BOB TIMMONS

Just completing his fourth year as University of Kansas track coach, the 44-year-old Timmons closed the 1969 season with a string of five straight Big Eight team championships dating back to the indoor campaign of 1967-68. KU added the 1969 NCAA Indoor title and was runner-up for the title outdoors. When his Jayhawks won the conference cross country title last fall, it was the first for KU in four years. His teams have swept the indoor-outdoor trophies three times.

In 12 Big Eight championship meets (cross country, indoor and outdoor) Timmons' teams have won eight titles, finished second once, third twice and fourth in the other. Only two other coaches in conference history have had teams string together successive titles in the three phases of track. They were Bill Easton, former Kansas coach, and Ed Weir of Nebraska.

Timmons broke in at Kansas with an auspicious start when the Jayhawks won three national titles his first year. Kansas won the USTFF cross country title in 1965 and the track squad followed by bagging the NCAA Indoor and the USTFF Outdoor.

Kansas came within two points of bringing to Mt. Oread another NCAA Outdoor title this year. The Jayhawks previously won the national meet in 1959 and 1960. Other NCAA titles claimed by the Jayhawks are the 1953 Cross Country crown and the 1966 and 1969 Indoor titles.

In four outdoor campaigns, Kansas' relay teams have lowered the school record in all eight standard baton races and have established world records in two of them --the sprint medley (3:15.2) and the distance medley (9:33.8 and 9:33.0). In addition, his brilliant hurdlers equalled the collegiate record in the 480-yard shuttle event at the Drake Relays in 1968.

Timmons graduated from the University of Kansas in 1950 and returned to the campus as assistant track coach in 1964, and accepted the head coaching position the following spring. Prior to that his teams compiled an outstanding record. He coached at Caldwell two years, Emporia one year, Wichita East two and Wichita West two before returning to East in 1956 as head coach of cross country, track and swimming.

During his coaching tenure in Wichita, Timmons helped develop many high school athletes in both track and swimming. Among them are: Jeff Farrell, 1960 Olympic gold medal winner in swimming; Archie San Romani, Jr., the nation's first sub-4:10 prep miler; Bill Stone, 880 champion at Oklahoma State; Dick Utter, former NAIA champion pole vaulter; Bob Hanson, 1962 National High School 440 champion, and Jim Ryun, Olympian and first high school miler to dip below 4:00.

Timmons coached four state cross country team champions and three individual champions. In track and field he produced six state team champions, 29 individual champions and six state championship relay teams. His swimming record included seven state championships and 52 individual state champions.

Timmons has been a popular clinic speaker since taking the Kansas post and during the winter of 1967 he and his wife, Pat, spent three weeks in Australia for a busy clinic schedule. A veteran of World War II, Timmons served three years with the U.S. Marines. He is married to the former Patricia Perkins of Olathe. They have three daughters, Tammie, 17; Beckie, 16; Perkie, 12; and a son, Dan, 10.

JAYHAWK COACHES

JOHN MITCHELL

The 33-year-old Mitchell ended his four-year stay at the University of Kansas this spring when he accepted as head coach at the University of Alabama in Tuscaloosa. Joining him for the Crimson Tide will be Charlie Strong, KU graduate assistant in 1966-67 and former Oklahoma State star.

Mitchell, a 1958 graduate of Los Angeles State College and high school coach for seven years in California, came to KU in 1965 when Timmons stepped up to accept the head job. Mitchell was first assistant track coach at Warren High of Downey, Calif., his first four years after graduation. He moved to Azusa (Calif.) High as head track coach in 1963, then returned to Warren High in 1964 for the head track job. He was there two seasons before stepping into the college ranks at KU.

Mitchell coached the first two high school athletes to pole vault 16 feet while at Downey. Paul Wilson, later a world record holder at Southern California, vaulted 16'6 3/4" on March 20, 1965. The following week Bob Steinhoff, as KU senior this year, vaulted 16'1". Steinhoff did not compete in the meet at which Wilson became the first prep to clear 16 feet.

Mitchell has written several articles on pole vaulting and has lectured at several high school coaching clinics. He is married to the former Jeane Frey and they have two children, John, Jr., 6, and Michelle, 4.

