

MacMitchell runs 9:15.6 in PA meet

Gordon MacMitchell of Gunn High ran a 9:15.6 two-mile, but his Titan teammates — several of whom did not participate — lost out to Palo Alto 114½ to 104 yesterday in the annual Palo Alto city track meet at Paly.

MacMitchell's clocking is the best in the SPAL — bettering San Carlos' Mitch Kingery's 9:16.9 — and second only to Los Altos' Jeff Norton (9:11.6) in the Central Coast Section. Paly junior Scott Wells 165-1 discus was another SPAL season best.
