Examiner News Services

Athletes from California dominated the first International Prep Invitational Track and Field Meet, but the young star who almost single-handedly won the Cal State Championship, Carl McCullough of Sacramento, was not a winner.

While four Californians won individual titles — discuss tosser Scott Overton of Los Altos was among them with a throw of 192-13/4 — McCullough was shunted to second in both his events.

He trailed Bo Scott of Alton, Ill., in the long jump, 25-13/4 to 23-11 1/2, and ran behind Bob Lawson of Toledo, O., in a wind-blown 9.3 century.

Other California winners were: Clovis' Steve Rim, triple jump, 48-13/4; Los Angeles' Jose Amaya, mile, 8:54.5; and Tarzana's Randy Cross, shot put, 63-53/4.

In addition to nullifying Lawson's U.S. record equaling 100-yard race, the strong winds wiped out 13.4 seconds standard-tinge race in

the high hurdles by Allen Misher from Houston, Tex.

Overton Captures Disc Title

Special to the Mercury-News

CHICAGO — Scott Overton's list of accomplishments continues to grow.

The muscular Los Altos senior, who last week became the third Knight discus hurler to win the California Interscholastic Federation track and field title in the event, threw the platter 192-2 Saturday.

The toss garnered Overton another first place, this time in the international Prep Invitational and automatically qualified him to the National AAU Junior Championships, June 23-24, in Lakewood, Colo.

Overton was the only one of five Central Coast Section athletes to win Saturday.

Branham's John Triplett finished fifth in the triple jump, while teammate Jim Groover was seventh in the discus.

Grubbs is final prep of the week

Bob Grubbs, Washington of Fremont's star two-miler, is the Eastbay's final 1972 prep of the week after the Husky runner placed third at last week's State Meet in Oroville.

Grubbs set an all-time Eastbay record with a time of 8:56.1 for the eight laps, finishing third in the state meet. He trailed Santa Ana's Curtis Beck, who set a meet record of 8:52.3 and Merced's Dave Taylor.

The Washington ace picked up all three points the Huskies scored in Oroville.

His time broke by .11 seconds the old mark held by Campolindo's Tom Hale, who went 8:57.2.

Grubbs' lap times as reported by Husky coach Lou Butkin were 64.7, 67.0, 67.3, 66.9, 68.5, 70.5, 66.4 and 64.4.

He moved up in this year's two-mile rankings each month. In March he ran 9:08.3 in the Hill Invitational, cut it

to 9:06.4 at the Sacramento Invitational, went nine minutes flat in the Division One meet and finally to his 8:56.1.

Los Gatos' Bret Mannon must be getting tired of hearing or seeing the number four.

For two straight years, Mannon finished fourth in the CIF meet and that's where he wound up in the shot put again Saturday.

Dave Bush, the only CCS participant to compete in two events, finished third in the high jump and sixth, behind Triplett, in the triple jump.