HARVEY GREER

Harvey Greer, highly successful track coach at Central High School of Kansas City, Mo., for several years, was named assistant track coach at Kansas this spring when John Mitchell resigned.

The 31-year-old Greer became Central's head track coach in March of 1966 and have since won seven championships and finished runner-up once in eight trips to the Missouri state indoor and outdoor meets. During his entire coaching career his teams have won 88 meets of all types, lost just one and tied one.

During that time, he helped develop George Byers at Central, the greatest hurdler in Big Eight history. Following Greer to KU will be Marvin Foster, an outstanding sprinter at Central.

As an undergraduate Greer competed in numerous events, including the 440 and long jump, and finished sixth in the Kansas Relays decathlon in both 1959 and 1960. He graduated from the University of Missouri at Kansas City in 1960 and began coaching that year as an assistant at Kansas City Argentine.

Greer is married to the former Mis Joyce Lauritzen of Courtland, Kan. She is a grade school librarian at Mission, Kan.

WAYNE OSNESS

Dr. Wayne Osness joined the physical education department at Kansas in 1966 after coaching at West in Madison, Wisconsin. Since joining the KU staff he has assisted with the track program by working with the weightmen.

He has been instrumental in the development of Karl Salb, Steve Wilhelm and Doug Knop, three Jayhawks who swept first-second-third in every indoor competition they entered and the outdoor relay circuit. He has also helped Bill Penny develop into an excellent hammer thrower.

While in Madison, Osness claimed one of the nation's top prep shot putters in Stu Voight who is now at Wisconsin. Osness is an assistant professor at KU, is married and has five children.

JAYHAWK PROFILES

THORN BIGLEY

As a freshman Bigley turned in an excellent 4:05.2 mile during spring vacation. He initiated his varsity KU career by helping KU's cross country squad to a Big Eight championship by placing 15th last fall. Indoors he reeled off a fine 2:10.4 in the opening Jaycee Invitation and ran three outstanding 1320 legs, the final one (3:00.6) was part of KU's 5th place finish in the NCAA. He established himself as one of the best-ever three-quarter-men in conference history as he consistently ran 2:57 on three distance medleys this spring.

BOB BORNKESSEL

Established himself as the nation's leading prep hurdler in 1968 as he barely failed in making the U.S. Olympic squad by finishing 5th in the semi-finals. His 49.8 (400m IH) has been bettered by only one Big Eight hurdler--KU's Olympic silver medalist Cliff Cushman. As a Jayhawk yearling he ran a lead-off leg on KU's Big Eight champion and NCAA second-place mile relay quartets with 49.9 and 50.9. Outdoors he was victorious in the conference intermediates (52.7) and was seventh at the NCAA (51.1). He ran 48.5 on the mile relay team against UCLA.

GEORGE BYERS - co captain

The premier hurdler in Big Eight history. He lost only one low hurdle race in his career, that against Wayne Long at the Jaycee Invitation. His undefeated string ran back into his high school days at Central of Kansas City. In three years, George copped eight of nine individual hurdle events he entered, losing only the highs to teammate Lee Adams indoors as a sophomore, in Big Eight events. His 6.5 low hurdles time indoors is a world's best and he has equalled the Big Eight best of 7.1 in the highs. Outdoors, his 13.6 is a best-ever and he led-off KU's school and conference record-setting 440-yard relay team that ran 39.6 at the 1969 NCAA. In the conference indoor and outdoor championships Byers has run 24 flights of hurdles, counting prelims and finals, and won 22 of them. His 13.6 was good for fourth in NCAA outdoor. He had won third in the 1969 indoor NCAA with 7.3.

GLENN CUNNINGHAM

Son of the famed KU miler of the early 1930's and last American to hold world mile record (4:06.7) until Jim Ryun claimed in in 1966. At 1966 Golden West Invitatio he finished fifth in mile at 4:13.8, his best until he ran 4:11.6 against UCLA this spring. He ran 4:13.7 to win the Kansas State Invitation during the indoor season.

