## COACHING STAFF

**DICK HILL**  
Aztec Head Coach

In his sixth year as head track coach for San Diego State University, Dick Hill has brought to the Aztecs his background of professional success, including coaching athletes to 30 world records and three individual Olympic gold medals.

Hill came to San Diego State in 1973 from Southern University, where he had coached from 1965 to 1969 and in 1971 and 1972. A 1960 alumnus of the school, with a B.S. in physical education, his teams there won five NAIA national titles in three years, and Hill was named National Track Coach of the Year.

Southern won NAIA championships outdoors in 1966, 1967, and 1968, as well as the 1966 and 1967 indoor titles. After a year's leave of absence in 1970 to complete his Ed.D. (doctoral) degree at the State University of New York (Buffalo), Hill returned to Southern, and in 1972, a five-man team placed fifth at the NAIA Nationals.

Hill began his collegiate coaching career at Florida A&M University, where he was head track coach and head basketball coach from 1962 to 1964.

A fine athlete himself, Hill played basketball and competed in track while a student at Southern. After graduation, he entered the University of Buffalo, where he completed his Ed.M. (master's) degree in 1961. While at Buffalo, Hill won the New York State AAU decathlon title with 7250 points in 1962, after finishing second in 1961. He also played on the Western New York AAU champion basketball team both years, and was a member of the New York State National AAU team each season.

Hill's coaching success has been remarkable, to say the least. In addition to the five national titles at Southern, his teams have won seven conference

championships (five at Southern, two at Florida A&M). Since coming to San Diego, Hill has been building the team. In his first three seasons at SDSU, Hill's teams were 5-13 in dual meet competition. The past two years the Aztecs are 16-2 in dual meets, including 9-1 in 1976 and 7-1 last year.

Perhaps even more phenomenal has been his success with individual athletes. At Florida A&M, Hill coached Bob Hayes to world records at 100-yards and 100-meters, as well as to the 1964 Olympic gold medal. At Southern University, Hill coached high hurdlers Willie Davenport, the 1968 Olympic champion, and Rod Milburn, who won the 1972 Olympic gold medal. Both athletes tied and broke numerous indoor and outdoor world records in the hurdles. Also at Southern, members of Hill's teams broke the world records in the 440-yard, 880-yard, and mile relays. For two years at San Diego State, Hill coached Steve Williams, who tied both the 100-yard and 100-meter world records.

Two years ago, Hill's top pupil was Quentin Wheeler. Wheeler won the PCAA Championship in the 400-meter intermediate hurdles and then went on to set a new NCAA Meet record of 48.55 in winning the national title. Wheeler later finished fourth in the Olympics.

**BOB WHEELER**  
Assistant Track Coach

Bob Wheeler, one of the finest milers in United States collegiate history, begins his third year as assistant track and field coach at San Diego State.

Wheeler will be working primarily with the distance runners this season, many of whom were on his Aztec cross country team.

Bob was named District-8 co-Coach of the Year in 1976 for piloting his young Aztec cross country team to the PCAA Title and an eighth place finish in the NCAA Championships in Denton, Texas.

This is Wheeler's first coaching assignment after receiving a bachelors degree in management science and economics at Duke University in 1974.

Bob has had some outstanding personal performances as a distance man with 1972 being a banner year. In that season Wheeler ran 11 consecutive miles or 1500 meter races in times equivalent to a sub-four minute mile and was selected as a member of the United States Olympic team in the 1500 meters.

Wheeler, 23, was a two-time outdoor track and field All-America at Duke as well as All-America indoors in 1971. Bob won the NCAA indoor title in the 1000 in 1971. He was runner-up in the NCAA outdoor mile that season.

Wheeler twice won the Intercollegiate Association of Amateur Athletics in America (IC4A) cross country championship and won Atlantic Coast Conference titles in cross country, indoor and outdoor track nine times.

In high school, Wheeler was All-America in the 880 and mile and is the present record holder in the high school indoor 600-yard run.

He also holds the record for the NCAA indoor 1000-yard run and was a member of the AAU national team in 1971 and 1972.
