Mile Relay

3:08.3 (2) Austin 4-11
Jones 48.9, Fry 46.8,
Crawford 46.4, Colglazier 46.2

Wildcat Words

ACC frosh Roger Colglazier suffered his first loss of the season in the 440 dash when he finished second to Texas A&M's Curtis Mills in the special Drake Relays quarter. Colglazier ran 46.6 as he went through his first 220 in 21.4. "That's just too fast," said Coach Bill McClure.

Ronnie Crawford, running his first open 440 of the year, had a fine 47.3 for fourth place.

The Wildcat sprint relay team clocked 41.1 in a preliminary race at Drake for a seasonal best. The quartet of Monte Stratton, Bill Overly, Roger Colglazier and Robert Medlock placed sixth in the finals in 41.3.

Sophomore Mark Fry didn't make the trip to Drake due to an injury and his absence was felt on the mile relay. In the prelims McClure ran Clarence Grayer out of the block, with the sophomore running 49.3. Crawford had a 46.7, Hubert Jones 47.2 and Colglazier 47.2 Sprinter Bill Overly switched to the relay in the finals and had a 49.5 leadoff lead. Crawford had a 46.5, Jones 47.3 and Colglazier 46.4.

Drake

Fry had run a 46.8 relay leg at the Texas Relays and was coming on strong before the injury. McClure is hoping he will be ready for the Southland Conference Meet in San Antonio May 9-10.

A showdown for a berth in the SLC baseball tournament is set Saturday in Abilene between ACC and Lamar Tech. Lamar stands 3-2-1 in SLC play after sweeping a twin bill from UTA Saturday. ACC is 3-3, the Wildcats having dropped a pair to Trinity the same day.
