Pasadena takes third in the State Championship 440 relay, but anchorman, Mike Sanford came back later to win both the 100 and 220 yard dashes.

The 60th Annual California State Meet at Bakersfield Memorial Stadium will go down in history as one of the finest high school meets ever. There were many remarkable performances, but the four new national records set the tone for this the greatest high school meet in America as witnessed by 11,500 spectators.

Banning of Wilmington in the Los Angeles Section with the team of Darryl Davis(49.3), Sam Caesar(48.1), Chris Blaylock(47.4), and Devin Lewis(46.8) set a new national record in the boys mile relay with a sensational 3:11.57 electronic timing, which is rounded up to 3:11.6. The old record of 3:11.8 was set by Spring Branch Memorial, Houston, Texas, on April 1, 1967. It was tied twice by Killian, Miami, Florida on May 10, 1969, and Madison, Houston, Texas on May 1, 1976. The Killian team was anchored by future Olympian Larry Black in 46.2. Rod Bethany of Fontana anchored his team to third place behind Banning with a sizzling split of 45.9. In the qualifying heats, Sacramento ran 3:16.77, but failed to qualify.

Anthony Curran(Crespi, Encino) set a new national pole vault record of 17-5¼. The bar at one end came off the peg it was resting on and came to rest on top of the standard. The commissioner of the C.I.F., Bill Russell, decided to submit it as a national record, as there is no rule in the high school rule book covering this occurrence. The old national record was 16-10 set by Randy Hall (Port Lavaca, Texas) in 1977. Curran's mark is also the best ever by a prep in any competition. Olympian Casey Carrigan(Orting, Washington) vaulted 17-4¾

at the Golden West Invitational on June 14, 1969, in Sacramento. Curran opened at 15-2, missed once at 16-3, then made 16-9 and 17-0½ on his first attempt. His record vault came on his third attempt. He failed to improve when the bar was moved to 17-7. The vaulters encountered a problem with water in the pit. They got soaked everytime they landed.

Ann Regan(Camden, San Jose) broke her own national record of 2:08.0 set at last year's meet with an easy 2:07.93. Ann came through the quarter in 62.8. Linda Goen(North, Bakersfield) was not able to provide the competition she did last year, so Ann had this race to herself. Michelle Bush(Rolling Hills) closed quickly to capture second in 2:10.46.

Kris Costello(Lynbrook, Cupertino), who is going to attend the University of Oregon, tied the national record of Laverne Palmer(Dillard, Ft. Lauderdale) in the girls 110 yard low hurdles with 13.83, while defending her title.

Cheri Williams(Livermore), who is also going to Oregon, set a new state record in the girls two mile run with 10:17.71. She has a pending national record of 10:09.8, which she set in qualifying for the State Meet a week earlier. But in contrast to her lonely race at the North Coast Section, she had the company of Susie Meek(Palos Verdes) this night. Meek led the first four laps in 73, 2:30, 3:49, and 5:08. Then during the fifth lap Williams took command with splits of 6:27, 7:49, and 9:09. The old state record was set last year by Roxanne Bier(Independence, San Jose) in 10:37.7. Bier finished third in 10:44, while Meek also broke the old mark with a fine 10:23.54.

Williams came back to set another state record in the girls mile run—4:44.95. It broke the old record of 4:47.8 set by Linda Goen(North, Bakersfield) in the 1977 state meet. Williams'

mile is the second fastest in the United States in 1978. Cheryl Flowers(Valhalla, El Cahon) led the first two laps in 69.3 and 2:24.6. Then Williams took over the third lap in 3:40.1. Susie Meek was again second in 4:49.65.

Fremont(Los Angeles) with the team of Joanna Harper(57.5), Vanessa Frazier(58.5), Brenda Cole(58.6), and Glenda Beshears(56.7) set a new state record in the girls mile relay at 3:51.29. Crawford(San Diego) at 3:51.93, also went under the old standard of 3:52.1 set by Locke(Los Angeles) last year. The fastest split of 55.8 was recorded by Valerie Brisco(Locke) in anchoring her team to a 5th place finish. The pre-meet favorite Berkeley failed to qualify.

Sophomore Sue McNeal(Carlsbad) set a new state record in the girls high jump with 5-10¼. The old record(5-10) was set by Kari Gosswiller(Upland) in 1976. McNeal's jump was equal to the 4th best jump of all time.

Arlise Emerson(Westminister) set a new state record of 54.3 in the girls 440 yard dash. Emerson also broke the old record in the heats. Valerie Brisco, the favorite from Locke, went out too fast and faded in the stretch.

Jordan of Los Angeles was the upset winner in the girls 440 relay. Crawford(San Diego) dropped the baton at the second exchange, which was the same location that pre-meet favorite Berkeley dropped theirs in the trials.

El Cerrito upset Gardena in the boys 440 yard relay despite starting in lane 9. It was a pleasant surprise as El Cerrito didn't have a sprint superstar, but good coaching and a positive attitude pulled it off.

Dave Mack (Locke, L.A.) a last minute substitution in the 880 led from start to finish. His first quarter was 53.8. The pre-meet favorite, Mike White (Richmond) started too slowly and only finished fourth, after being third last

year. Big surprise was fast improving sophomore Pete Quinones(Tulare Union) who pulled in second.

Kelia Bolton(Andrew Hill, San Jose) dominated the girls sprints and led her team to the girls championship. She is going to Cal Berkeley, and is interested in studying law. Freida Cobbs(Berkeley) didn't qualify for the finals of the 100 because five of the top nine girls were placed in the third heat. The electronic times were not converted to hand times when the heat assignments were made.

Dokie Williams(El Camino, Ocean-side) led his team to the boys title with his victories in the triple jump(50-4¼) and long jump(25-1¼).

Giant Dave Porath(Atwater), who is going to Cal Berkeley, doubled in the discus(199-5) and shot put(65-10¾) as expected. His Brian Oldfield spin technique in the shot put has proven very effective.

Junior Mike Sanford of Pasadena doubled in the 100 and 220 despite experiencing some leg difficulties in the stretch of the 220.

Milan Stewart(West Covina) upset Philip Johnson(Gardena) in the 120 highs, as Philip hit the first hurdle.

