	Bethel (Minn.) College	7
	General Beadle State College	1
	Augustana (S.D.) College	1
	Sioux Falls College	1/2

NOTE: High school division of meet was cancelled when wet track conditions forced shifting of meet from Vermillion to Springfield. It was the first time in the 20 year history of the meet, annually one of the first in the four-state area, that any portion of the meet was called off due to the weather.

Special thanks should go to Southern State College track coach Don Baker and the Southern Department of Athletics for their cooperation in the staging of the meet.
