NCAA PREDICTIONS

Call it 'home team' bias or what-have-you, we still feel UCLA will win the NCAA in Austin. Granted, the margin will certainly be less than in recent meets, but the Bruins have more good scoring threats than any other squad. We have 11 picked to score and that doesn't include five 'potentials' nor the 440 relay squad (which will not run in Austin) and Kotinek in the javelin(sore elbow).