RICH ELLIOTT

His 8:56.8 two-mile as a high school senior was the swiftest by any school-boy in the nation during 1968. He helped Jayhawks win the Big Eight cross country title last fall where he placed 11th. He was KU's first runner across the finish line in victories at the Oklahoma Jamboree and the Southern Illinois dual. He added two sub-9:00 two-miles indoors. Outdoors he ran up an impressive string of distance times. At Texas he set a school record of 13:49.6 in the three-mile. He lowered the frosh six-mile to 30:03.4 at Kansas and re-lowered in to 29:47.0 at the Central Collegiates. At KU he doubled back with a 13:59.0. At his first NCAA he ran a creditable 30:48.0.

NEAL CATERSON

A transfer from a California junior college who consistently ran under 50-flat on the indoor relay four-some with a best of 49.6 at the Michigan State Relays. Outdoors he lowered that to 48.4 in the distance medley combine at Drake and had a best open time of 48.8 at UCLA.

KEN GAINES

The best triple jumper in Kansas history, he hold school records of 52'5 $\frac{1}{4}$ " outdoors and 50'6 $\frac{1}{2}$ " indoors. He also claims the school's all-time best high jump with

JAYHAWK PROFILES

6'10 $\frac{1}{2}$ " leap as a freshman in the 1966 National AAU decathlon at Salina. In 1969 he added victories in the triple jump at the Astro, Jaycee and Central Collegiates. His indoor school record of 50'6 $\frac{1}{2}$ " was good for fourth at the NCAA Champs. He's racked up two successive seconds in the Big Eight outdoor with 50-foot-plus jumps. He ranks behind only Lennox Burgher of Nebraska on the all-time outdoor list. As a hurdler Gaines joined with Byers, Dave Stevens and Lee Adams in 1968 to equal the collegiate 480-yard shuttle event at 58.2.

MIKE GEIGER

This junior consistently ran in the 53s for the intermediate hurdlers and has an excellent chance to break into the scoring at next year's Big Eight.

BILL

Became the first 15-foot vaulter in Kansas schoolboy history when he sailed 15'4" in the 1968 state championships to provide SM North with the necessary points to win the team title. He vaulted 14'6" in his initial meet at a Jayhawk and climbed to 15'6" against Oklahoma State and Southern Illinois. He went 14'6" in both Big Eight championships but failed to score in either.

JIM HATCHER

Jim was consistently under 50-flat during the indoor campaign and closed his indoor career with a 48.6 as KU placed second at the NCAA Indoor title meet. He was part of KU's victorious mile relay groups in both 1968 and 1969. When the outdoor relay circuit rolled around, he usually handled the third leg of the 880-yard combine which won the Texas and Kansas events but was second at Drake with a school record 1:23.3. In the mile baton event at Kansas he posted a 48.5 and was part of the quartet that ran 3:16.7, one of the conference's all-time top three times.

MIKE HAYES, tri-captain

Mike had a hard-luck year in 1967-68 when illness forced him out of competition after only one cross country race. The conference allowed him to red-shirt that year and he returned last fall to complete his career. He captained the conference champion cross country squad and had bests of 9:05.0 indoors and posted a 9:35.4 steeple chase at the Kansas Relays. A gritty cross country runner, he wanted so bad to finish the 1966 Big Eight cross country race that he did so with a sprained ankle.

CLARENCE HAYNES

A good back-up sprinter who lowered his career best to 9.6 this year against Southern Illinois.

RON JESSIE

Ranks with Ken Gaines as one of KU's finest all-around performers. Besides being an NCAA indoor long jump winner and a 13.8 high hurdler, he can high jump, triple jump and is expected to be a mainstay in KU's offensive backfield in football this fall. In his varsity track debut he won the long jump at the Michigan State Relays and helped set a school record 28.9 in the 240-yard shuttle hurdles relay squad. He closed the NCAA indoor campaign with 25'2 $\frac{1}{2}$ ", edging teammate Stan Whitley by $\frac{1}{2}$ " for the title. He added the long jump first against UCLA in the opening dual as well as the highs. He posted 13.9 at KU, Drake, the Central Collegiates and the NCAA heats, finally lowering his best to 13.8 in a non-qualifying NCAA semi-final race. He extended to 26'4 $\frac{1}{2}$ " at Drake but was edged by Whitley by $\frac{1}{4}$ ". He seemed to always have Byers and Whitley to contend with and found victories hard to come by.

