HIGH SCHOOL RESULTS

North Coast Section Finals: (Santa Rosa, May 22) - Berkeley High School emerged as the team victor in the star-filled NCS field at Santa Rosa. Berkeley had 24 points to runnerup Richmond's 21 and third place El Cerrito's 19. Pleasant Hill had 18½ and then the points dropped way off. In the "B" Class scoring, El Cerrito edged Pittsburg, 23½ to 23, with Montgomery (Santa Rosa) with 16 in third. In the varsity competition, Mike Shavers of Albany High equalled a national sophomore record when he blazed to a 9.5 clocking to win the 100. Local fans received a disappointment when Joe DeDora was disqualified from the 100 field for two false starts in the trials. However, he came back to set an NCS record of 48.0 in the 440. In the mile, the big favorites of the race were Genschmer of Sunset, Cowan of Ygnacio Valley, Solomon of Monte Vista, and Collier of Tamalpais. Right from the gun Butch Alexander, who had the 7th best previous time (4:27.4), took a big lead. He held it until 2½ laps when Vian Collier caught him and held a slight lead until the final lap. Both lost the lead on the final turn as Rich Cowan sprinted into the lead and held it down the backstretch. Collier managed to stay ahead of Alexander for second, and favored Ron Genschmer took 4th for the last State place. In the two mile, the only tight race was for the final qualifying spot for the State Meet. Going into the final lap it was Palmer and Arago in a head to head battle. Arago had enough left to overtake Palmer going down the backstretch and hold on for fourth. Tom Hale, with a good 9:11, took command right from the start and outlasted Chuck Mork, who chopped a second off his best time. The State Meet qualifiers and their times: 100: Shavers (Albany) 9.5, Brown (Pittsburg) 9.5, Burns (El Cerrito) 9.7, Walker (Berkeley) 9.7; 220: Shavers 21.3, Brown 21.4, Burns 21.8, Isola (Pleasant Hill) 21.9; 440: DeDora (Santa Rosa) 48.0, Wilson (Sunset) 49.5, Rhodes (Pittsburg) 49.6, Cole (Pinole Vly) 50.0; 880: Scott (El Cerrito) 1:52.9, See (Del Valle) 1:53.7, Guisard (Del Valle) 1:54.1, Chappell (San Marin) 1:54.5; Mile: Cowan (Ygnacio Vly) 4:19.1, Collier (Tamalpais) 4:19.5, Alexander (Sonoma) 4:20.2, Genschmer (Sunset) 4:21.4; 2 Mi: Hale (Campolindo) 9:10.5, Mork (Wash. Central Coast Section Finals: (San Jose, May 29) - With Cupertino scoring heavily in the horizontal jumps, thanks mainly to Conway, this South Peninsula team came out a one point victor over Awalt (18-17), with Crestmoor getting 14 for third. In the Frosh-Soph competition, Aragon High emerged the victor over Serra and Silver Creek (25½, to a 21 point tie). Strangely enough, both Aragon and Serra are only ½ mile apart in San Mateo, with Serra being a Catholic school. The top three finishers went to State. The top five finishers in each event are listed: IJ: Conway (Cupertino) 49-5, Krebs (Gunn) 46-11 3/4, Thorpe (Cupertino) 46-0¾, Triplett (Branham) 45-10 3/4, Hall (Carlmont) 45-0 3/4; 440R: Monterey 42.6, Ravenswood 42.8, Sunnyvale 43.0, Seaside 43.0, Camden 43.2; 120HH: Wright (Silver Creek) 14.5, Webb (Hillsdale) 14.6, Oravillo (Sequoia) 14.6, Jones (Woodside) 14.6, Roesky (Homestead) 14.6; 880: Tyrrell (Saratoga) 1:52.2, Carlson (Westmont) 1:52.2, Morales (Gilroy) 1:54.2, Hicklin (Crestmoor) 1:55.2, Verrett (Awalt) 1:56.4; 100: Bommarito (Crestmoor) 9.8, Harris (Seaside) 9.9, Green (Harbor) 10.1, Royster (Monterey) 10.1, O'Sullivan (Riordan) 10.1; SP: Aldrich (Fremont) 59-5½, Mannon (Los Gatos) 58-8½, Gnaradi (St. Ignatius) 55-0, Lloyd (Lick) 54-11, Flores (Gilroy) 54-9½; Disc: Overton (Los Altos) 184-9, Pfandl (Awalt) 171-10½, Buss (Gunn) 170-2, Courson (Del Mar) 168-5½, Setoga (SSF) 166-5; 440: Brown (Sunnyvale) 48.2, Cooper (Piedmont Hills) 43.7, Gonzales (Branham) 49.2, Payne (Seaside) 49.4, Legg (Woodside) 49.8; 2 Mi: Ebert (Willow Glen) 9:08.8, McConnell (Soquel) 9:16.3, Templeman (Carlmont) 9:19.6, Jameson (Watsonville) 9:21.2, Manriquez (Mt. State Championships: (Los Angeles, June 5) - Hamilton of L.A. won the C.I.F. Track & Field Championships, but Northern California schools did well also. Admittedly, the showing was not as good as Los Altos managed last year, but nonetheless it was strong. Hamilton scored 13 points and Lompoc had 11. Then came El Cerrito and Crestmoor with 10 apiece to tie for third with another Southern school, Newport Harbor. Only other NorCal teams to break into the top 15 teams were Edison of Fresno and Castlemont, who tied for 13th with five other schools (6 points). Top individual performance was by Crestmoor's Chuck Bommarito, who won the 220 in a wind aided 21.2 and took second in the 100 at 9.6. Below are listed the top five in each event. We are attempting to get a complete copy of the results in order to list as many NorCal performances as possible in next issue: 440R: El Cerrito (Gaines, Watson, Smith, Burns) 41.1 (meet record), Fremont (LA) 41.3, Crenshaw (LA) 41.4, San Diego 41.5, Hamilton (LA) 41.6; Disc: Otto (Porterville) 184-9, Overton (Los Altos) 182-0, Gunther (Campolindo) 177-0, Faló (Balboa, SF) 176-9, Buss (Gunn) ??; PV: Quinn (Monroe, LA) 16-2, White (Dominguez, Compton) 15-2, Martin (Camden) 14-10, Mooers (Valencia, Piacentia) 14-10, Curran (Crespi) 14-10; 880: Keeling (Morningside, Inglewood) 1:51.8, Scott (El Cerrito) 1:52.0, Nlms (Crenshaw, LA) 1:52.2, See (Del Valle) 1:52.5, Heinsen (Glendora) 1:52.3; 100: Reddick (Hamilton, LA) 9.6, Bommarito (Crestmoor) 9.6, Ruffin (Eisenhower, Rialto) 9.7, Thomas (Hamilton, LA) 9.7, Brown (Pittsburg) 9.8; 120HH: (wind-aided) Jackson (Lompoc) 13.6, Chazio (Locke, LA) 13.7, Mosley (Bakersfield) 13.8, Bartholomew (Fremont, Oak.) 14.2, Cheadle (Dos Pueblos, Goleta) 14.2; 2 Mi: Fleet (Clairmont, San Diego) 8:53.8 (meet record), Innes (Upland) 8:54.4, Amaya (Wilson, LA) 8:54.4, Hale (Campolindo) 8:57.2, Mendoza (Helix, San Diego) 9:00.8, Schmuliewicz (Lincoln, S.F.) 9:03.6; 440: Krzyzosiak (Garden Grove) 46.7, Johnson (Blair, Pasadena) 46.8, Berry (Wash. Krebs, Martin & Hale do well at All-American Meet: (Chicago, June 12) - Randy Lightfoot of Plainview, Texas set a new Interscholastic record of 13.4 in the 120 highs, and Marshall Dill of Detroit won both the 100 and 220 (9.4 and 20.8). In 90 degree heat, Dave Merrick of New Lenox, Illinois won the two mile in 8:59.0, just edging Tom Hale of Campolindo (9:00.3). Hale also competed in the mile and finished sixth (won by Mike Durkin of River Grove, Ill.). Durkin's time was 4:09.4. No time available for Hale. Other Bay Area athletes that did well were Gunn's Dale Krebs who won the triple jump in 49-4½, and Camden (San Jose) pole vault ace Roger Martin who won his specialty at 15-4. Other California winners were Brent Tubb (Canoga Park) with a 1:50.1 in the 880. Frank Berry of LA won the 440 in 47.4 with CIF champ Tony Krzyzosiak second in 47.5. Dwight Stones (Glendale) took the high jump at 6-9¼.