Junior Jeff Nelson(Burbank) out-kicked veteran internationalist Rod Berry (Redwood, Larkspur), who wore his USA sweats to the meet. Carmelo Rios (Lennox) led the first lap in 67.4. Nelson took over the second lap in 2:15.4. Junior Tom Downs(Skyline, Oakland) led the third lap in 3:23.9. Nelson hit the mile in 4:32.7 and the 1¼ in 5:41.4. Then Berry challenged at 1½ miles in 6:49.3 and 1¾ in 7:56.3, with Nelson on his shoulder. It was reminiscent of the super battle between Eric Hulst and Ralph Serna in San Diego during the 1975 meet.

Junior Bill Green(Cubberley, Palo Also) ran away from a fine 440 field in 46.77. He looks like a great prospect.

However, he did have difficulty in the 220 finishing ninth with insufficient rest (less than 20 minutes). The meet officials should allow more time between the 440 and 220.

Gary Lee (Poly, Long Beach) came from nowhere to surprise the 330 low hurdle field in 36.58. Willie Curran (Crespi, Encino) failed to qualify for the final.

Paul Medvin (University, Los Angeles) ran a fine 4:08.91 to win the mile. Most of the runners showed the strain of running so fast the night before in the fastest qualifying ever. Burt Shirley (Notre Dame) was the fastest non-qualifier in state meet history at 4:11.26.

National

By KEITH PETERS

To the casual track and field observer, Bill Green and Anthony Curran have little or nothing in common.

In fact, prior to today, Green had never heard of Curran.

Green is a junior and attends Cubberley High. Curran is a senior and attends Crespi High in Encino. Green is a sprinter and Curran is a pole vaulter. But here any dissimilarity ends.

Both athletes, who have never formally met, will be in Bakersfield this weekend for the 60th annual California Interscholastic Federation (CIF) state meet. And both are national leaders in their respective events heading into today's trials.

Curran tops the nation in the pole vault with a mark of 17-4¼—the national record—and is the overwhelming favorite for the gold medal in Saturday's finals.

Green, currently the hottest track talent in the Central Coast Section, is the country's No. 1 prep quartermiler with his sizzling 47.0.

Both will carry that extra pressure with them into the meet. Or will they?

"I don't think there's any extra pressure," says the unflappable Green, who likes the idea of being the nation's fastest prep quartermiler.

Green has perhaps the best chance of any Midpeninsula athlete of winning a gold medal. Rod Bethany of Fontana High, who finished third in last year's state meet with a 47.9, appears to be Green's stiffest competition with a 1978 best of 47.31.

After that, the challenge could be from Region II competitors Art Nicholson of Menlo-Atherton (47.9) and Tony Thompson of Woodside (48.0) or Mike White of Richmond (48.1).

At stake, along with the gold medal, is the meet record of 46.6 held by James Sanford of USC and Larence Jones—a current member of the San Francisco 49ers.

While Green stands a good chance at a gold in the 440 and a decent chance at a medal in the 220 where he brings a best of 21.4, he's not the only CCS athlete with that opportunity.

Carlos Carrasco of Mt. Pleasant is the state leader in the two mile with a best of 9:02.6 and could win since defending champion Frank Assumma of Eisenhower High in Rialto qualified only in the mile. Assumma's brother, Chuck, will miss the competition altogether with a stress fracture.

Kobert Smith of Awalt has dropped seven seconds in the mile this year, from a 4:19.9 early in the year to his current best of 4:12.0, but is still three seconds behind Dave Bahara of Hart High in Newhall who is the state leader and co-national leader at 4:09.4.

CCS pole vault entrants Bert Tardieu of Del Mar (16-1¾), Ross McAlexander of Monta Vista (15-6½) and Mitch Preciado of Homestead (15-6) stand chances for medals, as long as they don't mind silver or bronze while Steve Struble of Sunnyvale is miles away from a gold but could still pick up a second or third in the discus if he can duplicate his best of 185-1.

Dave Porath of Atwater appears a likely winner in both the discus and shot put with state bests of 206-6 and 64-10, respectively.

Steve Bruce of Menlo-Atherton is among the state leaders in the long jump with a 23-8½ best, but Gary Butler of Fremont High of Los Angeles has gone 25-4.

Steve Guthrie of Cupertino and Malcolm Dixon of Sequoia have the unenviable task of challenging defending state champion Phil Johnson of Gardena in the 120-yard high hurdles. Johnson won last year with a 13.66 time and has the hand-held equivalent of a 13.4 this season.

Other Region II competitors in today's trials, which begin at 4 p.m., are Fred Grolle of Los Altos in the long and triple jumps, Al Zoppi of Wilcox in the triple jump, Bob Love of Carlmont in the two mile, Matt Bailey of Buchser in the 880, Mesha Spivey of Woodside in the high jump, Stan Beal of San Carlos in the 100 and 220, Frank Oravillo of Sequoia in the 100 and Dave Avila of Cupertino in the mile.

Cubberley also has entered its 440 relay team, as does Carlmont, while San Carlos sends its 3:20.8 mile relay squad.

Among the top competitors in the girls' division from the Midpeninsula are Kerry Brogan of Los

Costello leap

Vike girl ties national record in low hurdles

By BRIAN HOEY

DEFENDING champion Kris Costello of Lynbrook set a state record and tied the national standard while winning the 110 low hurdles at the 60th annual CIF State Track and Field Championships Saturday in Bakersfield.

Costello's performance highlighted De Anza League efforts, which saw nine of 14 area athletes qualify during Friday's preliminaries for the next day's finals.

The senior Viking, third at CCS while favoring torn cartilage in one knee, blazed an electronically timed 13.83 in a race that produced the three top clockings in the nation for 1978. The mark was rounded off to equal the national record of 13.8.

"I WAS REALLY nervous at the start of the race," said Costello, who has accepted a full-ride scholarship to the University of Oregon in Eugene and plans to major in pre-med.

"Kim (Costello of El Camino, South San Francisco) had a faster time going into it, and I was never really sure whether my knee would hold up or start ripping. Plus, the fact that I put pressure on myself, since I was the defending champion."

Lynbrook also entered freshmen CCS queens Tracy Weber in the mile and Kristy Campbell in the long jump. Neither made the finals as Weber ran 5:03.3 for eighth in her heat while Campbell leaped 17-2½ for 19th overall.

CUPERTINO TOOK down its largest group of individuals ever and had Steve Guthrie place fifth in the 120 high hurdles and first-ever female Pioneer qualifier Karen Woodbeck take sixth in the discus.