JAN JOHNSON

Won Illinois state indoor and outdoor vaulting titles in 1968 and shared number 4 spot in nation with Bill Hatcher at 15'4". Progressed from 15-feet at the Jaycee to 15'6" at Michigan State and improved to frosh record 16'4" before KU Relays crowd. He tied for second at the Big Eight outdoor at 15'7 $\frac{1}{4}$ " and cleared 15'6" at the NCAA, failing to score.

RANDY JULIAN

Holds school indoor record for the 600 with a 1:11-flat third place time at Michigan State Relays. He ran with KU's Big Eight indoor champ mile relay group during the last two years and contributed a 48.9 this year. His best of 48.4r was at the Jaycee Invitation and he added a 1:11.4 second place at the conference meet. Outdoors he posted a 46.8 relays best as KU was second at Texas' distance medley event. He ran a career best 46.7 at Drake but it was nullified when Jim Ryun failed to complete the anchor of the sprint medley.

ROGER KATHOL

As a sophomore he logged best times of 1:52.6 for the half in the UCLA dual and 4:05.6 for the mile at Drake. He clocked 2:59.5 three-quarters with second place distance medley team at 1968 Texas Relays and legged that distance in 3:00.7 at 1969 Michigan State Relays as Kansas won in 9:51.2. At that meet Kathol also broke the meet and fieldhouse record in winning the 1000 in 2:10.4, only a half second of Jim Ryun's school mark. He clocked 1:52.2 when 1967 freshman combine set school record 7:35.8 in winning Kansas Relays two-mile race. Roger opened outdoor season with first 1:51.5 against UCLA. He was hampered somewhat throughout the spring by illness that ultimately caused him to temporarily quit running and not compete at the Big Eight.

DOUG KNOP

One of KU's outstanding shot putting trio that went one-two-three in all indoor meets they entered in 1969, including the NCAA where Doug reached his personal best of 60'9 $\frac{1}{2}$ " for third. He fairly dominated the discus when the outdoor campaign opened. He threw 189'8 $\frac{1}{2}$ " at Texas, 189'8" for a Memorial Stadium record at the KU Relays and came back the next day to throw 185'8" for second behind Olympic gold medalist and KU grad Al Oerter. Doug wrapped up his second straight Big Eight title with a personal best 192'8". His 179'3" earned him 5th at the NCAA. He combined with Sal and Wilhelm to add sweeps at Texas, Kansas and Drake Relays, and the Big Eight shot putting events. He threw 60'7 $\frac{1}{2}$ " at UCLA to make KU the first school to have three putters over 60-feet at the same time.

JAY MASON

Placed ninth as KU's second man across the Big Eight cross country finish line as the Jayhawks won the team title. Consistently between 9:10 and 9:20 for indoor two-mile and posted 30:05.6 in KU Relays 6-mile to become school's third fastest ever in that event.

MICKEY MATHEWS

Junior college transfer who buoyed up KU sprint relay teams and became fastest sprinter ever in Jayhawks history as he blazed a 9.3 at the Drake Relays and backed it up with another 9.3 at the NCAA heats. He usually handled second leg on 440 and 880-yard combines and participated in school record-setting times of 39.6 at the NCAA and 1:23.3 at Drake. Garnered seconds in Big Eight 100 and 220 this spring and added another second at the speedy California Relays. Posted 100 times of 9.5 or quicker on seven occasions.

PAUL MATTINGLY

Another of KU's fines cross country corps who led Jayhawks at NCAA with an 87th place finish. A reliable baton carrier over 880-yard, he led off the 5th place distance medley team at the NCAA with a 1:54.5. Scored third in Big Eight indoor. Opened outdoor season with a promising 9:09.0 steeplechase victory against UCLA but slipped coming off of hurdle at Drake and wrenched a knee so severely he couldn't compete rest of season.

