 READERS' POLL

One of WCTS annual projects is selection of an All-America dual meet team, determined by a panel of track nuts - experts. This year we invite our readers to send in their choices and we'll compare those choices with our 'official' team. Reader coming closest to total panel selections will receive a year's subscription to WCTS.

Rules are simple: Just send your picks for the top three college athletes in each standard dual event (count 2 and 3 mile as single event). Selection should be based entirely on athlete's record in dual, triangular and quadrangular meets ONLY. For this team, we completely disregard accomplishments in national championships, invitational, relays and other non-dual meets..Be sure to include relay teams, steeplechase and hammer throw.

Your vote should be postmarked no later than September 15. Results will be announce in the issue following the annual Dual Meet Ratings scheduled for early September.
