

# Homestead, Lyman sparkle in meet

Homestead High School captured the team title and Brad Lyman of Los Altos ran off with individual honors to highlight the seventh annual Hill Invitational track and field meet and Foothill College Saturday.

Los Altos held an early lead in the race for the team title, mainly due to running strength. But Homestead pulled ahead to stay on the final event, the long jump, where the Mustangs took first and third.

The Mustangs moved from a 79-74 deficit to a 90-81 lead to

take the title. Phil Quinet of Homestead took first in the long jump with a 22-6 leap. Sunnyvale's Charles Steffes was second and Homestead's Tom Phillips third.

Lyman dominated the sprints with a meet record 9.9 in the 100 and a meet record - tying 21.7 in the 220. He was voted the meet's top performer.

Lyman also did all he could to get the Knights some more first place points in the mile relay when he brought the Los Altos team from 25 yards back

into the lead after the third leg. But the fourth Los Altos man couldn't maintain the pace and Washington took the race in the record time of 3:22.8.

Rick Brown of Los Altos turned in a top 880 time of 1:56.2, battling off Lynbrook's Manny Mahon and Palo Alto's Bill Respini for first place.

Carlmont's Jim Penrose joined Lyman as a double winner with a best-in-the-state 180-3 discus toss and a 55-3½ shot put effort.

Other top marks came in the

two mile where Carlmont's Chris Carey and Bernie Lahde of St. Francis ran even for seven laps before Carey pulled away on the gun lap to take the race in a meet record time of 9:15.7.

Steffes won the triple jump with a 56-9 effort. Phillips came up with a fine 19.3 effort in the 180 low hurdles.

Homestead checked in with key points in the discus with Ralph Show third and Steve Beilenberg fourth.