JULIO MEADE

At Kansas he smashed school indoor freshman records for the 60 with a 6.1 and the 300 with a 30.8 and broke the outdoor frosh 220 standard with a 21-flat. as a freshman Julio ran with three record-setting relay teams. In his first varsity indoor campaign he cracked school records for the 440 with a 48.5 for fifth place

J A Y H A W K P R O F I L E S

the NCAA and the 600 with a winning 1:11.3 at the Milwaukee Journal Games, which has since been eclipsed by Julian. Last winter he claimed two more school records by sprinting the 300 in 30.7 at Michigan State and the 500 in 58.2 at the Madison square Garden Invitation. Anchored KU to second place NCAA mile relay place with 48.5. Anchor-man for school record 440 (39.6) and 880 (1:23.3) relay squads and added a 48.3 second place finish in Big Eight outdoor.

JIM NEIHOUSE.

Captain for KU's freshman cross country team. One of his top races during the 1969 indoor season was 2:10.3 in 1000 at Central Collegiates, the fastest time turned in by a Big Eight athlete prior to national meet. Consistently under 1:53.0 during indoor season. One of most reliable half-milers outdoors, leading off distance medley that set world best of 9:33.0, he split off a 1:50.4 half. He lowered personal 880 best to 1:49.6 against Southern Illinois.

BILL PENNY

KU's first-ever hammer thrower had a good season as he improved in each of first three meets to 172'2" for school record and personal best at Central Collegiates. His 171'3" toss didn't qualify him to the NCAA finals.

JIM RYUN

He owns three individual world records: 3:51.1 (mile), 3:33.1 (1500-meters) and 1:44.9 (880). He has run four of the seven fastest miles ever and ended career at KU with 26 sub-four-minute miles, including a 3:55.9 at Compton-Coliseum and 3:59.3 at the NCAA in 1969. Five were unofficial clockings in relay carries (3:57.6 in world best distance medley 9:33.0 in 1969), seventeen were outdoors and four indoors. He competed in 1968 Olympics, placing second to Kip Keino of Kenya with a 3:37.8. In addition to his individual world standards, Ryun anchored KU's sprint medley team to 3:15.2 with a 1:46.1 at the 1967 Texas Relays and later erased the distance medley mark with 9:33.8 when he anchored with a 3:55.6 at Drake. He helped lower it at the Kansas Relays this year. Ryun gained fame at Wichita East High School with a 3:59.0 at Compton in 1964 and ran 3:58.3 in the Kansas High School meet.

KARL SALB

The first athlete who ever threw the 16-pound shot 60-feet in his first competitive meet. He hit 60'0 $\frac{1}{2}$ " at the Northeast Boosters meet at Monroe, La., Dec. 16, 1967, in his college debut as a freshman. He had previously held the prep mark of 69'6". He topped a great indoor campaign with a 66'8 $\frac{3}{4}$ " first at the NCAA to lead a KU sweep of the event. He pegged life-time best of 67'0 $\frac{1}{2}$ " against Southern Illinois and went on to take Big Eight (60'2 $\frac{3}{4}$ ") and NCAA (63'9 $\frac{1}{4}$ "). He went on to place third at the AAU with 65'3 $\frac{1}{2}$ " and accepted a spot on the national team when Randy Matson declined. He placed second in the US-USSR-British commonwealth meet with 64'8" and third in the America's vs Europe meet with 65'7".

DOUG SMITH

Won state mile and cross country crown all three years in high school. In collegiate debut ran 4:10.0 at Oklahoma City Jaycee meet. In first two-mile he clocked 8:51.2, a best every by a Big Eight freshman. Led Kansas to the Big Eight cross country title in 1968 with a third place finish. Consistent mile relayist with best of 4:06.7 at Texas. Best open was 4:07.0 at Central Collegiates.

MIKE SOLOMON

Came on strong at end of cross country season to assist KU's successful bid in Big Eight title chase with 12th place finish. In two-mile debut raced to an 8:59.8, which he equalled against UCLA. He added a 4:09.9 relay carry at Texas and 4:10.4 at Drake.

