Heist Hurls Discus 198-8, UTW

Jane Hast threw the discus 193 feet, then 198, then 194 . . and she wasn't satisfied.

Brenda Webb was within nine secodds of the American women's collegite 3 -mile run record . . . She said she didn't run relaxed.

It was one of those days when performances were outstanding in spite of the athletes as UT's women defeated Eastern Kentucky, 92-41, Saturday afternoon at ${ }^{\text {'Tom Black Track. Four }}$ school records fell, including the throw by Haist and the long romp by Webb.

Next for Coach Terry Crawford's UT women will be the women's collegite championships May 20-21 at Los Angeles. Crawford isn't predicting any championship for her team "but they'll know we've been there." Whirteen have qualified for the national event.

Hast's winning throw was 198-8, a Tom Black Track record for women and a school record. It also bettered her pending national collegiate mark but the throw was not measured by steel tape and there was some doubt that it will stand.
"We still have the throw marked," said Crawford. "We're sending for a steel tape to get it measured. We hope that will make it legitimate."

It was only two weeks ago that Hast, a Canadian Olympian, broke the Mount-SAC Relays record set by Olga Connolly, 1956 Olympic champ from Czechoslovakia. Her throw was 186-8.
"None of my throws felt good," said Hoist. "The 198 -footer . . . I let it go low. It didn't feel good, but the wind seemed to pick it up. I can't explain it. I'm happy about the consistency with which I threw, though."

And what is her goal for the AIAW meet?
"I hope to throw better than 200. I'm going to train with my Olympic coach (Jean-Paul Bert) the week before the nationals," she said.

Webb, a tiny distance runner, ran the three miles in 15:50.4 and lapped runnerup Jenny Utz of Eastern. She was only nine seconds off the American mark set by Iowa State's Peg Neppel, winner of last year's nationald when Webb was runnerup.
She thinks the record is within her grasp, maybe at Los Angeles.
"I can run better," she said. "I felt tight most of the race . . . just couldn't

Members of the school-record-breaking 440 relay ( 47.5 seconds) were Kathy Goldstein, Elise Roby, Holly Warlick and Pam Pettus. Erasing the school mark in the two-mile relay ( $9: 11.9$ ) were Lynn Lashley, Betty Shell, Missy Alston and Webb.
"This is the best dual-meet effort we've had as a team," said Crawford, who will take 13 to the nationals. "All the girls performed well." TENNESSEE 9 , EASTERN KENTUCKY ${ }^{41}$