US-USSR-World All-Stars Meet: (Berkeley, July 2-3) - The highlight of the meet was Pat Matzdorf's brilliant world record high jump of 7-6 1/2, topping the official world record of 7-5 3/4 set by Soviet Valeriy Brumel. He matched China's Ni Chih-chin's mark which will probably never be officially recognized by the IAAF. In team scoring, the US men won 126-110, but the women lost by an equal amount (76-60) and so the meet ended up an overall tie (186 each). No scores were kept between the Soviets and the World All-Star team, but the US defeated them 138-91 (men) and 79-54 (women). Below are listed the Californians who ran in the meet: *** Men: 200: (2) Willie Deckard 21.0; Mile: (5) Jim Crawford 3:46.2; 20 Km. Film Review Gives Lompoc State Crown

Hamilton's reign as State high school track and field champion was short-lived.

A review of films of Saturday's meet at UCLA gave Lompoc's Charles Jackson a victory in the 180 low hurdles and took away the fourth-place finish of Hamilton's David Thomas in the 100.

Thus, Lompoc, with Jackson winning the 120 highs, the 180 lows and taking fifth in the long jump, totaled 13 points to 11 for Hamilton.

Thomas had originally finished fifth in the first running of the 100-yard dash, so even if the race was not re-run the Yankees would have had only 12 points.

However, it could be argued that having to run the 100 a second time took just enough out of Thomas so that he finished second in the 220. Had he won that event, Hamilton would have had two additional points.

Actually, the team hurt most by the re-run of the 100 was El Cerrito, which would have shared the crown if there had been no second race. Sammy Burns of El Cerrito finished third in the first race but was unplaced in race No. 2. Those three points would have given El Cerrito 13.

