NOTE: Bad News... Al Coffee pulled up lame in the 440 relay 30 yds from the finish with an eight yard lead, either a bad cramp or a pull (just called LSU and was informed that it was a Cramp and that he will run the open 440 against the Houston Striders this coming Sat. Both Carl and Rusty Hight fell in the 220t with Rusty hitting the Tartan before the tape and Carl afterwards although he pulled up and walked over the line. Rusty will not run next Sat. and Carl will run only the relays.

Jon: could you possibly call me after 7:00 P.M. CST Sunday? I have a new sail boat and want to get into the water Sunday.

Coming up this week, Louisiana High School Championships, LSU-Houston Striders dual (Watson, etc) Gulf States Conf. at Ruston, La. and last but NOT LEAST S.W. A. C. here in BR Sat. I've been seeing three meets in two days so much lately, I don't know what to do on a day without one.
