PROGRAMME OF ACTIVITIES

Feb. 7th, 10th & 11th : 07:30 to 09:00 }  
 15:00 to 18:00 } Track & Field Clinic at Aungsan Stadium

The First Race was completed by the US team, but Burma dropped the stick. The team (US) asked the race to be re-run & lost the second time around.

Will try & get the missing figures for you. The next SP games will be in Burma this December. There is one regular reader here of T & F News. His father in the ~~English~~ sends it to him. Maybe all delegates of ALL Nations at the UN should receive this vital T & F News.

P.S. we almost had to put Lee Calhoun in Bob the relay.