The photo adjustments:

100—Armond Ross (Crenshaw), unplaced to 3rd; Ron Ruffin (Eisenhower), 3rd to 4th; David Thomas (Hamilton), 4th to 6th.

220—Mike Shavers (Albany), 4th to 3rd; Vince Brown (Pittsburg), 6th to 4th; Jim Beyers (Loara), 7th; Gordon Pappas (Compton), 9th to 8th; David Robinson (Gardena), 9th.

440—Bob Harrell (Santa Ana), 5th to 4th; Greg Jones (Lemoore), 6th to 5th; Benny Brown (Sunnyvale), 4th to 6th.

120HH—Bill Cneadle (Dos Pueblos), 5th to 4th; Willie Hamilton (Richmond), 6th to 5th; Lou Bartholomew (Fremont, Oakland), 4th to 6th.

180LH—Charles Jackson (Lompoc), 2nd to 1st; McKinley Mosley (Bakersfield), 1st to 2nd; Manny Myers (Piedmont), 5th to 4th; William Hamilton (Richmond), 4th to tie for 5th; Todd Gordnier (Glendora), 6th to tie for 5th.

440 Relay—Centennial, 6th; Gardena, 8th; Blair, 9th.

Eastbay Preps Set Marks

LOS ANGELES — Erasing the stigma of past failures, dedicated relay teams from El Cerrito and Castlemont opened and closed the 53rd State High School Track and Field Championships with record-breaking victories yesterday.

In addition, had it not been for an historic rerun of the 100-yard dash, El Cerrito might have climaxed a day of upsets and outstanding performances by beating eventual champion Hamilton of Los Angeles 13-12 for the team crown.

As it was, the Gauchos parlayed the relay win and junior Dale Scott's 1:53-flat second in the 800 into a tie for third place with 10 points.

Pending a film review of close finishes, Hamilton is first with 17 and Lempec follows with 11.

Running in the sixth lane on UCLA's fast Tartan track, the Gauchos quartet surprised a 400-relay field which included record-holding Hamilton when anchorman Sammy Burns broke the tape in 41.1 seconds.

Castlemont, awarded the pole with the fastest qualifying time in Friday's trials, led from midway in the second turn on the first leg and won easily in 2:13.2, lowering the California Interscholastic Federation meet record by 1.1 seconds.

El Cerrito's time was a 10th of a second faster than that established by the Yankees a day earlier. It was the first of five new marks witnessed by an estimated 9,500 spectators.

Glendale senior Dwight Stones, frustrated when what he thought was a record leap Friday only tied the existing record, made sure yesterday by scaling 7-1/4 in the high jump.

A Clairemont of San Diego 12th grader appropriately named Dale Fleet sliced 1.8 seconds from the two-mile mark with a come-from-behind 8:53.3 victory over a field in which the first four finishers, including Tom Hale of Campolindo, got under 8:58.

The final record was by Mark Stevens who beat junior Newport Harbor teammate Terry Albritton by almost two feet with a shot put of 67-3/4.

A long jump of 26-3/4 by Edison of Fresno's Randy Williams, had it not been wind-aided, would have broken the record by almost a foot.

The broncos also qualified a record-tying 12.4 high hurdles victory by Charles Jackson of Lempec and fast finishing Tony Krzyzosiak of Garden Grove missed the 440 standard by a tenth of a second in 46.7.

Five coaches, including Hale Roach of El Cerrito, complained to officials after Hamilton's George Reddick obviously jumped the gun to win the 100 in 9.6. Burns was placed third in that race, David Thomas of Hamilton fifth.

"No matter what happens it's not fair to the other kids," said Roach before meet referee Ernst Hartman decided to run the race over for the first time in California State Meet history.

Reddick came from behind after one false start to win the second running in identical time. Burns went unplaced and Thomas moved up to fourth.

Films of Friday's trials revealed Burns qualified in his heat while Albany sophomore Mike Shavers did not in his. Vince Brown of Pittsburg also made it to the 220 final and he or Shavers may wind up occupying the vacant third place when the final's films are reviewed.

Hale, who led the two-mile for 2 1/2 laps, finished fourth in 8:57.2, becoming the first Eastbay athlete ever to break the magic nine-minute mark while still in high school. He was relatively happy with the time but disappointed with his placing.

"I was going for 8:54, but went out a little slow," he said while reaffirming his plans to attend Whitworth College.

El Cerrito's relay time is also an Eastbay record, beating Castlemont's year-old mark by a 10th of a second, and the Knights shattered their day-old area mile standard by two full seconds.

"All week they said they would get it," related Roach. "So it was no surprise to me. They wanted to make up for finishing second last year after being favored, and they did it with perfect passes."

Castlemont failed to advance its mile relay team into the state last year because of a dropped baton in the Oakland championships.

"We knocked off over four seconds," said coach Harris Flowers, whose OAL winners came South with a 2:17.4 best, "but I was hoping for an even faster time. They were up psychologically for that race."

