Notes

1. Innuitational 600 -- Miller had one false start then got away terribly as Carlos got a great start. Both Miller and RA Smith accelerated greatly in the last 30 yards and it was a blanket finish. I was 30 yards from the finish and I thought Miller won
- 2 600 -- ^{→ fastest "c" 600 of 1969(?)} Teague led all the way passing the 440 in 50.2. Evans took the lead with 100 yards left. His last lap (in about 19.6) must be the fastest for a sub-1:40 600. I recall that they are usually in the 495
- 3 1000 -- Sandison led in 60.6 and 1:58.0. Drew had good hair and ran a gutty race
- 4 Mile -- La Benny got a big lead with splits of 61.1, 2:01.8, 3:04.4. After the meet La Benny and Jabaki got OS Simpson's autograph. (worthless information dept.)

4/2/2/2/2

5 2-Mile -- Goback led in 65.4, 2:13.6, 3:21.4, Dent in 4:27.4, 5:32.4 and 6:42.0, Kvalheim after being 9th + last for the 1st 1320 took over with $4\frac{1}{2}$ laps left and passed $1\frac{3}{4}$ miles in 7:47.0. He had run 4:12.9 to win the college "team" race

6. Innuitational 60111 -- Franklin got a good lead and held it. In the Open race Ernie Smith who was a good HS low hurdler ~~was~~ won in 7.5 after 7.52 7.4 prelims. He also ran the ~~60~~ Innuitational 60

7. High Jump -- highlight was Lindsey's combination sideburns - mustache

~~High Jump~~

8 Bob Vault -- Seegen brushed the bar at 17-1 and wasn't too close on three tries at 17-7. Tom Caruthers 16-6 was unnoticed because the Distance medley was being run then

① Seegen made 16-0, 16-6 & 17-1 on 1st try

② Papanicolaou had cut himself over his left eye - required a bandage - early in the vaulting

③ Another useless fact -- Hon. Mrs. State

3/3/3/3

had 3 left-handed vaulters there

9 Long Jump -- Pausi won on his 1st jump

11 Shot -- Von Beamon's series: 60'11"
60'7½", 63'5", 60'3" FF
Hubbell also had a 60'4½" put

10 Triple Jump -- afternoon

12 Mile Relay -- San Jose st led all the way: Carlos 49.6, Walls 50.3, Myton 50.2, Evans 47.7 (he stumbled in the curve on the last lap, but then pulled away). UTEP was 51.2, 50.0, 50.22 Troque 48.5. Miller ran 2nd or 3rd & didn't look like a 1:08.9 600 man

Trophies (of course - dozens of them) were the only awards. Evans got 2 plus a 3-foot monster for outstanding athlete presented by his friend Raylan Jordan

4/4/4/4
