

# Prep Track Standards Established

**SACRAMENTO** — Ken Duncan of McClatchey High of Sacramento uncorked a national prep record long jump of 26-2¼ to win the Governor's Trophy in the Golden Gate Invitational track and field meet Saturday.

Another national prep standard was set by Harold Schwab of Centereach, N.Y. with 36.3 for the 330 yard intermediate hurdles.

Other meet marks were set by Carl McCullough of Sacramento High, 20.8 in the 220; Allen Misher of Houston, Texas, 13.6 in the 120 yard high hurdles; and Ronald Ray, Newport News, Va., 46.6 for the 440. Ray has a national prep record of 45.8 pending approval.

Charles Romes of Durham, N.C., also set a meet mark of 18.3 for the 180 yard low hurdles on a straightaway. The event is usually contested with a turn.

Bret Mannon of Los Gatos High placed fourth in the shot put at 60-11¼ and sixth in the discus at 156-9, Jim Groover of Branham was fifth in the discus at 168-7, and John Triplett of Branham placed fourth in the triple jump at 48-5¼.

Ron Semkiw of Baldwin High in Pittsburgh, Pa., who has been working out at San Jose State with Al Feuerbach for the past two weeks, won the shot put at 67-3½. He has a best of 70-1¾ for the 12 pound shot to rank as one of four prepsters to ever go over the 70 foot mark.

In an exhibition with the 16 pound shot, Semkiw did 59-1 and Mannon threw 50-9.

## Golden West Invitational

# Last Leap--a Record

By Lance Gilmer  
Examiner Sports Writer

**SACRAMENTO** — On his final jump, McClatchey High's Ken Duncan leaped 26-2¼ to break the national prep long jump record held by Jerry Proctor of Pasadena by nearly two inches yesterday at the Golden West Invitational track meet here at Hughes Stadium.

The 6-1, 175-pound senior was awarded the Governor's Trophy as the meet's outstanding performer for his record jump.

Duncan defeated his nearest competitor, Carl McCullough of Sacramento High, by 11 inches. On his first jump, Duncan leaped 26-8 but fouled by less than an inch.

### Floating

"I stayed up in the air longer on my final jump," said Duncan. "The main thing that I was concentrating on was staying as relaxed as possible. You know, like floating in the air.

"The weather was perfect today and then I had a slight advantage because I know the runway and pit. I only

live about three blocks from here.

"I guess competing before a home crowd and against McCullough helped me too. I really wanted to beat him," he said. Duncan took fourth behind McCullough at the State Meet earlier this month.

"A lot of people think that McCullough and I have a feud or something going but that's not true," said Duncan.

### Records

In addition to Duncan's national record, Harold Schwab of Centerreach, N.Y. set a national mark in the 330 intermediate hurdles. There were three other meet records: in the 120 high hurdles, 220 and 440 yard dashes.

Schwab galloped over the 330 intermediates in 36.3, to smash Kevin Bligh's record by eight tenths of a second. The wiry Easterner grabbed the lead after clearing the last hurdle and out-sprinted runnerup John Rudd (Dayton, Ohio) by three steps.

Allen Misher of Houston, Tex. broke Bob Bornkessel's

1968 high hurdle mark by a tenth, with 13.6. He upset pre-meet favorite Larry Shipp (Wash. D.C.) who ran a weak sixth.

National prep record holder Ray Robinson of Newport News, Va. ran an easy 46.6 in the 440 to shave two tenths off Ron Freeman's 1965 mark. Robinson, who has run a 45.8, beat second place Andy Brown of Opelousa, La., by more than six yards.

But it was McCullough's performance that captured the attention of the partisan crowd. The 5-10, 170 pounder won the 220 in meet record time of 20.8 and took seconds in the long jump and 100 yard dash.

## 5 Yr. Old Girl Karate Victor

**MEMPHIS (Tenn.)** — (AP) — A 5 year old Arizona tot captured first place in form competition in the mini-peewee division Saturday as the sixth annual Grand National Championships of the United States Karate Association got under way here.

Topping both boys and girls in her class was little Zinnia Valenzuela of Superior, Ariz.

Form competition in karate, similar to free exercise in gymnastics, is held at the beginning of tournaments, with actual fighting coming later.

# Farmer Heads SF Prep Track Team

By Lance Gilmer  
Examiner Sports Writer

Wilson High's sophomore sprint sensation, Michael Farmer, today was named to The Examiner all-San Francisco track team in addition to being the unanimous selection for track athlete of the year.

This season the 5-11, 155-pound dashman placed third in the State meet in Oroville, stepped off a 9.5 100 yard dash to set the City record, tied the national 100 yard dash standard for 15-year-olds at 9.5, was defeated only three times this season and led off the Warriors' State winning quartermile relay teams.

### 47.5 Relay Leg

At the West Coast Relays in Fresno this season, Farmer was clocked in 47.5 for the leadoff leg in the mile relay.

Warriors' coach Adam Banks feels that his sprinter will run at least a 9.3 before he graduates.

"Mike needs some work on his starts," said Banks, "but other than that he's got everything going. He's very mature for a 15-year-old and that makes him coachable."

### SI Places 11

Although Wilson and Balboa each placed eight men on the All-San Francisco squad, St. Ignatius led with 11, including its outstanding weightman, Dave Gheradi. Riordan and Lowell each placed a pair while Mission was represented by half-miler Abe Luevanoes.

Gheradi, who was eighth in the State meet shotput despite competing with a fractured throwing hand, had a seasonal best of 62-2½ in the shot and tossed the discus 172-0. The 6-4, 235 pound senior completely dominated the West Catholic Athletic

League as he went undefeated in dual meet competition.

Also named to the team was Balboa's Al Bursleson, who set the City standard in the pole vault with a 14-1 leap. Bursleson, who will attend Washington this fall, cleared 14-6 this year.

### Most Thrilling

"My most thrilling win this year," said the 6-1, 170-pound star, "was when I won the high school division pole vault at Fresno last month with a vault of 14-5."

Wilson's Mike Kirtman, who broke the City record in the 120 high hurdles with a 14.0 timing, holds the national record for 15-year-olds in this event.

Randy Minix of Balboa was the city's most consistent high jumper, clearing 6-4 on all but one occasion. The 6-1, 170 senior is also an excellent horizontal jumper.

# Golden West Spikes Fly Today in Sacto

SACRAMENTO, Calif. (AP) — More than three dozen state high school champions will be competing today when the 13th annual Golden West Invitational Track and Field Meet gets under way here.

The meet will bring together 110 of the nation's finest prep seniors from 27 states and Washington, D.C., plus three runners from Jamaica and one from the Bahamas.

Among the performers will be five athletes who have equalled or bettered national high school records.

Ronald Ray of Newport News, Va., Dale Scott of El Cerrito, Calif., and Alvin Jackson of Providence, R.I. have all bettered existing prep records this year. Ray has run the 440 in 45.8, Scott the 880 in

1:48.4, and Jackson has thrown the 12 pound hammer 220 feet, 2 inches.

Equalling present prep standards have been Robert Lawsons of Toledo, Ohio, who has dashed 100 yards in 9.3, and Allen Mosher of Houston, who has run the 120-yard high hurdles in 13.4.

New marks in the sprints are considered definite possibilities on the lightening fast Hughes Stadium track, where the present world's 100-meter record of 9.9 seconds was set in 1969.

Many of the athletes entered in the Golden West meet are expected to return to Sacramento next month when the United States and Russia stage a junior meet for competitors 19-year-old and younger.
