

Bayi's Teammate Sets Record

what he gained. And, when Rono surged in the last straightaway, the Tanzanian held off the Kenyan.

Only Emiel Puttemans of Belgium has ever run faster (8:13.2) and he did that on an eight-lap track. Rono came in at 8:18.3, third fastest, while Rose was timed in 8:20.3, fifth fastest.

Evelyn Ashford of UCLA set a women's American record of 6.80 in the 60-yard dash. Her automatic clocking broke the old mark of 6.83 by Deandra Carney of the L.A. Mercuriettes last week. The hand-timed mark is 6.5 set by Wyomia Tyus in 1966.

Clancy Edwards of USC was the surprise winner in the men's 60. It was a surprise because Edwards, the World Cup 200-meter champion, is a slow starter. He won in 6.17 with Steve Williams, World Cup 100-meter titlist, second in 6.20.

"I've been working out all week on the blocks," Edwards said, "but I was still surprised that I jumped out in front."

Arnie Robinson, the 1976 Olympic long jump champion, won his specialty at 26-3/4. He got his winning leap on his last jump—a habit with the veteran competitor.

Robinson represents the San Diego Southeast Ghetto Track Club—of which he's the only member.

In girls competition, Arlise Emerson, who attends Westminster High School, won the 500 in a national high school record time of 1:05.4. She broke the mark of 1:05.5 set by Wendy Knudson of Boulder, Colo., in 1973.

Francie Larriue of the Pacific Coast Club finished strong to win the women's mile in 4:44.9, Ellen Wessinghage of West Germany, wife of miler Thomas, was second in 4:46.2.

"This was my first race in 1 1/2 years," said Ellen, only 4-11 and 95 pounds. "After Montreal (she finished seventh in the 1,500), I had much personal business on my mind."

Like getting married, having a baby and going to law school.
