Carlmont High runs away with district track crown

REDWOOD CITY— Carlmont High School, Frazier Leslie and Jim Penrose were the trophy winners in the 13th annual Sequoia District Track and Field Championships at Terremere Field Friday night.

—The Scots won their 10th straight title by scoring 81 points compared to runnerup Sequoia who finished second with 64.

—Penrose set two meet records to capture the outstanding

field performer award. The big senior, headed for the Air Force Academy, threw the discus 174-11½ Tuesday but field event marks carry over and he broke the old mark of 174-6. In the shot put, Penrose threw a best-of-life 59-10¾ to set another mark and threaten to make a shambles of the league finals next week.

—Woodside's Leslie got sweet revenge when he easily defeated Carlmont's Jim Miller in both the high and low hurdles.

Earlier in the season Miller had beaten the talented senior twice.

The first event on the running calendar was the varisty 440 relay, Sequoia got precision passes and good starts to upset Menlo-Atherton in a fine time of 43.8. The Tribe also ended the meet is style, winning the mile relay with little trouble.

The best race of the night was the open 440 which had one of the closest finishes in recent history. San Carlos' Pete Phil-

lippe surprised everybody as he hit the tape ahead of Sequoia's Darryl White and Woodside's Chan Warden. The trio were all stopped in 50.6.

Ravenswood's Ron Sledge and Menlo-Atherton's sprint ace Bill Hatcher were the only double winner other than the meet's outstanding athletes.

Sledge won the long jump and high jump while Hatcher was victorious in the 220 and the 100.

The final meet record of the

evening was set by Carlmont's junior sensation Chris Carey. Carey went out fast in the first 440 to overwhelm the field and win going away in a record time of 4:23.0.

The Sequoia District Schools and the Palo Alto high schools will join forces Tuesday in the annual league championships trials at Foothill College.

The top men in each event will qualify for Friday's finals on the same track at 8 p.m.

District Track Trials:

Records for Penrose

By KEVIN DOYLE
Tribune Sports Writer

Carlmont's Jim Penrose set a pair of meet records in leading the weight throwing qualifiers in the Sequoia District Track and Field trials at Terremere Field Tuesday afternoon.

Penrose's discus throw of 174-11, although not nearly as good as his state best toss of 180-8½

in El Cerrito Saturday, broke former Woodside star Ben Welch's meet record of 174-6.

The Scot senior set another mark when he shattered Larry Kennedy's eight-year record of 55-7¼ in the shot put with a lifetime best heave of 58-1.

Penrose and Tuesday's other qualifiers will shoot for higher marks in Friday's finals at Terremere Field, beginning at 7:30 p.m. with the C two-mile and field events.

The first running event will take place at 8 o'clock after honorary meet referee Edward E. Kaufman is introduced to the crowd. Kaufman, the vice-principal of Sequoia High, is the man most responsible for the re-

cent improvements at Terremere Field.

The varsity team title will be a three-way struggle between Carlmont, Menlo-Atherton and Sequoia. The Scots led Tuesday's qualifying with 21 places for Friday's finals.

Carlmont, undefeated dual meet champion, will have to fight off Sequoia (18 qualifiers) and Menlo-Atherton (14). The latter suffered a serious blow Thursday when sprinter Ernie Reese was injured in the last dual meet of the season. He pulled a leg muscle and will miss Friday's finals.

The loss of Reese may cost Menlo-Atherton the 440 relay title and places in both sprints.

The relay teams and mile and two-mile participants did not have to qualify in all divisions.

District Spikes Tonight

By KEVIN DOYLE
Tribune Sports Writer

One of the best track meets in Northern California will be staged at Sequoia High when the six Sequoia District high schools vie in the District Championships at Terremere Field, starting at 7:30 tonight.

Carlmont is tabbed as the pre-meet favorite, with Menlo-Atherton and Sequoia counted on to give the undefeated dual meet champion Scots the closest competition.

This year's meet promises to be one of the best in recent years with a top-notch field of athletes in all 15 events.

Sprinters, hurdlers, distance runners and weightmen come into the meet with credentials that could equal or break 10 of the 15 events on the night's program.

Carlmont's Jim Penrose (shot and discus), Pat Carey (880), Holland (pole vault), Eric Reich (pole vault) and Chris Carey (mile) are five good reasons

why Loren Lansberry's Scots are the meet as favorites.

Sequoia's Darryl White (440), Barr Curry (weights), Greg and Don Willis (relays and middle distances) and Tim O'Connor will be the cindermen responsible to garner most of the Tribe's points.

The springs, hurdles and middle distances should be the top races of the night, while the mile and weights have athletes that should produce records.

Bill Hatcher of Menlo-Ather-

ton will be favored in the sprints over Sequoia's Eric Dahl and Tim O'Connor. O'Connor and Hatcher have been under 10 seconds in the 100 on several occasions this year.

Fans should plan on getting seats early, as the second event of the evening is the varsity 120 high hurdles. Woodside's Frazier Leslie (14.5) will try to avenge an earlier season loss to Carlmont's Jim Miller (14.8) while M-A's Jim Cooke will try to be the spoiler.

District Track:

Scots, Leslie, Penrose Prevail

By KEVIN DOYLE
Tribune Sports Writer

Carlmont High Frazier Leslie and Jim Penrose were the trophy winners in the 13th annual Sequoia District Track and Field Championships at Terremere Field Friday evening before a large, numb crowd.

—The Scots, under the supervision of Loren Lansberry and Andy Darby, won their 10th straight title by scoring 81 points compared to runnerup Sequoia which finished with 64.

—Penrose set two meet records to capture the outstanding field performer award. The big senior, headed for the Air Force Academy, threw the discus 174-11½ in Tuesday's qualifying action for one mark, and threw a best-of-life 59-10¾ Friday to set another mark in the shot put.

—Woodside's Leslie got sweet revenge when he easily defeated Carlmont's Jim Miller in both the high and low hurdles. Earlier in the season Miller had

beaten the talented senior twice but Leslie seemed to have that in mind as he tied a meet record in the high's with a 14.6 and waltzed to a 19.6 victory in the low's.

It was one of those meets where upsets were few but shocking, and good races were the order of the day.

In fact, the first event on the running calendar was the varsity 440 relay. Sequoia got precision passes and good starts to upset Menlo-Atherton in a fine

time of 43.8. The Tribe also ended the meet in style, winning the mile relay with little trouble.

The best race of the night was the open 440 which had one of the closest finishes in recent district meet history. San Carlos' Pete Phillippe surprised everybody as he hit the tape ahead of Sequoia's Darryl White and Woodside's Chan Warden.

Phillippe possibly didn't shave before the meet because the difference between all three run-

ners was a whisker. All three were clocked in 50.6.

Ravenswood's Ron Sledge and Menlo-Atherton's spring ace Bill Hatcher were the only double winners other than Leslie and Penrose.

Sledge won the long jump and high jump while Hatcher was victorious in the 220 and the 100. The speedy Bear hit the tape a few feet ahead of Sequoia's Eric Dahl and Tim O'Connor.

The final meet record of the

evening was equalled by Carlmont's junior sensation Chris Carey. The cagy cinderman went out fast in the first 440 to overwhelm the field and win going away in a 4:23.0.

The Sequoia District schools and the Palo Alto high schools will join forces Tuesday in the league championship trials at Foothill College.

The top men in each event will qualify for Friday's finals on the same oval at 8 p.m.
