

KIRKSVILLE, MO.--It may develop into a battle of sprinters and distance runners when Northeast Missouri State and Lincoln University collide in a Tuesday night track meet at Stokes Stadium.

"Coach Dwight Reed's dashmen will probably dominate the sprints, but we hope to counter with good distance performances," forecasted Kenneth Gardner, the Bulldog mentor.

Gun time for Tuesday's dual is scheduled for 6:30 p.m., the first home and evening outing for Northeast Missouri this year. "A night meet will allow more persons an opportunity to attend," explained Gardner.

Bulldog thinclads thumped Northwest Missouri, 117-28, in their last encounter, capturing 14 of 17 events. Double winners for the purple and white were two freshmen, Don Allbritton (Rock Island, Ill.) in the high jump and pole vault and Larry Gardner (White Plains, N.Y.) in the 100 and 220-yard dash. Gardner was also a member of the first-place 440-yard relay quartet.

Northeast Missouri competed last weekend in the Drake Relays, but managed only one high finish on the rain-soaked track at Des Moines. The mile relay team, composed of Ron Davis (Perry, Ia.), Wayne Denney (Chicago), Nick Francis (St. Louis) and Gardner, was clocked in 3:15.0, good for fourth. Prairie View (Tex.) was first with a time of 3:12.0. Gardner's distance medley group placed seventh in a rugged field of 28 entrants. Denney, Davis, Keith Allen (Eldon, Ia.), and Pat Sullivan (St. Louis) were the baton carriers.

The Bulldogs, originally scheduled to participate in the Northern Illinois Relays this weekend, will not compete at DeKalb.