Scott's time in the Eastbay's second-best prep 800 mark on record and Bob See of Del Valle, who had to run around traffic to get fourth in 1:52.2, tied for third on the list. Percell Keeling of Merringdale, who finished third last year, won it 1:51.8.

Ed Miller's second 60 of the season makes him the area's fourth best prep high jumper in history. Fremont's Lou Bartholomew scored in the high jump (6-4) and high hurdles (14-2).

Paulson places 12th at state track meet

John Paulson of South Tahoe placed 12th among 29 entries Saturday in the featured two-mile run of the California State High School Track and Field Meet at the University of California, Los Angeles, in Westwood.

The Viking thinclad, who qualified for the state meet with a second-place time of 9:14.5 at the sectional competition in Modesto, was clocked in 9:21.4.

"He had his race left at the end," Coach Dave Hill reported. "But he got crowded up in the pack and couldn't get out. Had Paulson got free, or managed a little running room, he

could have been up there with the leaders."

Nevertheless, the 12th-place finish capped an outstanding year for the Viking. Paulson's performance capped the best season ever for any trackster at South Tahoe High School.

Dale Fleet of Clairemont High in San Diego won the event with a time of 8:53.8. It was a new meet record, bettering the mark of 8:55.6 set by Ron Johnson of West Torrance last year.

Gordon Innes of Upland and Jose Amaya of Wilson High in LA were favored in the two-mile run, but finished second and third in 8:54.4.

BUT THE PRESSURE'S ON

Bommarito Eyes CIF

By DENNIS DEISENROTH

It would seem a second trip to the California Inter-Scholastic Federation (CIF) State track and field meet would be easier for an athlete.

Such is not the case for Crestmoor's Chuck Bommarito.

Bommarito, the Central Coast Section's premiere sprinter who won the 100 (9.8) and 220 (21.4) in the CCS championships Saturday night, went to the state meet at Berkeley last year. And quite a successful trip it was.

Bommarito clocked a 10.0 to finish third in the century and came back to garner second in the fulong at 21.7.

With the experience he gained in last year's meet and the relatively easy season he's gone through this year it should be safe to assume the chips are falling Bommarito's way.

"I'm just wondering what I'll be able to do," the muscular Bommarito said moments after setting the CCS record in winning the 220.

"The pressure will be greater this year and I am a lot more scared this time.

"Last year was a tough one and I was just looking

6-1
forward to the season ending. Frankly, I was surprised I did as well as I did in the state meet."

Bommarito, who plans a week of light workouts before leaving for the meet at UCLA on Friday, got an extra kick in beating Sunnyvale's Benny Brown in the 220. It was Brown who handed Bommarito one of his rare defeats this season when he nipped him in a 220 at the Hill Invitational.

When officials rechecked the course they found it measured 10 yards short and Brown later admitted "Chuck would have caught me."

"Setting the record makes me feel real good but I have been wanting to beat Brown," Bommarito stated.

One of the reasons Brown was able to nip Bommarito in the "210" was because of Chuck's notoriously slow start, something he believes is getting better.

"There's no doubt my best event will be the 220 because of my start, but they have been getting better in both events," he said.

"The times I have seen from Los Angeles are around 9.5 in the 100 and in the mid 21s in the 220. I think I have a good shot in the 220 but I want to at least place in both.

"The best start counts in the 100, but it boils down to whoever is ready on that day will win."

Templeman Top SPAL State Hope

WESTWOOD — Nine of the SPAL's top track and field athletes will be taking something of a journey into the unknown this weekend, even though two of them have made the trip before and they all know where they're headed.

The SPAL portion of the Central Coast Section representatives will assemble on the UCLA campus for tomorrow afternoon's State Meet trials and Saturday afternoon's finals, but as usual the competition will be fierce.

Until most of the 27 representatives from nine sections in each event are weeded out in the trials, it's anyone's meet — and frequently is.

Non-favorites seldom have a chance to place in the top three, but every now and then one sneaks through the trials to achieve the honor of making the finals.

That appears to be about the limit of the SPAL representatives' capabilities unless there are some surprises, with the exception of Carlmont's Hans Templeman.

Templeman, along with Sequoia's Cezar Oravillo the SPAL returnees, automatically qualifies for the finals in the two-mile.

Last year Templeman failed to place, but is genuinely hopeful of making the top four or five or maybe even better if he is healthy and able to run the best eight-lapper of his career. His best of 9:14.4 would probably need to be cut at least 10 seconds to place.

Oravillo qualified in both the 120 high and 180 low hurdles at last week's CCS finals, but if he makes the finals it probably will be in the lows. He hit a life best 19.1 for second place last week at the CCS meet.

The Ravenswood 440 relay team of Ed Johnson, Ernie Spencer, Darrell Augmon and Joe Prince will have to better its 42.8 best considerably to even make the finals.

While Carlmont's Paul Dempster, only a junior, has to contend with sectional rival Roger Martin of Camden in the pole vault, Gunn's Dale

DARRELL AUGMON
Leg on Trojan relay

Krebs and Steve Buss will try their luck in the triple jump and discus, respectively.

Martin has the state's top mark at 15-6 and is the favorite, but Dempster has improved all season and a bit more betterment could net him a coveted medal. Like most other entries, though, Dempster won't know the extent of his competition until the trials.