Guthrie, the DAL, Region II and CCS gold medalist, brought the crowd to its feet with his second-place finish in Friday's heats. Hitting all 10 hurdles and knocking down eight, he slammed into the last barrier badly, forcing him to remain on two feet by pushing off the all-weather Tartan surface with one hand.

Staggering toward the tape, he threw himself across the finish line sideways, landing in a heap just over the stripe.

"I caught my trail leg on the last one and just tried to stay up," explained Guthrie, who stopped the watches at 14.46. "I didn't even know how far away the finish was. I just tried to stay up."

The Pioneer senior came back the next day to place fifth in 14.64, becoming one of a small handful of CCS hurdlers ever to make the state finals.

WOODBEEK, ONLY a junior, has been surprising coaches and competitors alike ever since the league meet, where she broke her foot after a winning toss. Since then, she has limped through the region and section meets on crutches, throwing with her foot heavily taped.

She was also on crutches during the state meet where she qualified eighth in Friday's prelims at 123-2, then came back the next day to place sixth with a 122-9 effort.

"The pain is not really a factor," said the 5-10 blonde, who gutted out the post-season meets this year after a disappointing sophomore campaign in which she placed sixth in the CCS after entering with the second-ranked throw, thus missing the state meet.

"It only hurts just when I release it. The doctors say it'll take about six weeks to heal."

Cupertino girls' coach Chuck Bean added, "Karen's key was her consistency, even if it was on a bad foot. She kept getting out to the same distance when everyone around her was choking because of the pressure."

PIONEER SENIOR Steve Finley, CCS runner-up in the long jump, placed 19th overall with a leap of 22-2¾ in the prelims. Junior miler Dave Avila, also a second-placer in the section, did not run due to personal problems.

Probably the toughest event DAL representatives entered was the pole vault.

The names and heights were awesome; Steve Tully from Millikan, brother of UCLA's world recordholder Mike, and phenomena Anthony Curran of Crespi-Encino, who set the national high school record of 17-4¼ this year.

COMPETING IN this, one of the finest high school vault fields ever assembled, were Homestead's Mitch Preciado and Monta Mista's Ross McAlexander.

Both had trouble with a fluctuating wind in the stadium, to the extent that Preciado barely made his opening height of 13-9 with a third attempt clearance. The duo qualified with efforts of 14-3, however, to advance it into the 12-man finals.

On Saturday the wind conditions were the same, constantly alternating between a headwind and tailwind. McAlexander had a moderate clearance at 14-8, then popped a screamer over 15-2 with a 15-inch clearance, and it appeared that a 16-footer might be on the way.

The gusting wind, though, had other ideas, forcing him to pull short on his first trial at 15-6, then run under the bar on his second attempt. On his final try, McAlexander planted and was in the air, but the pair of aborted attempts had taken their toll and dulled his technique enough to miss. He placed seventh behind Tully.

PRECIADO, in the meantime, was "giving me ulcers," according to Mustang mentor Rick Milam. Of the 15 possible attempts the Homestead senior had at five different heights, he used 12, clearing three heights on his third and final trial.

The result of this hair-tearing effort culminated when Preciado writhed over 15-6 for a lifetime best by half a foot and fifth place.

"The biggest problem was the wind," he remarked. "It was circular. On every other vault it'd be a headwind, and every other vault would be a tailwind. That killed a lot of attempts."

"At the beginning of this year I wanted to place in the top 10 in the state. I didn't have the trouble I had with my back this season like I did last year, and that made a big difference."

The pair then sat back and watched Curran set another national record at 17-5¼, adding the senior class mark to his other class records of 14-8¾ as a freshman, 15-9¼ as a soph and 16-4¼ as a junior. The record may be disallowed for the UCLA-bound Curran, however, as the bar flipped up off one peg and onto the top of the standard.

THE DAL ALSO sent Steve Struble of Sunnyvale in the discus. The senior qualified fourth in the prelims at 175-11, but threw three straight fouls in the finals to finish unplaced. His Friday mark would have tied him for second place overall.

2 Southland Girls Set Marks

BY JACK HAWN
Times Staff Writer

BAKERSFIELD—Two Southland girls set meet records, but the heavily favored Berkeley girls fell out of contention with major breakdowns on Friday's qualifying for the 60th annual CIF State Track and Field Championships at Bakersfield College.

Christi Pyle of Glendale Hoover tossed the discus 154 feet, 6 inches, breaking the State mark of 137-8 set last year by Karen Stempfli of Lassen High in Susanville.

Westminster's Arline Emerson also got into the record book when she ran the 440 third heat in 54.66 in the third heat. Minutes earlier, Crenshaw's Gwen Gardner had erased last year's

mark of 55.14 when she was clocked at 55.01.

The boys' mile relay provided more excitement for the crowd of about 8,000. Banning set another state record in the first heat with a time of 3:12.8, breaking the 1971 mark of 3:13.2 by Castlemont High of Oakland.

In the second heat, Fontana's Rod Bethany, headed for USC in the fall, flashed to a 46.2 on the anchor leg.

The second heat of the boys' mile may have been the most thrilling finish but also the most disappointing for Notre Dame's Burt Shirley. He finished sixth at 4:11.26 and failed to qualify. Robert Smith of Awalt in Mountain View, only a few steps in front of Shirley, won in 4:10.83.

Berkeley encountered problems when its girls' 440 relay team failed to qualify. The baton was dropped on the second exchange, from Carolyn Ruff to Kim White. Berkeley and Crawford of San Diego, winner of its heat, had been cofavored.

The Berkeley girls also failed to gain tonight's finals in the 100, 440 and mile relay, which they had dominated.

Another state leader, Willie Curran of Crespi, was a non-qualifier in the 330 low hurdles, running fourth.

Cary Hardwick of Long Beach Wilson, expected to finish no worse than third, was fifth and eliminated as well.

Times generally were good considering most sprinters and hurdlers were bucking a 4- to 9-m.p.h. wind.

California State

Bakersfield, June 2-3 /from Jack Shepard/- Like Mike Tully, Anthony Curran doesn't know whether he has a record or not. Acceptance of Curran's 17-5½ at the California State meet is in doubt, although that mark and another for-sure record were the best performances.

Curran left Greg Ernst at 16-3, then cleared 16-9 and 17-½ on first attempts. Then, after missing twice, and waiting while an errant discus plopped into the pit, Curran made his controversial clearance.

He hit the crossbar, popping it into the air. Amazingly, it didn't fall, one end landing back on the pegs, the other on top of the standards (an inch higher).

