SAN JOSE — Sequoia High's Jim May and Tom Douglas of San Carlos weren't too tired from winning efforts in Friday night's Sequoia District track finals to come up with good showings in Saturday's Blossom Hill Relays at Leigh High here.

May, a senior hoping for a second trip to the state meet next month, captured the high jump with a 6-4 leap, the same mark with which he won the district meet.

Douglas, who took the district discus with a life best 166-1, threw 162-8 for a Blossom Hill third.

Gunn, among the team favorites, settled for fourth with 18 points behind Willow Glen (37), St. Ignatius (26) and Silver Creek (20).

Led by Dave Bagshaw, Gunn took the shuttle hurdles relay in a meet record 58.2 and was second in the mile relay in 3:25.2. Ravenswood finished third in the mile relay in 3:26.1.

Menlo School's Tim Griffin was the only other local placer with a fourth place 43-10½ triple jump.
