

# Homestead paces qualifying

By BRUCE MEADOWS

SAN JOSE — Four leagues and 25 schools showed up for the Central Coast Section Region II Track and Field Championships at James Lick High School Saturday but team-wise, it was a three-way meet.

Homestead, as expected, walked off with the major share of points, piling up 112 to out-distance Santa Clara Valley Athletic League running mates Los Altos with 68 and Fremont with 51.

The winning Mustangs qualified both relay teams and 15

athletes to top everyone. Los Altos and Fremont both qualified eight athletes plus a relay team.

The top seven qualifiers in each event will journey to Gonzales High School Saturday for the Central Coast Section Championships.

From Gonzales, it's on to the State Championships at Edwards Stadium in Berkeley on May 31 and June 1.

Top individual efforts Saturday came from Los Altos' Rick Brown, Homestead's Tom Phillips, Lynbrook's Manny Mahon,

Santa Clara's Harry Freeman, Saratoga's Chip Hough, Homestead's Jim Ferguson and Homestead's Phil Quinet.

Brown, a wonderfully mature sophomore, set a meet record on 1:54.3 in winning the 880. Also cracking the old mark was Ron Jones from Branham with a 1:54.9.

Phillips, after running a wind-hampered 14.7 in the 120 high hurdles (third place behind Hough's record 14.5), blazed to a meet record time of 18.8 in the 190 lows to establish him as a solid choice to give the South-

ern Cal boys trouble in the State test.

Mahon knocked eight seconds off the old mile record by touring the four laps in 4:16.9.

In the triple jump, Freeman went 48-4 on his second jump and sat back while the other jumpers each leaped seven times trying to match him. Quinet, who won the SCVAL meet with a 48-8 $\frac{3}{4}$  mark, settled for second with a 46-11 $\frac{1}{2}$  effort.

The triple jump is counted in the Section meets but is not yet a state meet event.

Quinet won the long jump with a meet record mark of 23 - 2, two feet short of his great 25-2 effort earlier this year.

Ferguson toured the two-mile run in the top time of 9:23.2 to beat the old record by better than five seconds.

Los Altos sprinter Brad Lyman and Homestead's Ralph Show were both double winners. Lyman ran a 9.8 100 to break the 9.9 meet mark he himself set last year. He has done 9.6 this season. Brad doubled in the

220 where he was clocked in 22.4; he has run 21.6.

Show threw the shot-put 55-11 $\frac{1}{4}$  and the discus 169-4 for his double win. Both marks were well below his bests. Both Lyman and Show are undoubtedly saving the best for last.

Los Altos easily won the mile relay in a good time of 3:22.9. Lyman ran a fine third leg in which no one gained ground on him and Brown ran away from the field on lap No. 4. It will probably take a few seconds below 3:20.0 to make a difference in the state meet.