High School Federation rules don't explicitly call this a miss, while the IAAF rules do.

Officials replaced the bar and remeasured it, giving him credit for the 17-5½. The Federation records committee will rule on the mark at its summer meeting.

Curran then missed at 17-7. We do have to give him credit for a 17-footer at 17-½. That gives him a career total of 4, the most ever.

There is no question about the other record, however, as Banning (Wilmington) broke a 3-way national record deadlock in the 4 x 440. Darryl Davis (49.3), Sam Caesar (48.1), Chris Blaylock (47.4) and Devin Lewis (46.8) took 0.2 from the old mark with their 3:11.6 aggregate.

The heats had been vicious, as Banning blazed a nation-leading 3:12.8, while a 3:16.8 and two 3:17.2s didn't make it to the final.

The mile featured an equally-wicked qualifying session, junior Burt Shirley not making it to the final despite clocking a 4:11.3.

In the final, Mark Fricker set a wicked 2:04.6 pace but couldn't withstand the finishing bursts of Paul Medvin and Frank Assumma, Medvin getting the nod by 0.3 with his 4:08.9. Medvin, as is the winner of every race but the highs, is a junior.

Pasadena's Mike Sanford, whose brother James was a dominant force here last year, scored an easy sprint double (9.85/21.42), hampered by a moderate headwind.

Underrated Milan Stewart upset Phillip Johnson in the highs at 13.97 as Johnson blasted the first barrier and lost a shoe and a sock at the ninth.

Bill Green took the 440 in 46.77 as Rod Bethany was hampered by an outside-lane draw, although he closed fast for 2nd in 46.93. The USC-bound Bethany later added a blistering 45.9 relay leg.

Dave Porath became the first to record a weight double since the discus was added to the meet 19 years ago, throwing 65-10¾ and 199-5.

Cheri Williams was the standout on the women's side, using a strong kick to win both the

mile (4:45.0) and 2M (10:17.7).

Also winning a double was Kalia Bolton (10.92, 23.99), as early-season star Valerie Brisco broke down under a rigorous schedule which included the 100, 220, 440 and 4 x 440.

Pole Vault Record Takes a Funny Bounce for Curran

BY JACK HAWN
Times Staff Writer

BAKERSFIELD—Anthony Curran, Crespi High's record-setting pole vaulter, had missed twice at 17 feet 5¼ inches in Saturday night's 60th annual CIF state track and field championships at Bakersfield College's Memorial Stadium.

As he prepared for his third attempt, an errantly thrown discus sailed into the vault pit. He backed off, regained his composure, then started down the ramp.

Curran apparently cleared the bar, but it quivered, bounced off the pins and came to rest atop the standard, two inches higher.

A national high school record? Maybe.

Curran, who holds the National Federation mark of 17-4¼ and the CIF record of 17-1, may have erased Casey Carrigan's 1969 all-time prep best of 17-4¾, but it will be more than a week before an official ruling is announced.

Meanwhile, Dokie Williams led El Camino High of Oceanside to the boys' title with 16 points by winning the long jump and triple jump and finishing fourth in the 100.

Andrew Hill of San Jose won the girls' title.

It was a perfect night for running, with little wind and mild temperature. The crowd was estimated at 10,000.

Curran Sets a Record—Maybe

Continued from First Page

In the boys' competition, Banning set a national record in the mile relay (3:11.6); El Cerrito upset Gardena and Pasadena in the 440 relays; junior David Mack of Locke won the 880 in 1:51.8, defeating favored Mike White of Richmond, who finished fourth, and Milan Stewart of West Covina won the 120 high hurdles in 13:97, upsetting defending champion Philip Johnson of Gardena.

Johnson hit the first hurdle, then lost his shoe and sock going over the ninth hurdle.

Another upset occurred in the boys' 2-mile as junior Jeff Nelson of Burbank outspurred Rod Berry of Redwood (Larkspur). Berry was second last year. This year's favorite, Carlos Carrasco of Mount Pleasant, finished 19th.

Highlights of the girls' events included Cheri Williams' meet records in the mile (4:45.0) and two-mile (10:17.7). Williams, of Livermore, was pressed by Palos Verdes' Susie Meek, who was second in both races.

L.A. Jordan scored an upset victory in the 440 relay (47:14) as favored Crawford of San Diego dropped the baton.

A lowlight: the failure of Locke's Valerie Brisco in her bid for three individual wins. She ran fifth in the 100, third in the 440 and withdrew from the 220.

But the most dramatic moment of the meet was when Curran vaulted 17-5/4 and the bar bounced up.

"I've been in track and field for 28 years, and I've never seen the bar sit like that before," said Bill Russell, executive secretary of the CIF.

Russell said a 14-member board will rule on Curran's vault at the national high school committee meeting June 12-13 in Elgin, Ill.

"I'm not optimistic," Russell said. "The National Federation Track and Field Record Book says, 'It shall count as an unsuccessful trial when the crossbar is displaced by the body or the pole,' but it doesn't say displaced from what."

Curran, who broke his brother Tim's 1973 state record of 16-2 3/4, is optimistic.

"I'm pretty sure they're going to count it," he said. "If God wants me to have it as a record, then I will. If not, then that's the way it was meant to be."

Curran, who will attend UCLA this fall, said after missing once at 16-3, "I'm not too excited about this meet. I don't feel that well."

He then cleared 16-3 on his second try, 16-9, 17-0 1/4 and apparently 17-5 3/4 before three unsuccessful vaults at 17-7.

RUNNING REVIEW®

SAN FRANCISCO SECTION (May 20, McAtteer H.S.): - Galileo's Bernard won both sprints in wind-aided 9.6 and 21.9 efforts, and his 440 relay team, who had the fifth best time in the state, made a couple of bad baton exchanges and lost to Balboa, which won in 43.4. The Bucs also took the mile relay. Peter Crossley ran the final lap despite a severe spike wound that was inflicted as he received the baton. One performer who wasn't entirely satisfied, despite winning two events, was Lincoln's Bill Stapleton. "My body's been lagging," he said. "I've gained five pounds. I'm not sure if that's it or not, but I'm going on a diet." Stapleton took the 440 in 50.1 and the 330 hurdles in 38.7, but had to fight a stiff headwind on the backstretch in both races. Only other double winner was Roy Abendroth of Lowell in the shot (58-4) and discus (165-2). In the triple jump, Lincoln's Marcellus Moore bettered his own All-City record by 3/4 of an inch with a 47-9 leap. Soph Johnny Williams of Wilson upset Eric Ferman of Lincoln, the West Coast Relays champion, by 1 1/4 inches in the long jump with a 22-10 3/4.

