

Penrose Leads Scot Spikers To CCS Victory

By KEVIN DOYLE

SAN MATEO—The SPAL set 10 meet records and won 11 of 16 events to take charge at the Central Coast Section Region I Track and Field Championships at College of San Mateo Saturday.

Carlmont won the unofficial team title with 35 points, while Sequoia finished second with 31 and Menlo-Atherton captured fourth place, one point away from third with 20.

The top five qualifiers in each event will be entered in the final State Meet qualifying test Saturday at Gonzales High in the Southern-most section of the CCS.

Carlmont got a lift in the second race of the day when high hurdler Jim Miller won the highs with a surprising 14.5 upset victory over a strong field.

His teammates followed in suit as Jim Penrose established himself as the No. 2 discus thrower among high school throwers in the United States this year with a heave of 181-11 and followed with another meet record in the shot put with a toss of 56-1.

Pole vaulter Eric Reich added another first place ribbon to the Carlmont bundle as he found a new pole to his liking and rocketed to a meet record in that event with a jump of 13-6½.

Chris Carey added the final first and meet record to the Scots' total by topping an outstanding two-mile field. The lanky junior kept pace with three other runners for seven laps, but broke the race open with a sprint in the last 220 to win with a 9:22.9 clocking.

All the SPAL success didn't belong to the Scots, as Menlo-Atherton's Bill Hatcher won the 100 (9.9) and the 220 (21.9) and anchored the Bears to victory in the 440 relay in meet record time of 43.3.

Sequoia's Darryl White ran his usual superb anchor on the winning mile relay team and won the open 440 with a good time of 49.5. Don Willis, Greg Willis and Gene Currey teamed up with White to win the relay in one of the fastest times in Northern California (3:20.8).

The only other SPAL first came in the 880 where Paly's Bill Respini outclassed the field with a 1:56.8 time to post another meet record.

Another fine performance came in the 180 low hurdles where South San Francisco's Ashland Whitfield got off a tremendous start to chop a second off the meet record with a time of 19.0. Keith Peters of Gunn and Frazier Leslie of Woodside finished in order with 19.4 clockings.

SPAL stars dominate Region I track meet

SAN MATEO — The South Peninsula Athletic League set 10 meet records and won 11 of 16 first places to impress Peninsula track fans at the Central Coast Section Region I Track and Field Championships at College of San Mateo Saturday.

Carlmont High School won the unofficial team title with 35 points while Sequoia finished second with 31 and Menlo-Ath-

erton captured fourth place—one point away from third—with 20 points.

The top six qualifiers in each event will be entered in the final state meet qualifying test this Saturday at Gonzales High School in the Southern most section of the CCS.

GETS LIFT

Carlmont got a lift in the second race of the day when high hurdler Jim Miller won the high's with a 14.5 upset victory over a strong field.

His teammates followed in suit as Jim Penrose established himself as the No. 2 discus thrower among high school throwers with a heave of 181-11 and followed with another meet record in the shot-put with a toss of 56-1.

HATCHER WINS

But all the SPAL's success would not be given to the Scots as Menlo-Atherton's Bill Hatcher won the 100 (9.9) and the 220 (21.9). The M-A Bears added the 40 relay crown to their points with a meet record time of 43.3.

Another SPAL first came in the 880 where Palo Alto's Bill Respini outclassed the field with a 1:56.8 time to post another meet record.

The Next-to

37 N. County Track Entrants in Section

By STEVEN SINGER

The long rocky road of the 1968 prep track season will end for all but the top three in each event in the Central Coast section this Saturday with the staging of the CCS finals at Gonzales.

Those who do place in the top three will qualify for the climax of the season — the State meet at the University of California on June 1.

North County athletes will have 37 entrants vying for qualifying positions to the State meet as a result of last Saturday's Region I finals at the College of San Mateo.

Leading the pack for the Mid

and North Peninsula league are such tracksters as Ashland Whitfield from South San Francisco High School (low hurdles), Ducan Johnson of Burlingame (shot put), Steve Sofos of Burlingame and Arvid Kretz of Mills (two-mile), and Jim Lydon of San Mateo (pole vault).

In addition, the North County qualified four entrants in the mile — Ric Cano, El Camino; Eugena Amaya, Burlingame; Dave Madigan, San Mateo, and Steve Denney, Mills.

Perhaps one of the MPL's best bets advance to the State meet is the hopefully healthy Alonzo Emery of San Mateo.

The fleet bearcat missed the regional meet because of an injury. However, he will compete today in a jump-off against fifth-placer Saso of Bellarmine on the neutral track of Gunn in Palo Alto.

Whether Emery will race fifth-placer Mike Barr in a 100 and 200 runoff has not yet been determined, according to San Mateo coach Bob Rush.

At Gonzales, B division athletes will compete for medals, but do not go on to the state meet, reserved for varsity competition.

In Saturday's Region I meet, the B division record book was practically re-written, with Burlingame B's accounting for five of 12 new meet records.

The Panthers' Tom Whitehead cracked his own 880 mark of 2:00.4, by covering the two lapper in 1:59.2, while miler Burlingame's Dave Montoyes won the mile in a record setting 4:30.1.

To complete a distance record sweep, the Panthers' Joe Whytock strode to a 9:44.5 record win in the two mile.

In addition, Burlingame's Carl Dancoff and Randy Scott accounted for wins and records.

Dancoff breezed through the 100 in 10.2, while Scott clocked a 23.1 in the 220.

