BROOKS MEET OF CHAMPIONS (Jun. 9, Berkeley): - Marian Franklin (Balboa) and Kim White (Berkeley) went one-two in the women's 400 meters in 54.14 and 54.77. Bill Green (Cubberley) placed second in the 400 in 46.46, making a big move down the stretch to move into the runnerup spot. Rob Wentworth (Livermore) held off fast-closing junior, Larry Guinee (Castro Valley) in the high school mile, 4:13.6 to 4:13.7. Dave Royal (Pet-aluma) and junior, Fernando Balderas (San Jose) likewise waged a close battle for third, with Royal coming out on top, 4:15.3 to 4:15.4. Judy Young (Berkeley) and Alesia Sweeney (Tamalpais), who are both juniors, placed fourth and fifth in the women's 100 meter hurdles with identical 14.30 clockings...over hurdles 3" higher than the high school barriers. Ann Regan (Camden) placed seventh in the women's 800 in 2:07.1, her season best. Soph Tracy Weber (Lynbrook, S.J.) was ninth at 2:09.7. Sophs Sharon Ware and Tanya King (Berkeley) placed fourth and fifth in the women's 200 in 24.15 and 24.84. /Conning/

GOLDEN WEST INVIT. (Jun. 16, Sacramento): - Alonzo Jackson (Oakland) placed sixth in the long jump with a 23-8½ leap. Jim Scannella (San Ramon) won the highs in 14.06 and was third in the one-lap intermediates (440) at 53.14. Vince Newsome (Vacaville) was seventh at 53.87. Nathan Williams (Edison, Stockton) placed fourth in the 440 at 47.47, while Kevin Hollins (Sacramento), the only hometown entry in the meet, took seventh at 48.27. Coy Justice (Logan, Union City) was sixth at 45-7 3/4 in the triple jump. Rob Wentworth (Livermore) placed fifth in the two-mile at 9:21.2, and State second-placer Tom Downs (Skyline, Oakland) scratched from the meet with a minor injury. /Keith Conning/

CALIFORNIA STATE MEET (Jun. 1-2, Sacramento): - Due to a slow track, many performances were not outstanding (timewise), but the competition certainly wasn't lacking. Northern California had only five State champs this year--Leslie Deniz (Gridley) in the discus, Tonya Alston (Chico) in the high jump, half-miler Ann Regan (Camden, San Jose), sprinter Bill Green (Cubberley, Palo Alto) in the 100, and Jim Scannella (San Ramon) in the high hurdles. -- Leslie Deniz broke the state record in the trials with a throw of 159-3, which broke the old record of 154-3 set by Christi Pyle (Hoover, Glendale) in 1978. In the finals she threw 167-1, breaking the national record of 161-11 set by Helene Connell (Jackson, N.J.) two years ago. -- Tonya Alston won the high jump at 5-9, defeating the defending champion, Sue McNeal (Carlsbad) in the process. Alston also qualified for the finals of the hurdles but pulled a hamstring during the finals. -- Ann Regan won her third straight half-mile crown in 2:10.21 and was clearly the class of the field. -- Bill Green upset Mike Sanford (Pasadena) in the 100 with a quick 9.58. He ran the 100-440 double this year because the schedule was not conducive to the 220-440 combination. Green later won the one-lapper in 46.27 but was disqualified for running out of his lane. He also anchored the Cubberley mile relay team to a third place finish. -- Jim Scannella just edged Gary Lee (Long Beach Poly) in the highs, with a

(State Meet, cont'd) - 13.87 being given to both. However, in the 330 yard lows, Lee dumped Scannella, 36.21 to 37.01. -- Following are the winners of each event and the top marks/places that were turned in by NorCal's preps. /Keith Conning/ *** /BOYS/ 100: Green/Cubb 9.58, 7-Mosley/NDR 10.03, Ray Threatt/Pitt & Montgomery/SSF no time (Threatt has a 9.86 in heats); 220: Sanford/Pas 20.99, Threatt/Pitt 21.23, 5-Williams/NDR 21.64, 6-Montgomery/SSF 21.85, White/Rich & Mosley/NDR no time; 440: Banks/Morse-SD 47.27, Williams/Ed-Stktn 47.82, Hollins/Sac 48.44, Nicholson/M-A 48.72, Hill/Rich 48.80 (Heats: Williams 47.65)... MEET OF CHAMPIONS

by DON GOSNEY & KEITH CONNING

It had been hailed by the producers as a "meet of champions." It had been hailed by the fans as one of the best this year. Despite all of the usual no-shows and the lack of "quicker" times, the meet was by all means a true meet of champions.