OAKLAND SECTION (May 26, Laney College): - Greg Valdez fell a bit short of the OAL mile record in winning the mile at 4:20.0. Wendle McNeal, Dino Lester and Derrick Adams finished 1-2-3 in both the 100 and 220 for Oakland, with McNeal's 9.6 tying a long-standing OAL record, first set by the great Jimmy Hines in 1964. Soph Vince Wilkens (Oakland) shaved a tenth off his personal best in the 440 with a 49.6 and completed a great double by taking the half in 1:58.6. Tech's Roger Bolden also scored a double, taking the highs in 14.2 and the lows in a brisk 37.2. McClymond's Sandra Turner pulled off the biggest upset of the day in the girls' 100 by clocking 10.9 to equal the OAL standard set in 1976.

Mike White (center) races to an exciting 1:51.9 second-place finish at the Golden West Invit. On his left is Richard Winkelhoch (winner in 1:51.8) of St. Louis. John Schaer of Crescent Valley, Oregon, was third in 1:51.9). /Keith Conning/

GOLDEN WEST INVITATIONAL (June 10, Sacramento): - Dave Porath set a new high school record in the discus--209'6". His throw broke the old record set by Scott Crowell (Mason City, Iowa), who finished fifth in this competition. Porath was also fourth in the shot at 63-9 1/2 and third with the 16# ball at 55-0. Mike White of Richmond was involved in the most exciting finish of the night as he place second in the 880 in a season-best 1:51.9. Lonnie Sanders (Grant) captured third in the TJ with a fine leap of 49-6. Three area athletes competed in the mile: Mike O'Reilly of San Rafael was fourth in 4:09.8; Dan Will (Encina) sixth in 4:15.9; and Greg Bachand (Albany) was 4:21.5. Larry Cowling attempted the 440 hurdles for the first time and ran a respectable 53.81 for fourth. Not far back was San Carlos' Rich Luttrell in 6th (54.42). Other top locals: 220: 5-Washington/Bbk 21.97; 440: 7-Grant/Grant 49.29; HH: 8-Valentine/Cord 14.41; PV: 6-Tardieu/DM 15-0.

INTERNATIONAL PREP INVIT. (June 17, Naperville, Ill.) - Rod Berry won the 2-mile in 9:12.7, as Tom Graves, a local sub-nine minute runner, was in the stands trying to keep cool in the heat.

(Left) Mike O'Reilly broke 4:10 in the mile at the GWI with a 4:09.8 for fourth. (Right) Dan Will & Greg Bachand in same race. /K. Conning/

(Internat'l Prep, cont'd)...Dave Porath continued his dominance of the high school discus with a 195-8 heave. He also placed second in the shot with a 63-5 1/2. Mike O'Reilly grabbed a sixth in the mile (4:14.2), which was won by Jim Spivey (Bensenville, Ill.) in 4:06.2. Mike White (Richmond) was a distant ninth in the half-mile. Marks were hampered somewhat during the day by a stiff 10-15 mph breeze.

AAU CHAMPIONSHIPS (June 8-10, Westwood): - The San Jose Cinder-gals, paced by three high school girls, won the 4x880 relay in a quick 8:41.3. Ann Regan led off with a 2:06.8, followed by Diane Figliomeni's 2:13.9, Ann Wotherspoon's 2:14.8 (the only non-high schooler on the team) and Cheri Williams' 2:06.3. Roxanne Bier set a new high school record in the 10,000 with her fifth place 34:54.8; she's now the tenth best performer in U.S. history. Kelia Bolton placed sixth in the 200 with a fine 24.13, however, she did a 23.75 in the semis. Freida Cobbs was seventh in the 100 (11.87), as she upset Bolton in the heats to advance to the finals. Elaine Parker ran 11.78 in her heat but was not able to qualify.

AAU JR. NATIONALS (June 24-25, Bloomington, Ind.): - Four Nor-Cal high school girls qualified for the national junior team that went to the Soviet Union and West Germany this summer: Freida Cobbs (won the 200 and 400 with times of 24.02 and 53.12); Ann Regan (finished 2nd in the 800 at 2:05.3); Cheri Williams (won the 1500 in 4:21.3 to become the 8th best performer all-time in high school); and Leslie Deniz (who placed second in the discus with a 150-9). Kelia Bolton narrowly missed the team as she was third in the 200 in 24.22, only 0.03 behind second place. She also finished eighth in the 100 in 12.29. Marilyn Franklin (Balboa) finished fourth in the 400 at 53.56 to become the 11th best performer all-time, while Cobbs takes over the 7th spot. Roxanne Bier finished tenth in the 1500 at 4:49.1 after running a PR 4:29.4 in her heat. Michelle Hawthorne was fourth in the 100 hurdles in 14.21, while Kim Costello was next at 14.28. Kris Costello, the State Meet champ, managed only eighth (14.66). Tonya Alston placed 11th in the high jump at 5-8. Others: LJ: 19-Dawn Peters/NG 18-1; SP: 9-Pryor/HN 42-11; 400mR: 1-BEBC 45.92; 4x800mR: 1-SJC 8:55.2; SMR: 2-BEBC 1:41.5. --- In the men's part of the meet, Rod Berry (WVTC/Redwood) ran in the 10,000m pack until halfway when he and Chuck Assumma broke away to a 60-yard lead. Then he started to dehydrate and got so dizzy that he was tripping over the curb and barely finished (7th in 32:53.8)...seven runners didn't!! Dave Porath was a big disappointment as he placed only fifth in the discus (163-9) and fourth in the shot (54-8).

Lauderdale) in the 110 low hurdles with 13.83 while defending her title. Cheri Williams, who's headed to Oregon also, set a State record in both the mile (4:44.95) and 2-mile (10:17.71), but has a pending 10:09.8 in the latter.