Krebs, healthy again after missing much of the season with an injury, figures to place in the triple jump if he hits his already-accomplished 47-foot range, but Buss will probably have to throw a life best in the discus to place. His top mark is 170-9.

CCS power may be better than ever this year, led by Crestmoor's Bob Buck, Bommarito, Santa Val's Benny Brown, Cupertino's Craig Conway, Los Altos' Scott Overton and Martin.

Bommarito, with a 9.5 wind-aided 100 and a 21.4 in the 220, will be looking to at least place in the 100 and win the 220, while Brown's 47.8 tops in the 440 stamps him as a top contender.

Likewise, Conway has a 49-5 triple jump and duplication of that mark may very well win; and the same holds true for Scott Overton's 184-9 best in the discus.

3 Carry SPAL Track Banners

WESTWOOD — Carlmont High's Hans Templeman and Paul Dempster and Gunn's Steve Buss will represent the SPAL in the California Inter-scholastic Federation track and field championships this afternoon after a torrid round of qualifying yesterday at UCLA here.

While those three SPAL athletes will be vieing for State Meet titles, five other SPAL cindermen will be watching the finals under sunny skies when they begin at noon.

Ravenswood's 440 relay team of Ernie Spencer, Darrell Augmon, Ed Johnson and Joe Prince failed to gain entry into today's finals when it finished sixth in its heat in by far its best effort of the season in 42.2.

Hamilton of Los Angeles, considered the favorite to dethrone Los Altos as team champions, set a CIF record with a 41.2 clocking.

Sequoia's Cezar Oravillo, the only SPAL trackman to qualify in two events, failed in his bid for the finals in both hurdles races.

Oravillo ran a 19.4 — three-

tenths of a second slower than he cleared the low barriers in the CCS meet last week — to finish in a non-qualifying fifth spot in his heat after early finishing ninth in the highs with no time given.

Dempster gained today's finale the hard way compared to teammate Templeman.

The junior pole vaulter cleared 13-9 in the qualifying round to join 11 other vaulters, while Templeman got the day off as there was no qualifying in the 27-man two-mile field.

Templeman will have his work cut out for him today as his best of 9:14.4 gives him the 13th fastest mark entering the finals behind junior pace-setter Gordon Innes of Upland, who clocked a 9:00.0 earlier this season.

Buss joined 11 other discus throwers in Northern California's perennially strong event when he threw the platter 166-2, for the 10th spot.

Los Altos' Scott Overton will try to win the discus title for his school for the fifth time in 12 years when he brings his qualifying mark of 183-3 into the finals.

Gunn's Dale Krebs finished in the top three spots in the (Please turn to Pg. 10, Col. 7)

CCS triple jump, normally good for a state meet qualifying berth, but this event won't be held today.

Last year the triple jump was held in Berkeley as an exhibition event, but other special events have replaced it this year as decided by the Southern Section which usually doesn't hold any State triple jump competition.

Overton, only a junior, will pursue a rarity in the state championships. As the favorite entering today's finals, next year, he can become the third two-time winner in the discus from Los Altos, if he sets it up with a victory today.

The others, Chris Adams (1969-70) and Bob Stoecker (1961-62), won consecutive titles for the Knights.

Sunnyvale's Benny Brown took over the title favorite role in the 440 when he set a national season best with a 47.2 clocking in the prelims.

Besides Hamilton's CIF 440 relay record, Charles Jackson of Lompoc and Dwight Jones of Glendale also set CIF standards. Jackson won the 120 high hurdles in 13.6, while Williams tied the high jump record with a qualifying mark of 7-0 $\frac{1}{4}$.

Other outstanding trial marks included McKinley Moseley's (Bakersfield) 18.5 in the 180 lows; Randy Williams' (Edison Fresno) 25-3 long jump and 16-year-old Terry Albritton of Newport Harbor, who set a national age group shot put record with a 64-8 $\frac{3}{4}$ toss.

First SPAL Decathlon Next Week

The prep track season won't be over this weekend for all SPAL athletes even though the State Meet finals will be held today at UCLA in Westwood.

Menlo-Atherton High coach Plato Yanicks will sponsor the first annual SPAL Decathlon on the M-A track Monday and Tuesday in both varsity and frosh-soph divisions.

Two athletes from each of the nine SPAL schools have been invited to compete in the meet, which will be as nearly identical to the regular decathlon as possible with the exception of the lack of a javelin throw.

The event begins with the 100-yard dash Monday at 2:45 p.m. followed by the long jump, 12-pound shot put, high jump and 440. The 120 high hurdles, discus, pole vault and mile run will be held Tuesday.

Among the favorites, if they decide to participate, will be Carlmont's Mike Hall, Sequoia's Mike Hughes, Woodside's Rich Jones, Palo Alto's Jim Austin and M-A's Jeff Jennings.

AAA Entries Cut To Two for Finals

By Glenn Schwarz
Examiner Sports Writer

LOS ANGELES — Tauoa Faló had an unexpectedly sizeable rooting section when he stepped into the discus ring at UCLA's track stadium.

