Too Much Of Swann Costs Serra

Spectators at the meet may not realize it, but St. Francis High topped Serra 73-63 in a West Catholic Athletic League track meet at St. Francis Tuesday afternoon. 429

Serra apparently won the last event, the mile relay, to tie the meet 68-68, but it was noted that Serra ace Lynn Swann competed in the race for his fifth event of the day. High school athletes are allowed to compete in only four events, so Serra forfeited the mile relay and St. Francis won the meet.

Swann had the best marks of the meet with a 9.9 in the 100 and 23-1 in the long jump. Mitty was also in the meet, but scored only a few points.

In another meet, Menlo School advanced its dual-meet record to 7-2 by scoring 69½ points to 58 for Half Moon Bay and 40 for Serramonte in a triangular battle at Menlo.