The Brooks Shoe Company first got together some of the best athletes in the world to agree to show up at Edwards Stadium in Berkeley on their off Saturday between the NCAA and AAU championships. Then they got more than 16,000 people jammed into their seats to watch the first in a proposed series of annual meets. To establish the character of the meet, the Brooks people determined that if they couldn't come up with a great field, then they wouldn't hold that event.

In an effort to start the meet off on the right foot, Houston McTear showed once again that nobody can get out of the blocks before he can. Following McTear's lead, the rest of the star-studded field in the 100 meter dash gave chase with Steve Williams taking an early and dominant lead up until the 99 meter mark. There he made the fatal mistake of trying to locate the competition. In that split second, USC sophomore James Sanford passed Williams to win the race in 10.36 seconds with Williams second at 10.37 and McTear bringing in the third place position with 10.38.

With the crowd still arguing about who really won the century race, the 110

at the same time, however. Ranked #1 in the US and #4 in the world last year, Robinson still felt he had to prove himself to the community. The press was given specific instructions by Robinson—watch carefully and give him his proper credit. Robinson, who has never lost at Cal's Edwards Stadium, began his race as usual by hiding himself in the middle of the pack. After the pack's 51 second

had enough left to earn him the victory. Robinson's hometown roared their approval at the results showing that both Robinson and Paige had run the year's fastest times in an incredible 1:45.52 and 1:45.54 respectively. California freshman Mike White was also setting records in the same race by knocking three fourths of a second from his own personal best to set a Cal freshman record of 1:48.1.

Rob Wentworth (Livermore) held off fast-closing junior Larry Guinee (Castro Valley) in the high school mile by .1 in 4:13.6. Dave Royal (Petaluma) was third in 4:15.3 and junior Fernando Balderas (San Jose) was fourth in 4:15.4.

Judy Young (Berkeley and Berkeley East Bay Track Club) and Alesia Sweeney (Tamalpais, Mill Valley and Berkeley East Bay Track Club), who are both juniors, placed fourth and fifth in the women's 100 meter hurdles with identical times of 14.30. These hurdles are three inches higher than the regular high school hurdles, so these times are equivalent to running 13.8.

Ann Regan (Camden, San Jose) placed seventh in the women's 800 meters in 2:07.1, her season best. Sophomore Tracy Weber (Lynbrook, San Jose) was ninth in 2:09.7.

Sophomores Sharon Ware and Tanaya King of Berkeley and the Berkeley East Bay Track Club placed fourth and fifth in the women's 200 meters in 24.15 and 24.84.

I hope this becomes a regular event, because it would give the prep milers a chance to run their best times. Since they only have one race—no trials and a large appreciative crowd, they can run excellent times.

In an effort to start the meet off on the right foot, Houston McTear showed once again that nobody can get out of the blocks before he can. Following McTear's lead, the rest of the star-studded field in the 100 meter dash gave chase with Steve Williams taking an early and dominant lead up until the 99 meter mark. There he made the fatal mistake of trying to locate the competition. In that split second, USC sophomore James Sanford passed Williams to win the race in 10.36 seconds with Williams second at 10.37 and McTear bringing in the third place position with 10.38.

With the crowd still arguing about who really won the century race, the 110 meter hurdles was well underway. Richmond's Dedy Cooper displayed his fine style over the hurdles while posting a time of 13.63. Dedy's time is all the more excellent under the circumstances since at the same time he was receiving lessons from world record holder Renaldo Nehemiah on how to fly over the 42" barriers. Despite pleasing the crowd with his magnificent style and form, his time of 13.41 was a major disappointment to a crowd that was hoping to see him dip under the thirteen second mark.

John Powell, Montreal's bronze medal winner and San Jose's former police officer, took another leap forward in his comeback trail by taking the men's discus with a stadium record 219-4. With his best throw this year by nearly nine feet, Powell solidly outdistanced Knut Hjeltnes and Ken Stadel who took second and third with 218-10 and 218-7 respectively.

Kate Schmidt put on an exhibition in the women's javelin with her winning toss of 198-8. After watching in awe at the gracefulness and fluidity of motion used by Kate, it was plain to see why she is the world record holder.

Clancy Edwards paid no attention to the mistakes that had been made in the century as he pulled a Steve Williams number at the end of the 200 meter dash. With but three yards to go, last year's NCAA-AAU winner in both the 100 and 200 meter dashes, turned his head to locate Steve Williams just in time to see him blast by to win in 20.16.

Highlighting the meet, Villanova's Don Paige came off of his previous weeks NCAA double victory in the 800 and