The Balboa High Senior could spot 18 of his 19 travel companions in the stands. A few of the other Academic Athletic Association champs had planned on also being watched, but yesterday's trials of the State High School Track and Field Championships dictated otherwise.

Of the San Francisco representatives, which also included Dave Gherardi of St. Ignatius, only Faló qualified. The AAA's only other hope for points, Wolfgang Schmulewicz of Lincoln, received a bye yesterday. There were no trials in his event, the two-mile run.

An Underdog

Despite Faló's life-best effort, he entered today's finals a definite underdog to Los Altos' Scott Overton. The Peninsula star's top trial throw carried 183-3 as compared to Faló's mark of 173-4, good for third.

Still, it gave George White something to smile about. If nothing else, it was the only balm for the coach who produced more qualifiers for this meet than any other coach in the State.

"You know, I think our chat before the meet helped," said White. "I told Faló to take only two warmup throws today. Sometimes the more he practices, the worse he gets."

Two New Records

As for the rest of what happened yesterday, the record book changes should do for openers.

Two meet records were bettered, one equaled, in perhaps the greatest opening day in the California Interscholastic Federation's 53 years of state meets.

In the first track event trial, the 440 relay, Hamilton of Los Angeles lapped the Tartan oval in a record 41.2. It was too bad the team wasn't pushed. The standard for the 120-yard high hurdles, also was altered as Charles Jackson of Lompoc sped to victory in 13.6, one-tenth of a second off the national prep record.

He wasn't pushed either, with the next finisher a full second back.

Field Events

The field events provided excitement too, when Dwight Stone of Glendale back-flopped over the high jump bar at 7-0 $\frac{1}{4}$. That tied the State meet record.

While on a record theme, another one should be noted. Sixteen-year old Terry Albritton of Newport Harbor established an age-group mark in the shot put at 64-8 3-4. As usual, the Southern California schools — probably Hamilton — appeared headed for the team title.

The Bay Area though, did have some standouts.

Chuck Bommarito of Crestmoor, the fast-closing sprinter, could double today if, overnight, he learned how to start a race.

Joe DeDora of Santa Rosa, won his heat in the 440 after running a 22.0 first 220, then anchored a doomed mile relay team with a 47.3 lap, making up about 50 yards in the process.

Bennie Brown of Sunnyvale had a 440 time of 47.2 which was a national best by a prep this season.

Re-Run Costs

By Glenn Schwarz
Examiner Sports Writer

LOS ANGELES — A rare re-running of the 100-yard dash deprived El Cerrito High of a share of the California Interscholastic Federation's 53rd State Track and Field Championship yesterday.

Quite naturally, the controversy died down when UCLA-bound Dwight Stones of Glendale set a national prep record with a high jump of 7-1½. But at the time the re-running had the crowd of approximately 12,000 at UCLA's track stadium buzzing.

In the scheduled race, the Gauchos' Sammy Burns apparently had a third-place finish three points. However, after protests were filed by five coaches, the 100 field took off again. This time, Burns failed to place.

Gun Jumping

That was all Hamilton High of Los Angeles needed to win its first state title. The Yankees' point total of 13, lowest for a CIF champ since 1964, beat Lompoc's 11 and the 10 turned in by El Cerrito, Crestmoor and Newport Harbor.

Ironically, it was a Hamilton runner who was the object of the coaches' complaints and boos from a majority of the fans.

After Hamilton's George Reddick had false started once, he obviously jumped the gun again, leaving the other eight starters hunched in the blocks. There was no recall, Reddick winning in 9.6 with Burns third in 9.7.

field behind on the Tartan track. The Gauchos' winning time was 41.1.

Records Fall

Other meet records to fall were:

Shot put, where Newport Harbor's Mark Stevens heaved the iron ball 67-2¼.

Two mile, in which junior Dale Fleet of Clairemont-San Diego won in 8:53.3.

Mile relay, where Castle-mont's four smooth-stepping 440 men were timed in 3:13.2.

One meet mark was equaled when Charles Jackson of Lompoc duplicated his high hurdles trials clocking of 13.6.

City's Showing

The San Francisco section could claim only two of the 240 points awarded. Balboa's Tauoa Falo finally discovered how good he really is, ending the year as the state's fourth best prep discus thrower. His life-best toss traveled 176-9, eight feet behind the throw of winner Bob Otto of Porterville.

The City's other finalist, Wolfgang Schmulewicz of Lincoln, ran the fastest two-mile ever by an S.F. prep. His time of 9:03.6, however, was good only for sixth place.

Crestmoor's Chuck Bormmarito, second in both runnings of the 100, came back to clearly show who is California's best high school 220-yard sprinter. A terribly slow starter, Bormmarito was running seventh coming off the curve, then smoked over the final 60 yards to win in 21.2.

El Cerrito

Title

Instant Replay

But meet referee Ernst Hardmann, surrounded by angry coaches, decided he would like to see that 100 again.

Reddick, who plans to attend USC, won the second 100 in a legitimate 9.6.

