BOSTON (UPI)—World Indoor records fell in the 45-yard high hurdles and 35-pound weight throw Saturday night in the 80th Boston A.A. track meet.

Willie Davenport broke his personal barrier in the hurdles when he hit the tape in 5.3 to crack the oft-tied world indoor mark of 5.4 which he had equaled on several occasions.

The weight mark was chalked up in near privacy during the afternoon field events at Northeastern University. Long Beach weightlifter George Frenn scored with a heave of 73-3/4 inches to break Hal Connolly's nine-year-old record by more than two feet.

A Boston Garden crowd of 11,095 also saw a meet

record set in the two-mile run by Bob Finley of Toronto. He won in 8:37.2, 1.2 seconds better than the BAA mark by Kerry O'Brien of Australia two years earlier.

Sam Bair won the mile feature as expected with a time of 4:04.3 as he ran the last half mile without any competition.

John Pannel of the Striders won the pole vault at 16-6, then missed at three bids for what would have been a Boston record of 17-1.

Villanova's Larry James won a special 440 in 48.6 while Martin McGrady of Akron, Ohio, edged Benedict Cayenne of Maryland State and Trinidad in 1:10.9 in the 600-yard race.