REGION I MEET (B Division)

BURLINGAME'S STEVE SOFOS EVENTUALLY WON TWO MILE
He edged Mills' Kretz (right) and Jurgens for MPL record

One of the meet's premier events, the 880, was minus Aragon star Fred Klinger, the number two half-miler in the Central Coast Section.

Despite Klinger's absence, the race was fiercely contested between the Dons' Gene McVay and winner Bill Respini of Palo Alto. Respini finished in a meet record 1:56.8 while Aragon junior McVay kicked in at 1:57.7.

Klinger, who also missed the Mid Peninsula League finals because of an ankle injury, decided at the last moment that he would be able to compete only in the Dons' mile relay effort.

San Mateo sprinter Alonzo Emery will meet the fifth place finishers in the 100, 220 and long jump at an undetermined time and place this week in a run-off for the final qualifying spot for Saturday's CCS finals.

Burlingame Takes 'B' Prep Title

By STEVEN SINGER

South San Francisco High School's hot-stepping Ashland Whitfield streaked to an amazing 19.0 victory in the 180 low hurdles as Carlmont and Sequoia of the South Peninsula Athletic League battled for the team title in the Region I Track meet yesterday.

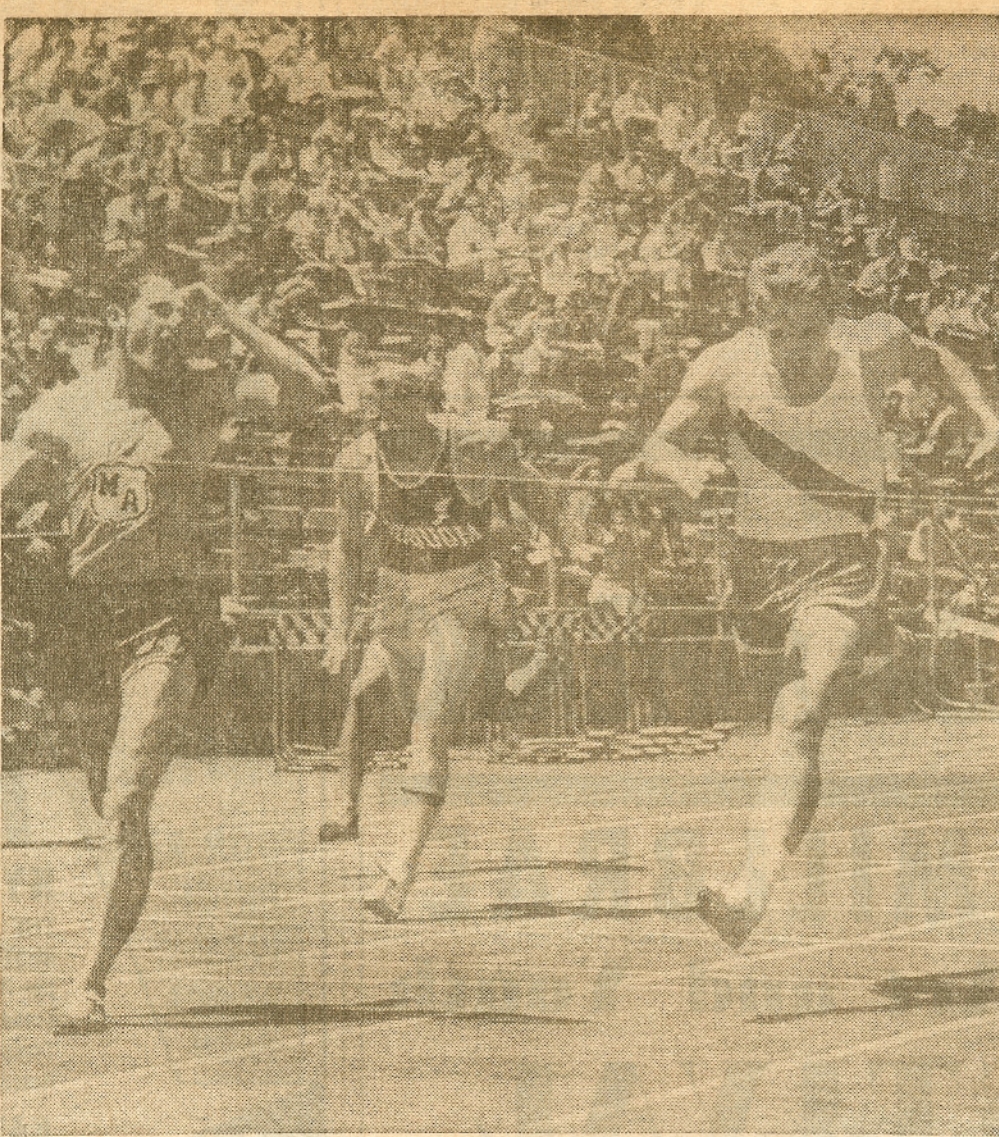

The regional meet, qualifying event for next week's Central Coast Section championship, was staged before 500 spectators on the CSM track.

Burlingame won the B division title with Tom Whitehead, Carl Dancoff, Joe Whytock, Randy Scott and Dave Montoya winning individual events.

In the meet's most exciting varsity race, the two mile, Burlingame's Steve Sofos bowed to Carlmont's Chris Carey in an eight lapper that saw five runners within five yards of each other after seven laps.

Klaus Hoffman of St. Ignatius turned in a 4:20 winning effort in the mile, followed by Rick Cano of El Camino, Eugenia Amaya of Burlingame and Dave Madigan of San Mateo.

The North County's top hurdler, Ashland Whitfield of SSF was dramatically upset in the 120 highs as Carlmont's Jim Miller streaked across in a sizzling 14.5, well in front of Whitfield's third place 14.8.