El Cerrito's challenging position was made possible by its 440 relay team, which was responsible for one of the five meet record. The foursome of Paul Gaines, Mel Watson, Don Smith, and Burns, used precision passing to leave the struggling

On the other hand, Santa Rosa's Joe DeDora was one who blazed early and faded late. In what was believed to be the greatest prep 440 in history, Dedora led by about ten yards after the first 330 but had nothing left for the stretch run and finished eighth in 47.4.

Ton Krzyzosiak of Garden Grove was the first of seven runners in that event who were clocked in 47.3 or under. His time was 46.7.

Stones Leaps 7-1½ for U.S. Prep Mark

Hamilton 'Wins' State
Title, Subject to Films

California's finest high school track and field performers put on a fantastic show Saturday in the 53rd annual championships at UCLA.

In what has to rank as one of the greatest finals in history, one national record was broken, five California standards toppled and Hamilton survived a disappointment in the 440 relay and a controversy in the 100 to tentatively claim the title.

The Yankees finished with 13 points, two more than Lompoc, pending a review of films in the 100, 220 and especially the 180 low hurdles, where many observers thought Lompoc's Charlie Jackson had finished ahead of Bakersfield's McKinley Mosley. Barring any other adjustments, that switch of points would give Lompoc a tie for the crown.

From start to finish, it was an exciting show as El Cerrito opened the program with a state record 41.1 in the 440 relay and Glendale's Dwight Stones closed it with a national mark of 7-1½ in the high jump.

A crowd of 10,500 also saw three other State records fall as San Diego

Clairemont's Dale Fleet ran 8:53.8 in the two mile; Newport Harbor's Mark Stevens threw the shot 67-2 1/4 and Castlemont's mile relay team turned in a 3:13.2 clocking.

Randy Williams of Fresno Edison, who leaped 26-3 3/4 in the long jump, lost a national record when his leap was not allowed because the wind was 5.9 m.p.h. when he jumped.

Brent Tubb of Cleveland clocked 4:09.6 to take his second straight State mile crown; Tony Krzyzosiak of Garden Grove powered down the stretch relentlessly to take the 440 in 46.7, and Tim Quinn of Monroe, only a junior, cleared a lifetime best of 15-2 to win the pole vault.

And in the 100, after "winning" in 9.6, Hamilton's George Reddick was forced to do it again 20 minutes later.

Hamilton, the City champion and team favorite, faltered badly in the 440 relay with a fifth place finish in 41.6. The Yankees set a State record of 41.2 in the prelims Friday but had trouble with their passes and never challenged.

Thus, the pressure was really on Reddick going into the 100 and he responded brilliantly with a decisive win in 9.6. However, as he was standing on the victory stand with his trophy in hand, the announcement came that the race would be rerun because one competitor (Reddick) had jumped the gun.

"I've been working on that start for three years," he said. "I won it fair. Why didn't they call us back if someone jumped?"

There was no answer to that question but Ernst Hartman, the meet referee explained that following the race, the committee of appeals met and unanimously agreed that the start had not been fair.

The committee is made up of the starter, recall starter, commissioner of the Southern Section, meet referee and meet director. Hartman said he

recommended another race and everyone agreed.

And so, after the short wait, the race was run again. After one false start by Reddick—there was a fair start and Reddick again proved he was best.

Off slowly, he moved ahead after 60 yards and held off Crestmoor's Chuck Bommarito, who had also finished second in the first race. The time again was 9.6.

The one key change in the finish gave Hamilton an additional point as David Thomas, who was fifth in Race 1, gained fourth in Race 2.

Thomas, who is bothered by a back injury, then finished second to Bommarito in the 220 to give Hamilton its 13 points.

"I was naturally upset but I think I went into the

second race with more determination than the others. I was out to really prove that I was best," said Reddick.

Stones, who cleared 7-0 1/4 to equal the State mark in Friday's prelims, said he felt "a terrible let-down" Saturday morning.

"And, I was kind of worried about starting at 6-6. I have never waited that long and I had the feeling that maybe I would wind up with nothing."

But the 6-4, 172-pound senior never faltered as he successfully cleared 6-6, 6-8 and 6-10. After missing once at 7-0 1/2, he went over to set the State mark.

And then, on his first at-

tempt, he flopped over at 7-1 1/2 to break the mark of 7-1 1/4 set by Otis Hailey of Wasco in 1968. Stones' mark is the best ever in a high school meet, although Compton's Reynaldo Brown cleared 7-3 in Stones tried 7-2 1/4 but missed three times.

Stevens' performance in the shot put was a little surprising as the 6-3, 215-pounder has been hampered the last month by an injured hand.

"I strained joints in my hand in the league meet and it has been bothering me. But I went to a new doctor this week and he gave me some pills that really helped. I just palmed the shot in the prelims but I was all out today," said Stevens.

Stevens had a fine series — 62-8 1/2, 66-0 1/4, 67-2 1/4,

64-5 1/4, 64-1, foul, and 64-6. His teammate, junior Terry Albritton, came through with a career best of 65-5 for second. Albritton's throw is also a national record for a 16-year-old, breaking the 64-8 3/4 he did in the prelims. Sam Walker of Dallas was the previous record holder at 64-6.

