

MT. SAC RELAYS

Walnut, California, April 24/25:—Jim Allen staged his annual track and field extravaganza at the beautiful Mt. San Antonio College field and in spite of wind, cold and hours of delay, came up a winner with some fine performances and exciting contests.

The meet, held over a two day period and staged on Saturday in view of some 8000 spectators, brought together outstanding athletes from many sections of the United States plus a contingent from Canada. Highlight of the first days invitational events was the 880 which brought together Doris Brown, Terry Crawford, Cis Schafer, Kathy Gibbons, Carol Hudson and Maria Stearn plus Canadians Joan Dyke and Thelma Fynn, 1500m bronze medalist at the Commonwealth Games. With two front runners, Brown and Crawford, in the field, the pace was bound to be a good one and Crawford took the lead as the field passed the furlong in 31 seconds. Crawford was followed by Schafer, Brown and Gibbons and they remained that way passing the 440 mark as Crawford clocked 62.5. Starting the backstretch of the final lap, Brown took over and whipped by the 660 post in 1:37 with a surprising Kathy Gibbons now in second, Crawford third and the rest of the field content to follow. Around the final turn, Brown poured it on and Crawford looked to be completely out of it and suddenly green-clad Carol Hudson, runner-up to the girl's 880 title at UCLA last year, began to move on the outside. Hudson slowly closed the gap and in the meantime Crawford was coming back into the picture with a belated kick. Hudson zipped past Brown to win in a season best of 2:09.4 while Crawford slipped inside of Brown to nab second in 2:09.7 with Brown third in 2:09.7. Gibbons was fourth and Schafer fifth in 2:10 and 2:11 respectively.

Saturday also brought about a fine high jump performance from Canada's Debbie Brill as she swished over 5'10" for an easy win and repeated the win in Sunday's competition with a jump one-quarter of an inch less.

Pat Johnson, running with very good form, won the 100 meter hurdles on Saturday in a good 13.6 followed by Penny May of Canada and Pat Donnelly. Donnelly won the Sunday race over the same field without Johnson. Mable Ferguson edged sister Williamae to win the 220 in 23.9 and the Phoenix TC won the mile relay in a good 3:54.7. Rene Quigley, La Mirada Meteors, coached by Roy "Honest" Swett, scored an impressive win in the invitational 10/11 half mile in 2:27.8s.

Competition on Sunday brought Chi Cheng out of hibernation and she sped to a three yard triumph in the 100 over a good field in 10.4s. Mavis Laing was placed second but photos showed Mable Ferguson actually was the runner-up.

Francie Larrieu turned in the fastest time of the year in winning the mile with a good 4:49.7, some 30 seconds ahead of runner-up Jane Hill. Martha Watson lost a good duel with Canada's Brenda Eisler in the long jump as the Canadian leaped 20'11" to Watson's 20'5", and Lynn Graham continued her fine shot putting with another over 52 foot toss causing Canadian coach Lionel Pugh to remark 'she is finally LOOKING like a shot putter'.

Both the discus and javelin produced fine performances. Canadian Joan Pavelich won the discus with a throw of 169'7", but the Millbrae Lion's Linda Langford was right behind at 166'11" and LBTC's Monette Driscoll third with 164'2". Sherry Calvert won the javelin with a fine throw of 178'11".

Weather was a problem both days. It was very cold and a strong wind blew making competing a chore rather than a pleasure. In spite of the strength of the wind, only two or three of the races were judged wind-aided by the gauge crew as the direction apparently was across the runners. Mid-way through Sunday's competition, a stray discus whapped the gauge and that was the end of official wind readings for the meet.