J A Y H A W K P R O F I L E S

BOB STEINHOFF

The second schoolboy ever to vault 16-feet. Despite assorted injuries, he finished second, second and fifth in three Big Eight Indoors and second, fourth and fifth in three outdoor championships. He added a third-place finish at the NCAA indoor last winter. He scaled a personal record and school all-time best of 16'6" when he won the Texas Relays title.

BILL STIEGEMEIER

Freshman javelin thrower with rangy size who was consistently over 200-feet.

JOHN TURCK-tri-captain

Holds KU's varsity outdoor high jump record at 6'10", set following sophomore year. He soared to 6'8" for second in Big Eight indoor as a junior and equalled that height against Southern Illinois outdoors this year. He won the state championship high jump for Wichita Southeast.

STAN WHITLEY

Another in a long line of excellent long jumpers to attend KU. He's the only Big Eight performer to sweep four Big Eight long jump titles, two indoor and two out. His 26'1" outdoor distance was a Big Eight best, added to his indoor 25'11" victory. His 26-plus jumps were at Kansas, Drake, Big Eight, Compton-Coliseum, NCAA, AAU and US-USSR-British Commonwealth meets. He is also an accomplished triple jumper, with bests of 49'10 $\frac{1}{2}$ " outdoors and 49'5 $\frac{3}{4}$ " in the 1968 NCAA championships in fourth. In 1969 teammate Jessie edged him by $\frac{1}{2}$ " for the NCAA long jump title. He proved himself as a sprinter with a 6.1 indoors in 1969 and a fourth at the Big Eight. He has a wind-blown 9.6 best outdoors.

STEVE WILHELM

In first varsity competition during 1969 indoor season Steve posted best of 62'7" in winning Michigan State title. He continued for a second at the Big Eight (60'5") and NCAA (61'0") indoors. Reached personal best of 63'6 $\frac{1}{4}$ " for second at NCAA outdoor. He had 13 60-foot plus throws indoors and out. He opened with a personal best of 174'1" against UCLA and was consistently around 170-feet.

DENNIS STEWART

Caused quite a stir during 880 at Jaycee Invitation when he won one section in 1:55.5 and no background information was available. Turned out he came to KU as a freshman after dad had been stationed at Topeka in Air Force. Consistently around 1:55 mark indoors and outdoors.

WINNING, A Long-Time KU Tradition

Winning tradition and cross country have been synonymous on Mount Oread for over two decades. When the topic of cross country crops up in conversation, it is a subject that can be discussed with pride among Jayhawk followers thanks to a tremendous series of outstanding achievements comparable by few teams anywhere.

Over the last 23 years Kansas has won 17 Big Eight titles and in non-winning seasons has placed no lower than third. A string of 13 conference team crowns was racked up between 1947 and 1959. In addition, 15 individuals wearing the Crimson and Blue have finished first including a three-year sweep by Bob Karnes (1947-49).

Nationally Kansas has placed among the top 10 in 16 of the 24 Collegiate Championships, and the Hawks brought home the trophy in 1953.

Kansas has produced more NCAA individual cross country victors than any other school in history of the meet. Five Jayhawks have broken the finish tape first: Herb Semper in 1950 and 1951 (only three others have been double winners), Wes Santee in 1953, Al Frame in 1954 and John Lawson in 1965. No other Big Eight runners have copped the coveted title of national champ.

Kansas has placed an additional nine individuals among the country's top 10 finishers: Hal Moore (5, 1945), Bob Karnes (5, 1947; 4, 1948), Al Frame (5, 1955), Jan Howell (7, 1956), Jerry McNeal (7, 1957), and Billy Mills (5, 1958; 6, 1959; 5, 1960).

The Scene Changes but KU Keeps Winning

When the scene moves to the indoor oval, with its cramped straights and tight turns, the demand for sprinters-middle distancemen increases, much more than outdoors. With five races spread between a 440 and a mile, the successful team must have a powerful stable of runners.

