern California, proved his versatility with a double in the sprints. The muscular senior won the 100 in 9.9 and the 220 in 21.7, just edging Menlo-Atherton's Bill Hatcher in the latter.

Penrose won the discus with a heave of 180-11 but was upset in the shot put by Homestead's Show who tossed the steel ball 56-11 $\frac{1}{4}$ to beat Penrose by a quarter-inch.

Carey established himself as one of the CCS' best distance runners as the junior toured the eight-lap event in 9:13.0 for a meet record. This was Carey's best spring clocking, although he has done better during the cross country season.

The biggest upset of the meet was in the 120 high hurdles where Carlmont's Jim Miller surprised many with a 14.5 clocking to take home the gold medal. The field was as strong as any with Woodside's Frazier Leslie, Homestead's Tom Phillips and South San Francisco's Ashland Whitfield.

Los Altos sophomore Rick Brown, running in his first CCS varsity meet, won the half-mile in 1:54.2 to establish a new meet record. He edged Palo Alto's Bill Respini (1:55.1) for the medal.

 mr—meet record.

Menlo-Atherton's 440-yard relay team captured a first place with a time of 42.8. Since the event was new, the time will go into the books as a meet record.

Sunnyvale's Chuck Steffes and Homestead's Phil Quinet continued their battle in the jumping pits as Steffes won the triple jump at 46-9 $\frac{3}{4}$ and Quinet the long at 24-0 $\frac{1}{2}$.

St. Ignatius of the WCAL won a pair of first places, winning the high jump and the mile. Tireless Klaus Hofmann won the mile in 4:14.5 to post a scare for state meet runners while high jumper Clyde Sadler cleared the bar at 6-6 for a gold medal.

In the 440, Cupertino's Frank Hughes started slow but finished hard to nip Sequoia's Darryl White at the tape in 49.5. White later anchored the Tribe's mile relay team, which finished a disappointing third behind Los Altos and Branham with a 3:26.4 time.

The Tribe had the fastest time (3:20.8) in the CCS going into the meet, but Los Altos opened too big of a lead for White to anchor the Cherokees to victory.

The final event of the evening had the attention of everyone as Kin City's Sam Albanese missed three chances at 14-6 after winning the pole vault with a best-of-life 14-1 $\frac{1}{2}$. Carlmont's Eric Reich settled for fifth place after clearing 13-0.

But for many the glory has ended.

Southern California has strength in the high jump, sprints and middle distances while the Fresno Area has top-notch long jumpers and high jumpers that cannot be matched by the CCS.

If the CCS is to count on its representatives to bring home some medals it will probably be in the weights, with Penrose and Show, or in the distances with C. Carey and Hofmann.

Only one SPAL athlete, San Carlos High's Blair Morris, picked up a first place in the B division. Morris won the 70-yard high hurdles in 9.3 and was third in the 180 lows in 20.8. Sequoia's Ron Bosch was second in the high jump at 5-10.

RUSHING THE TAPE - Menlo-Atherton's Bill Hatcher is shown nosing out John Cruz (no. 2) of Mountain View in the 100-yard dash at the Central Coast Section track and field finals at Gunn High Saturday. Cruz retaliated by winning the 220-yard dash, in which Hatcher placed second.

Youths Train For Track Meet

Training sessions for children planning to enter the sixth annual track and field meet sponsored by the Menlo-Atherton Junior Chamber of Commerce at Menlo-Atherton High School Saturday will be con-

tinued this week at all playgrounds and school grounds operated by the Menlo Park Recreation Department.

Workouts have been pointed toward training boys in the fifth through the eighth grades
