trials but couldn't equal or better his 14.7 effort in the 120 high hurdles, also set Tuesday.

"I was trying to get down to 14.5 today. The reason I didn't in the trials," he indicated, "is I knocked down the first two hurdles. But today I hit the second to the last one and was high over the last one."

Pike, who said he would probably go to San Jose City College after graduation, captured the 220-yard sprint despite a pulled hamstring muscle and a bad knee.

Ayer's 440 yard relay contingent lowered their own record of 44.9 with a 44.2 effort. Steve Simpson, John Plalmberg, Sam Shull and Don Dunbar combined talents.

The mile relay standard also fell. Mount Pleasant lowered the 3:30.0 mark with a 3:29.4 clocking.

## UNDERCLASSMEN

# MHL's Bright

Mount H a m i l t o n League's younger set exploited circuit track and field marks Friday afternoon at Piedmont Hills and also served notice that those new marks won't be able to stand up under fire next year.

Joe Wyrick, just a freshman, and amazing sophomore Eddie Martin led the insurrection against track and field efforts that underclassmen normally aren't supposed to duplicate or improve upon.

But Ayer's Martin — the only double winner of the MHL Finals Friday — and Mount Pleasant's Wyrick are in a class of their own.

Though unofficial (league track title is determined in dual meets), Mount Pleasant emerged as the top point producer with 63, Lick trailed with 50 and Ayer was right behind with 49. Overfelt chalked up 33 digits and Piedmont Hills and Hill tied

at 25. Oak Grove picked up 11. Wyrick helped Mount Pleasant's cause considerably while sprinter Dave Pike helped Lick claim second. Ayer had Martin to thank.

Wyrick and burly Cornell Burris of Hill joined forces to take the league high jump mark away from Hill's Bill Pennington (6-4 in 1966) but neither succeeded.

The Cardinals' wiry ace ousted Burris with fewer misses at the 6-1 level and both decided to try the 6-4½ mark. Both have crossed the 6-3 bar before.

"We were both trying for the league record," Wyrick said. When it was pointed out it would be an inevitable prize for him next year, he concurred.

Martin tied his 22-11 long jump mark set in Tuesday's