1978 NorCal Prep Rankings

The 1978 NorCal Prep Rankings are based on performances at the section meets and State Meet primarily. Compiled by Keith Conning (our Prep Editor), we go five-deep this year (only three-deep last year). DAVE PORATH and KELIA BOLTON are our "Athletes of the Year" for 1978. Both were double winners at State (Porath in the shot and discus and Bolton in both the sprints). Abbreviations: since our rankings will take several pages, we are using the following coding system to cut down on unnecessary space: Year in school is indicated by asterisks--***=Freshman, **=Sophomore, *=Junior. Metric marks are indicated with an "m", and all wind-aided times and distances with the normal "w". The following system of abbreviations are used to identify various meets: NCS=North Coast Section; CCS=Central Coast Section; SAC=Sac-Joaquin Section; SF=San Francisco Section; OAL=Oakland Section; NOR=Northern Section; GWI=Golden West Invitational; IPI=International Prep Invitational; S=State Meet; SH=State Meet Heat; STR=State Meet Trials; WCR=West Coast Relays; SJR=San Jose Relays; HRR=Hale Roach Relays; SI=Sac'to Invit.; LWV=Leigh-West Valley Relays. --- Our next issue will feature 10-deep listings (performance) for the season and will include marks from summer meets.

Thomas Excels

BAKERSFIELD — Hanford High's Ken Thomas' aim is to be the state's best among sprinters and he did his best as far as placings go with a first place finish in his 100-yard dash heat Friday at the California Track and Field Championships.

Relying on a quick start, Thomas was off to a 9.93 100 clocking in gaining the valley's only first place finish Friday. It leaves Thomas, one of the clear finals favorites, in a position where he'll go up against Pasadena's Mike Sanford, who won his heat in a hand-timed 9.5 (equal to Thomas' valley-winning time last week).

The finals will be at 5 p.m.

Thomas was also fourth in his 220 heat, clocking the best of all valley runners at 21.97.

The season concluded for Lemoore athletes, none of which advanced to the finals.

Tiger high jumper Keith Neal was one of the best from the valley with a 6-4 leap. Lemoore's 440 relay squad placed seventh in its heat at 42.82. Kurt Strain (440), Gary Cleaves (330 low hurdles) and Jon Covington (mile) placed eighth, ninth and 11th, respectively in their heats. Strain and Covington had no time and Cleaves' was 39.2.

In the girls competition, Debra Jones of Riverdale was the valley's best representative with a 5-4 high jump. She qualified for the finals while Lemoore's Tammy Feese did not. Feese leaped 5-2.

Galileo's Benard gains state 100 final

By King Thompson
Examiner Staff Writer

SACRAMENTO — Galileo High sprinter Walt Benard thought he did "all right," his coach, George White, wasn't so sure.

But an coach can be too optimistic when one of his athletes qualifies for the final of the state high school track and field meet. And that Benard did, on a day when only two other San Francisco athletes could do likewise.

Benard placed third in the 100-yard dash at Sacramento College, which isn't too bad in matters you look at it. White thought, however, that Benard should have won the heat.

"He had both those guys beat easily," White said, referring to Ken Thomas of Oakland High and Vince Turreson of Carleton. "He had a lowered lead and then it looked like he started slipping. I've got to find him and see what he thought he was doing."

About the only thing Benard had to say about his race was that it was "all right." He was asked if he thought it was as good an effort as he's had this year.

"Probably," said Benard, who rarely uses two words when one will do.

Besides Benard, the only athletes from The City to qualify for tonight's finals were Lauren's Bill Stapleton in the 200 low hurdles and St. Ignace' Bruce Parker in the shot put.

Stapleton, who placed fourth in the event in last year's state meet, placed second in 27.27 yesterday and didn't appear to be creating particularly.

"I could have run harder down the back stretch," Stapleton said. "On the turn I noticed I was about third or fourth and said, 'This is my last time. I'd better push it.'"

He had enough stamina left, even though he had tried and failed to qualify in the 400 earlier.

Running the 400, he said, actually helps him prepare for the hurdles.

"It loosens me up," he said. "I have a tight body structure and I need a good workout to loosen me up."

Parker's 600 effort in the shot put qualified him in 27th position behind a leading 64.5 ft by Dave Forch of Greater Fremont. Forch was also the leading qualifier in the event with a toss of 206.25.

Among unqualifying athletes from S.F., Peter Crowley of Sutter and Marvella Moore came closest to making the finals. Crowley was fourth in his heat of the 120 high hurdles (top three qualify) and Moore missed the top six in the triple jump by 2½ inches but with a leap of 47 1/2.

Overall, highlight of meet is the boys' competition was the 212.2 clocking in the mile relay by Housing of Los Angeles. That is a state meet record that old mark was 2:12.2 set by Castleton in 1971.

and is the best in the nation this year.

As his brother did last year, Michael Stanford of Pasadena may dominate the sprint. His 100 time of 9.3 by hand was easily the fastest of the day, and he also had the best time in the three 200 heats with 21.48.

NOTES: Unqualifying performances by other S.F. athletes: Ray Manowitz of Lowell 28-47 in the shot, Alexander 100-10 in the shot, John Williams of Wilson 21-11 in the long jump, Galileo 43.8 in the 100-meter, Sutter 2:24.2 in the mile, Mike Wood of Morgan 1:49.8 in the 200, Stephen 20.2 in the 400, Benard 22.29 in the 200, and Eric MacPhail of Lowell no time in the mile. . . . In the girls' competition, Berkeley probably had its chance at a state meet title when it dropped the baton in the 400 relay. Franca Cohen also didn't qualify in the 100, although she was fast (6.9) in the 200. . . . The event was postponed at 7,000 when temperatures in the high 80s and 90s soared.

Fifteen local athletes reach finals

BAKERSFIELD— A dozen boys and three girls from the Midpeninsula will compete here tonight in the state high school track and field championships.

The area's best hopes for gold medals are Kobert Smith of Awalt in the mile, Bill Green of Cubberley in the 440, and Kris Costello of Lynbrook in the girls' 110 hurdles.

Smith led all milers in Friday's qualifying heats with a time of 4:10.83. Four other finalists made it within one-half second of Smith. Green, who clocked the fastest

time in the nation in the 440 last week, won his heat in 48.11. Rod Bethany of Fontana set the best mark of the trials, running 47.91.

Also joining Green in the finals will be Tony Thompson of Woodside, who finished second in his heat in 48.32, and Art Nicholson (Menlo-Atherton), third in 48.89.

Green's record time stands at 47.0.

"I'm ready for it," said Green of tonight's final.

Green said he saved something for the 220 qualifying, and the

strategy worked well, as he finished second in his heat at 21.81 to become the only double-qualifier among area entrants.

The only thing that could slow Green down short of quicksand could be a nerve injury in his hip.