Apparently this has been quite acceptable to Kansas squads over the past 20 years. Since 1950, Jayhawk teams have gathered 15 league titles in this tactical sport. Of the 22 conference athletes who have won three consecutive titles, 10 have worn the Crimson and Blue: George Byers (60 LH), Glenn Cunningham (Mile), Wes Santee (Mile), Bob Karnes (Two-Mile), Herb Semper (Two-Mile), Kirk Hagan (1000), Bob Tague (880), Clyde Coffman (Pole Vault), Don Bird (Pole Vault) and Elwyn Dees (Shot Put).

In the 41-year history of the Big Eight Indoor fest, KU claims 122 individual and relay winners.

When the National Collegiate Indoor Championship meet was instituted five years ago in Detroit, KU jumped right into the midst of the title chases and has since brought home two NCAA titles (1966 and 1969) plus a third place (1967).

In the process of compiling $41\frac{1}{2}$ points for the 1969 title, KU used its excellent over-all team strength to its advantage: 20 Jayhawks competes, 17 scored and 12 won All-American ratings by placing among the first three finishers.

Two outstanding firsts were scored by Kansas athletes in the 1969 meet: KU is the first school to sweep 1st-2nd-3rd in an event in one year (Karl Salb-Steve Wilhelm-Doug Knop in the shot put), and the first individual to win an event three years (Jim Ryun in the mile).

That University of Kansas tradition of winning seems to be gradually spreading... from Big Eight crowns to NCAA championships.

AN OPEN LETTER TO YOUTH

Don't feel sorry for me. I feel sorry for some of you! You may have seen the U.S. Olympic Trials on television September 13, 1964. If so, you watched me hit the fifth hurdle, fall and lie on the track in an inglorious heap of skinned elbows, bruised hips, torn knees and injured pride, unsuccessful in my attempt to make the Olympic team for the second time. In a split second all the many years of training pain, sweat, blisters and agony of running were simply and irrevocably wiped out. But I tried! I would much rather fail knowing I had put forth an honest effort than never to have tried at all.

This is not to say that everyone is capable of making the Olympic Team. However, each of you is capable of trying to make your own personal "Olympic Team", the honor roll, or whatever your goal may be. Unless your reach exceeds your grasp, how can you be sure what you can attain? And don't you think there are things better than cigarettes, hot-rod cars, school dropouts, excessive make-up and duck-tail grease-cuts?

Over 15 years ago I saw a star--first place in the Olympic Games. I literally started to run after it. In 1960 I came within three yards of grabbing it; this year I stumbled, fell and watched it recede four more years away. Certainly, I was very disappointed in falling flat on my face. However, there is nothing I can do about it now but get up, pick the cinders from my wounds, and take one more step followed by one more and one more, until the steps turn into miles and the miles into success.

I know I may never make it. The odds are against me but I have something in my favor--desire and faith. Romans 5:3-5 has always had an inspirational meaning to me in this regard. "... we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us..." At least I am going to try.

How about you? Would a little extra effort on your part bring up your grade average? Would you have a better chance to make the football team if you stayed an extra 15 minutes after practice and worked on your blocking?

Let me tell you something about yourselves. You are taller and heavier than any past generation in this country. You are spending more money, enjoying more freedom and driving more cars than ever before, yet many of you are very unhappy. Some of you have never known the satisfaction of doing your best in sports, the joy of excelling in class, the wonderful feeling of completing a job, any job, and looking back on it knowing that you have done your best.

I dare you to have your hair cut and not wilt under the comments of your so-called friends. I dare you to clean up your language. I dare you to honor your mother and father. I dare you to go to church without having to be compelled to go by your parents. I dare you to unselfishly help someone less fortunate than yourself and enjoy the wonderful feeling that goes with it. I dare you to become physically fit. I dare you to read a book that is not required in school. I dare you to look up at the stars, not down at the mud, and set your sights on one of them that, up to now, you thought was unattainable. There is plenty of room at the top, but no room for anyone to sit down.

Who knows? You may be surprised at what you can achieve with sincere effort. So get up, pick the cinders out of your wounds and take one more step.

I DARE YOU!

Sincerely, Cliff Cushman

(Cliff Cushman, listed as missing in action in the Viet Nam war theater, was captain of the 1960 NCAA champion Kansas track team and one of the most versatile of KU athletes. He was a Silver Medalist at the Rome Olympics 400m Intermediates.
