Wick:

Checked carefully with coaches and there was no wind for 100, 220 and triple jump for Stanford-UCLA meet on Apr. 12.

There was a wind gauge there but wind reading was not recorded on result card. However, from now on will have wind reading put on card.

In other words, marks (100, 220 + TJ) were legal for Apr. 12 meet. Oh, yes, Benny Rogers' distance was 50-11 3/4, not 50-11 1/4 as <sup>erroneously</sup> printed in papers and on our summary sheet. I personally checked the result card.

Gincerely,  
Frank Newar!