"The hip is starting to bother me a little now," he said. "Sometimes it becomes really intense, other times it's nagging. Right now it's nagging."

Nothing nagged Costello, who will defend her state title in the hurdles. She won her heat in 14.29.

Other girls in the finals are Diane Figliomini of Saratoga, who finished second in her heat of the 880 at 2:13.5, and Kerry Brogan of Los Altos in the two mile.

The boys finalists include Malcom Dixon (Sequoia) and Steve Guthrie (Cupertino) in the 120 high hurdles; Mitch Preciado (Homestead) and Ross McAlexander (Monta Vista) in the pole vault; Steve Struble (Sunnyvale) in the discus; Rick Luttrell (San Carlos) in the 330 low hurdles; and Bob Love (Carlmont) in the two mile.

Costello races to stat

By MIKE NOLAN
Times Sports Writer

BAKERSFIELD—While national records tumbled in glamour events—the pole vault and mile relay—Woodside High's Tony Thompson and Lynbrook's Kris Costello also enjoyed genuine distinction in the 60th annual state track and field finals.

On the surface, Thompson's fifth in the 440 in 48.08 behind winner Bill Green of Cubberley seems only like an excellent Northern California effort in a traditionally Southern California-dominated event.

But by placing in the state meet Saturday night at Bakersfield College, Tony T became the first athlete in the 13-season history of the Central Coast Section to enjoy both a 1,000-yard football rushing season and a place in the 440.

Costello was the only girl from Region II who placed, though 10 others from the CCS also scored in an excellent distaff showing capped by a team title for Andrew Hill of San Jose. El Camino-Oceanside won the boys title.

Costello's 110 low hurdles effort was super—a remarkably smooth, dominant 13.83. That bettered her own 1977 state meet record of 13.97. And, rounded down as her electrical time will be, it also will tie the national record of 13.8 hand-timed by La Verne Palmer of Dillard, Fla., in 1977.

The pole vault, of course, was this year's spotlight event, and Anthony Curran of Crespi-Encino didn't disappoint the crowd of 11,500.

Curran, earlier breaking with ease the state meet record of 16-2¼ by his brother, Tim, in 1973, cleared a national record 17-5¼ on his final try. But the record involved a bizarre twist.

As Curran brushed the bar, it actually was somehow lifted from the peg onto the top of the standard, where it stayed. A million-to-one shot, perhaps, but CIF Commissioner Bill Russell ruled that it would be submitted as a record, since the rule book doesn't cover such a strange situation.

The other national boys record was a 3:11.60 mile relay by Banning of Los Angeles, topping the 3:11.8 by Killian of Miami, Fla., in 1969.

Aside from Green, top Region II placer was Sequoia senior Malcolm Dixon, whose fourth-place, 14.41 120 high hurdles race was the Cherokees' first state meet medal in 22 years. Jim Matejka last earned a medal in the 1956 meet with a tie for third in the pole vault.

On the whole, the CCS boys suffered one of their poorer showings in the state meet.

Along with the first by Green, fourth by Dixon and fifth by Thompson, Cupertino's Steve Guthrie took fifth in the hurdles in 14.64 and Homestead's Mitch Preciado pole vaulted a life best 15-6 for another fifth. Region II scored 11 of the 16 points by CCS athletes.

The other CCS places were fourths by Gilroy's Ken Holladay in the two-mile (relegating Carlmont's Bob Love to sixth) and North Salinas' Tom Peterson in the discus, plus a fifth in the high jump by Mt. Pleasant's Joel Wyrick.

For the second straight year, the CCS girls made a fine showing, led by double sprint winner Kelia Bolton of Hill and Camden junior Ann Regan, whose 2:07.93 better her national record 2:08.00 at state last year. Costello made it four female champs from the CCS.

Awalt's Kobert Smith would have finished fifth in the mile in about 4:13.5, but was disqualified for cutting in on the backstretch of either the second or third lap.

Woodside's Thompson was "definitely pleased" with his 440 place, although disappointed he didn't break 48 seconds.

"I should have run a bit harder on the first 220," said Thompson. "I know that's the hardest I've ever finished."

Art Nicholson, a junior from Menlo-Atherton, ran a creditable 48.55 in the 440 for seventh.

Preciado had to work overtime, so to speak, to earn his pole vault medal for fifth—vaulting 15 times. He made 14-0 on his first try, 14-6 on his second and 14-10, 15-2 and 15-6 all on his third before missing three at 15-10. All three vaults on the third try were solid.

Other Region II boys who didn't place in the finals included Monta Vista's Ross McAlexander (seventh at 15-2 in the pole vault), San Carlos's Rick Luttrell (seventh in the low hurdles in 37.78), Carlmont's Bob Love (sixth in the two-mile in 9:09.0) and Sunnyvale's

Steve Struble, who fouled in all three discus throws and didn't advance to the final six.

Region II girls who didn't place were Cupertino's Karen Woodbeck (sixth at 122-9 in the discus), Saratoga's Diane Figliomeni (sixth in the 880 in 2:11.9), Sequoia's Jodie Barker (seventh at 42-2¼ in the discus) and Los Altos' Kerry Brogan (15th in the two-mile in 11:18.0).

Most impressive girl was Livermore's Cheri Williams, who ran a national record 10:17.71 two-mile and then easily took the mile in a state record 4:44.95. She does have a pending national two-mile mark of 10:09.8.

Most impressive fellow, in every dimension, was Atwater's huge Dave Porath, who won the discus at 199-5 and the shot put at 65-10¾, the first double weight winner since the discus was officially first held in 1959.

Dokie Williams led El Camino-Oceanside to the boys title, winning the long jump at 25-1¼ and the triple jump at 50-4¼ to score 12 of El Camino's 16 points.

Other girls state records were set by Carlsbad sophomore Sue McNeal (5-10¼ high jump), Arlise Emerson of Westminster (54.3 in the 440) and Fremont-L.A.'s mile relay team (3:51.29).

Cubberley's Green is something else

BAKERSFIELD — It's no exaggeration. Bill Green could well be the finest 440-yard dash prospect in United States track and field history.

Consider that one year ago, the Cubberley High junior had yet to run his first open quarter.

Consider that Saturday night, when he won the first state track title by a Palo Alto city athlete in 22 years, he also became the fastest junior, at 46.77, in California annals.

Consider that of the nine 440 finalists Saturday at Bakersfield College, Green was the only one who attempted to qualify in Friday's trials in both the 440 and 220 — and succeeded.

