

Sequoia High Jumpers Win At Crestmoor

Sequoia and San Carlos high schools warmed up for tomorrow's Sequoia District track trials in the cold and windy conditions of the San Bruno Relays Saturday at Crestmoor High.

Sequoia was fourth in a seven-team field and San Carlos followed in fifth behind Balboa, Crestmoor and Capuchino.

The Cherokees won one event, the high jump relay, as Greg Patrick hit a life best 6-2 $\frac{1}{2}$, teammate Jim May the same mark and Cezar Oravillo added 6- $\frac{1}{4}$.

Sequoia also took second in the shot put relay (Art Martin, Mike Cantwell, Lee Banks), third in the discus (Cantwell, Rich Barile and Jan Beavitt) and second in the sprint medley (Todd Keckley, Pat Purcell, Oravillo and Patrick).

San Carlos' high hurdle shuttle relay team of Gene Davis, Matt Langley and Tom Ream took a second, and Jeff Vetovec's 48-5 shot put was the day's best in poor conditions.

In frosh-soph competition, Sequoia's Dave Data, Randy Krigbaum and Jose Gonzales won the shot put relay and were second in the discus, while San Carlos' Ron Cartmell, Lee Shoop, John Schuyler and Bruce Veal teamed to take the two-mile relay.
