Track 1969

For Immediate Release

One of the finest nights ever in JUCO Track.

Mesa Community College's Hawks won their third meet of the season against Glendale's Gauchos. However, the meet score of 87-58 was incidental to the outstanding marks recorded by both squads.

The weather and track conditions were perfect for eleven record-break performances, four of these efforts being the best reported for all U. S. JUCOS this spring.