Consider that the fastest Olympian Lee Evans ever ran in high school was 46.9 — as a senior in 1965, the year he set the Central Coast Section record which stood until Green's great run Saturday.

Consider that another Olympian, Tommie Smith, won the California state 440 in 1963 — in 47.3.

Consider that Green already ranks No. 7 on the all-time California listing. That he isn't far off the state meet record of 46.6 by Larance Jones of Lemoore in 1969 and James Sanford of Pasadena last year. And that he may better the all-time California best of 46.1 by Ullis Williams of Compton in 1961 and the national mark of 45.8 by Ronnie Ray of Newport News, Va., in 1972. And consider that his title time probably will finish as the national best.

Truly, the mind boggles at what Bill Green, a relative novice on the track, may accomplish when he becomes more accomplished.

"I'm kind of overwhelmed by it all," said the soft-spoken Green, first state champ from Cubberley and first Cougar state meet placer since Don Castle took second in the 1961 shot put.

"I never dreamed of all this," added the modest Green. He did acknowledge, however, that he began thinking state title "when I did so well in the Regions (Region II finals).

"I'll be back next year, trying just as hard. Now, I just have to go back to Cubberley and be Bill Green again."

He also plans to continue running in AAU competition for the Herbert Hoover Memorial Boys Club of Menlo Park.

Green, the first state champ from Palo Alto since Paly High's Ron Larrieu won the mile in 1956, was in command all the way.

"Wow, is he strong!" praised Woodside's Tony Thompson, whose fifth place gave the CCS two places for the first time since Los Altos' Rick Brown (last previous quarter champ from the CCS) and Jim Andrew were first and fourth in 1970.

"The race went just the way I thought it out," said Green. "I wanted to sprint out, glide and kick it in. Everything went fine. My hip didn't bother me. It seems to be getting better now."

Green, bothered to varying degrees the past four weeks with a nerve irritation in his hip, handed his main rival, Fontana's Rod Bethany, his first loss this season.

Green's effort topped the state record by a junior of 46.8 by Ray Johnson of Blair-Pasadena in 1971. Since Green's romp was electrical, the added conversion factor of 0.14 puts Bill well ahead of Johnson's hand-timed mark.

Green credited his Cougar coaches, Jim Yelton and Jack Young, with "giving me good workouts," and his father, also Bill Green, with "providing me with my real inspiration. My dad (a former collegiate 440 standout) taught me about the strategy I've used."

Green is only the sixth state champ from Palo Alto. The first four were three-time high jump winner Les Steers (1935-37) and high hurdler Omar Cowles (1941).

"I'm committed to track — it's one of the main parts of my life," said Green, who turned 17 last month.

Green came back only 10 minutes after his 440 victory and tried the 220 also.

Green finished ninth in 22.24. He developed a painful leg cramp, which cost him his appearance on the victory stand.

But not in the record book.

BAKERSFIELD — Ken Thomas of Hanford came to the 1978 California High School Track and Field Championships hoping to prove himself, while Stacy Thomas of McLane just wanted to prove he belonged.

Ken Thomas sprinted into the spotlight with a heat victory Friday, while Stacy Thomas muscled his way into today's finals by overcoming a week-long series of problems.

The two Thomases provided the brightest spots in a mostly disappointing performance by valley athletes in this annual prep spike showcase.

With a good start, Ken Thomas sped to a first place in his 100-yard dash heat and established himself as one of the favorites for tonight's finals.

The valley sprint champion had a 9.93 time for the valley's only first-place finish Friday and he will face

Pasadena's Mikel Sanford, who won his heat with a hand-timed 9.5, equaling Thomas' valley-winning mark last week.

Stacy Thomas had a week of miserable practices and even worse warm-up throws. He then recoded a personal best 188-11 in the discus, a mark that was second only to state leader Dave Porath of Atwater, who threw 188-10.

The Thomases hold two of the 20 spots in the finals earned by valley performers, nine by the girls and 11 by the boys.

Linda Goen, running to preserve her strength for today's grueling triple, reached the final in the 880 with a 2:15.38, made the mile finals after a 4:58.30 and had a gutty anchor leg to bring the North mile relay team in at 3:55.88.

Kathy Haynes of Madera qualified in both the high jump and long jump. Haynes and Debra Jones of Riverdale each cleared 5-4 in the high

jump and Haynes came back with an 18-4 $\frac{1}{4}$ long jump.

Valley girls had three of the top six marks in the long jump, Coalinga's Paula Stevens qualifying second at 18-8 $\frac{1}{2}$ and Edison's Roxanne Wright leaping 18-4 $\frac{1}{4}$.

Three-time valley century champion Constance Ward of South made the 100 finals with an 11.15 clocking.

A pair of underclassmen had two strong performances by the boys.

Don Mosebar, a massive Mt. Whitney junior, moved to sixth on the all-time valley shot putt list with a 61-11 effort and Tulare's Pete Quinones equalled his valley sophomore class record of 154.47 to qualify in the 880. The triple jump once again proved to be a strong event for local athletes. Hoover's Henry Ellard had the third best triple jump of the day at 48-8 $\frac{1}{4}$, just ahead of Tyrone Portee of Clovis, 48-3 $\frac{1}{2}$.

Fresno High's Dan Rhodes timed 14.48 to make the high hurdle finals;

Tim Bennett of Kingsburgh advanced with a 174-7 discus throw; Cliff Newsome of Bakersfield High made the 440 finals at 48.25; Brad Pollard of Highland cleared 14-3 in the pole vault and Tom Clark of West was one of 12 high jumpers to clear 6-7.

Most notable of the disappointments was the Edison 440 relay team.

The Edison boys, who came in with the second best time in the state of 41.9, had two bad handoffs and finished fifth in their heat at 42.22.

The Edison girls, another of the state leaders, also had their share of bad handoffs and finished a distant fifth in their heat at 48.90.

Janet Yarbrough of Clovis, who dominated valley competition in the low hurdles, was struggling by the fourth hurdle in her heat and finished well back with a 15.01 time.

The girls provided two of the three meet records in Friday's competition

Christie Pyle of Hoover High in Glendale added 17 feet to the girls' discus mark with a 154-6 throw. Arlise Emerson of Westminster High in Compton cracked the girls' 440 record with a 54.86.

The boys' record came in the mile relay with Banning High of Los Angeles roaring to a 3:12.8 for a heat victory.
