PENN RELAYS

by Jim Dunaway

*in the distance medley by Ref William & Mary respect to 6/19 chase.*

Philadelphia, April 25-26, 1969 -- Villanova, which had to work hard to win five relay championships at the 1968 Penn Relays, had an easy time winning five in the 75th renewal of the oldest and biggest (over 6,000 competitors) relay carnival.

Every time a Villanova anchor man took the ~~MMMM~~ baton, he had a lead, and in no case did he go all out. Even Martin Liquori's 4:02.9 anchor in the distance medley and Larry James' 45.1 in the mile relay were accomplished "looking back."

The Wildcats won the mile relay in 3:07.2; the sprint medley in 3:17.0 (~~meet record~~); the 2-mile relay in 7:20.2 (~~meet record~~); the distance medley in 9:38.2; and the four-mile relay in 16:38.0. They probably would have won the 880-yard relay, too, if Erv Hall hadn't been suffering from a hamstring pull ~~suffered several weeks~~ incurred several weeks ago.

Now, guess who was the meet's outstanding athlete. Was it James, with a 45.3 lead-off in the sprint medley to go with his 45.1 anchor, plus a 45.8 anchor ~~in the sprint medley~~ and a 47.2 lead off in Friday's heats? Was it Murphy, with a 2:57.1 distance medley leg, plus anchors of 1:49.5 in the two-mile relay and 1:49.4 in the sprint medley? No.

It was Byron Dyce, who ran the fastest half mile of the afternoon ~~while~~ chasing Murphy home in the two-mile relay. Dyce's 1:46.8 split, added to a 4:06.5 anchor for third place in the distance medley and a 46.4 anchor to win the consolation mile relay for NYU, gained him the ~~majority~~ vote of the committee.

There were a few other fine half miles ~~also~~, too. ~~MMMM~~ One was by Lowell Paul of the ~~MMMM~~ Chicago ~~Track Club~~, who was clocked in 1:47.3 in a vain attempt to catch the leaders in the Club sprint medley relay. Jim Craig of Tennessee led off the distance medley with a 1:49.8 half, then ~~anchored~~ had a 1:48.9 carry in the two-mile relay, and Chris Mason of Villanova hustled through a 1:49.0 relay leg ~~on the two-mile relay~~. *NOTE*

Outside of the Villanova sweep, the main interest was in some remarkably good javelin and ~~discus~~ discus throwing. Bill Skinner of Tennessee ~~set a meet record with a~~ heave of ~~259-6~~ 259-6, and he needed the mark to keep ahead of Army's Bob Wallis, who threw 254-2, and Maryland's Dave Reiss, who had a fair throw of 249-8 and several longer fouls. The discus produced another meet mark when Dick Drescher of Maryland reached 180-11 to beat out John Morton of Florida (177-2) and Ken Dietz of Penn (174-4).

The three championship relays which Villanova passed up were won by three different schools. Maryland won the 440 relay thanks to Roland Merritt's ~~blazing~~ blazing finish, which carried him by Richmond Flowers of Tennessee as both schools were timed in 41.2. Flowers ~~on the~~ the previous day had anchored Tennessee to a 58.7 win in the shuttle hurdles, ~~which was~~ made easier when Maryland anchor hurdler Tyrone Brown fell coming off the ninth hurdle while leading. Maryland was later disqualified anyway.

Johnson C. Smith, with Vince Matthews running something like a 20.3 anchor leg, won the 880 relay handily in 1:24.8. Matthews also had a 45.1 in the mile relay feature.

Flowers ~~showed~~ showed us that he is back in fine hurdling form by winning

*Michael's 4:03 5am-hor and Howell Michael's 1:32.0 and Juris Luzins' 2:56.0*