State Meet Notes

Krzyzosiak's 46.7 clocking in the 440 was just one-tenth off the State record established two years ago at UCLA by Lemoore's Larance Jones. After Santa Rosa's Jo DeDora set a blistering pace for the first 220 (21.7), Blair

Ray Johnson took over as they rounded the turn and appeared to be in command. But Krzyzosiak made his move and charged down the stretch for the victory . . . Tubb, who won last year in 4:12.9, said he was more concerned with the victory than setting a record. "I think the third lap (65.0) killed any chance we had," he said. CIF champion Paul Cummings of Righetti made his move starting the final lap but Tubb would not be denied and pulled ahead with 80 yards to go . . . Fleet ran the final lap in 61.4 in the two mile as he broke the mark of 8:55.6 set by Ron Johnson of West Torrance last year. CIF champion Gordon Innes of Upland just held off City winner Jose Amaya of Wilson for second with both men clocked at 8:54.4 . . . Williams had to come from behind to defeat LB Poly's Tony Brown in a stirring duel. Brown did 25-63/4 on his second attempt but Williams, who had only three fair jumps, came back with his 26-3 3/4 on jump No. 4. Williams' other attempts were 24-10 1/4 and 24-7 1/2 while Brown did 23-5, 24-10, 25-3 3/4, 24-8 3/4 and 24-1 1/4 on his other jumps.

Morningside's Perceil Kneelingran a strong race in taking the 880. Keeling, who ran 1:51.8, said he thought it would take 1:51 or better to win . . . Quinn, who is using a 15-foot pole but hopes to get one that is 16 feet, said his goal is 16-1 (a national record for 16-year-olds). Quinn, 6-1 and 143, had a great try on his second attempt at 15-6 but the bar hung for an instant and then fell off. Roger Martin of Camden, the pre-meet favorite, passed until 14-10, made that with plenty to spare and then failed at 15-2 . . . Among the champions, Reddick and Williams are going to USC, Keeling and Stones to UCLA, Jackson to Indiana, Mosley to Bakersfield JC, Tubb to Pierce JC and Krzyzosiak to Colorado.

Here's an indication of the quality of the high jump field. Eric Ritterath of Eagle Rock was eighth at 6-8 and Tom Murphy of Sacramento Highlands 10th at 6-7 . . . Innes' 8:54.4 in the two mile is a national record for a junior, breaking the mark of 8:56.6 held by David Merrick of New Lenox.

DeDora 6th in 'Fastest Prep 440 Field'

LOS ANGELES — Sometimes your best isn't good enough, and that was the story for the North Bay League's track and field performers in the State Meet held here Friday and Saturday on the UCLA campus.

Perhaps the most disappointed performer was Santa Rosa High School's Joe DeDora, who ran the fastest 440 of his career but finished in sixth place in 47.3.

"It was the fastest high school 440 field ever assem-

bled," said Santa Rosa coach Ken Goetzel.

Tony Krzyzosiak of Garden Grove won the finals in 46.7, a tenth of a second over the State Meet record, and the top seven finishers were all clocked in 47.3 or better.

"He was excited and he went out too fast," Goetzel said about DeDora's run. He was timed in 21.0 at the 220 mark, which gave him too fast a split. DeDora led until the last 50 or 60 yards.

Goetzel said DeDora's "adrenalin was really pumping.

Mine was too, so I know how he felt," Goetzel added.

Junior Ray Johnson of Blair was second in 46.8, Frank Berry of Los Angeles was third in 47.1, Benny Brown of Sunnyvale was fourth in 47.2, and Robert Harrell of Santa Ana was fifth in 47.3.

Brown ran 47.2 and DeDora ran 47.3 on Friday for the day's best qualifying times.

"Krzyzosiak is strong and if Joe could run relaxed he could run a good split," Goetzel said. "I know he was

disappointed. He was shooting for first place."

Santa Rosa's mile relay team of Manuel Mendoza (30.6), Mike Fitzgerald (31.4), Russ Moore (32.6), and DeDora (47.2) ran to their best time of the season, 3:21.8, but placed sixth in their heat and failed to qualify.

Castlemont won the event in 3:12.2 to shatter the State Meet record.

Other North Bay League performers failed to reach the finals.

Vallejo's Charles Porter ran

14.6 and 19.4 in the high and low hurdles to place fourth in his heats (the top three qualify) and Hogan's Mel Wallace was sixth in his high hurdles heat.

Miler Bulech Alexander of Sonoma failed to run up to his 4:20.3 North Coast Section time and did not reach the finals either. Best qualifying time was by Paul Cummings of Righetti (Santa Maria), 4:16.7.

St. Heleas's Brian Smith made it into the finals in the discus with a toss of 169-10 on

Friday. Scott Overton of Los Altos had the day's best mark, 183-3.

The 440 relay team from Hamilton (LA) stopped a meet record Friday with a 41.2 clocking, and hurdler Charles Jackson of Lompoc broke another record with a time of 13.6 in the highs.

In the 100 lows Friday, McKinley Mosley of Bakersfield ran 18.5 for the best clocking, and Glendale's Dwight Stone cleared 7-0 $\frac{1}{2}$ to lead qualifiers in the high jump.
