Record Set In Hammer

CORVALLIS (Special) — A new Oregon State University record for the hammer throw of ~~186~~ feet, 3 inches was established by Steve DeAutremont, as the highlight of the third and final Oregon Fall Open Track Meet hosted Saturday at Oregon State's Bell Field in Corvallis. Nov 2

This is the first year for this type of meet which features no team competition, only individual results. The series of meets is patterned after similar California meets which have been run for several years. These meets at this time of year give those trackmen who work out seriously all year-round a chance for some competition.

Saturday's Meet boasted the largest participation to date with 60 to 70 athletes competing. Track clubs and organizations entering individuals in the meet were the University of Portland, the Oregon Track Club, the Portland Track Club, the Oregon State Track Club, Oregon State University, the Oregon State Rooks, and numerous Oregon high schools.
