KEITH CONNING

It all began on a hot and dusty day in the middle of a once forgotten stadium in the middle of a once forgotten city called Sacramento. They had come from all over the state to find out for sure; to find out who was really the best. Could Mike Sanford from Pasadena do what no other had ever done and be the first person to win both sprints two years running. Was the Howard machine from San Geronio as well oiled as rumor had it. Could the human eye see Cubberley's Bill Green when he got to moving. Could Berkeley's women overcome their perennial State Meet jinx. Could those men from Richmond get their heads together and show the world that they weren't to be messed with. Was that bundle of energy and exuberance from Westchester as much a joy to watch as she was fast. All of these questions were floating about but the one question that was being spoken by those in the know from all over the state concerned the once fast track in Hughes Stadium.

When they held track meets at Hughes Stadium on a regular basis (they say Fred Flintstone was pretty quick), there were some pretty quick times run on the dirt track. But the peoples of Sacramento had forgotten about Hughes Stadium and because of disuse it became

what many would call a very slow track. Fans at rock concerts had used the backstretch to hold their mudslides. Farmer Jones had planted a very successful orange grove where the 220 was once run.

Despite the agricultural and musical successes of the stadium, however, the CIF had decided that they would run their annual track championships at Hughes Stadium.

The orange trees were cleared and the rock groupies were asked to leave and work began on making the track as fast as it once was. The soil was rototilled to a depth of one foot and fresh clay was brought in to give the proper texture. The moisture was slowly extracted to prevent cracking; the caretaker methodically compacted the soil till it was of the proper firmness. After almost a month, they said it was ready. They said to bring on the athletes.

As it came to pass, the finest and the best traveled from far and near on that incredibly hot Friday. The tournament had begun but before the heats in the 440 relay were half over, the first three lanes looked like a nuclear weapons testing area with pits and craters interspersed among the spots where you couldn't see the pits because of the two inch thick dust. To say the least, the track was a joke.

Despite all this the athletes decided to put on a show anyway. The trials went as expected with only a few changes: many of the Berkeley girls team did not qualify for their events, Richmond's

Ted White false started in his heat of the 100 yard dash, Cubberley's 440 relay failed to qualify and the temperature did not drop when the sun went down.

Going into the finals, the heat was only slightly better than the previous day. The dope sheets said that Cubberly would have to fight hard to get the team title, Mike Sanford was a shoe-in for his sprint double, the Berkeley women were not a certainty for the title, the Howard machine was pretty good and Gwen Loud from Westchester was to be watched all day long.

Starting off the running events, Tonya Alston took her leave from the high jump where she was in a three way tie for first (she eventually was declared the winner) to compete in the 110 yard low hurdles. Her chances in that event were slim, however, after she took an early fall and had to be carried off the track.

In the next event, Berkeley's chance for the team title were shattered when they failed to make the second handoff in the 440 relay. As expected, David Mack and Jeff West excited the crowd in the 880 when Mack closed the enormous gap that existed between West and the rest of the pack to win the event in the final few yards. The men's hundred brought the crowd to their feet when Bill Green overtook Mike Sanford in the last ten yards to win by a yard and thereby destroying Sanford's chance at history.

In the men's two mile run, Jeff Nelson showed why he was the National record holder by winning his event by

almost seventy yards. Bill Green did as expected in the quarter only to find out later that he had taken too many steps out of his lane resulting in his disqualification. He made sure, however, that everyone in the stadium knew that he wasn't to be messed with when he brought his mile relay team from seventh place to third with a tremendous anchor leg.

The most exciting part of the meet came in the form of one very excited young lady from Westchester in Los Angeles by the name of Gwen Loud. After winning the long jump, she rushed over to anchor her 440 relay team to an eight yard victory. After a half hour rest she bounced into the starting blocks on her way to winning the 100 yard dash. Then, with another hour to rest her bones, she flew around half the track to take the winning trophy in the 220. In only two and a half hours, she had accumulated 24 points to give Westchester the team championship. The best part of the show Gwen put on was the way she reacted to winning. Even before she hit the finish line she was bouncing up and down with joy showing one of the biggest smiles anyone could ever hope to see. Watching her smile and bounce around after she won brought back memories of what the sport was all about in the first place. The enthusiasm was there for everyone to see. Here was a young lady who wasn't about to let bad conditions spoil her one chance to show what she could do.

GIRLS' TWO MILE RUN

HEATS: Pre-meet favorite Berkeley, the leading team in the nation, had the fastest qualifying time of 46.58, defeating Westchester, LA by 1.11. Two Sac-Joaquin Section teams -- Cordova(Rancho Cordova) and Edison of Stockton -- won the other heats. South of Bakersfield did not run. Pacific of San Bernardino was disqualified.

FINAL: San Gorgonio, one of the favorites for the team championship, did not complete the pass from their first runner, Sherri Howard, to their second runner, Denean Howard. Then Berkeley's third girl, sophomore Tanaya King, took off too early and never received the pass from Kim White. Gwen Loud of Westchester, LA, needed no more help to win going away in 47.19.

440 RELAY - 1. Westchester (Robinson, Moore, Hawes, Loud), 47.20; 2. Cordova-Rancho Cordova, 48.46; 3. Santa Ana Valley, 48.60; 4. Edison-Sacramento, 48.65; 5. Tamalpais-Mill Valley, 48.73. (San Gorgonio and Berkeley did not finish).

GIRLS' MILE RELAY

HEATS: Pre-meet favorite San Gorgonio of San Bernardino ran the fastest heat time of 3:54.93. Long Beach Poly and Berkeley won the other heats. Fountain Valley and North of Bakersfield failed to qualify.

FINAL: San Gorgonio set a new national and state record of 3:44.05. The old national mark of 3:49.5 was set by Marshall, Oklahoma City in 1978. The old state record was 3:51.29 by Fremont of Los Angeles in 1978. The San Gorgonio team was composed of the four Howard sisters (Arta 58.2, Tina 58.2, Denean 53.7, and Sherri 52.9). Long Beach Poly was second in 3:46.42 also under the old national and state records.

MILE RELAY - 1. San Gorgonio (A. Howard, 58.2; T. Howard, 58.2; D. Howard, 53.7; S. Howard, 52.9), 3:44.1 (New national interscholastic and state meet record, old national mark 3:44.9 by San Gorgonio, 1979; old state mark 3:51.3 by Fremont-Los Angeles, 1978); 2. Long Beach Poly, 3:46.42; 3. Berkeley, 3:55.0.

FINAL: Leslie Deniz, who didn't even qualify for this meet last year, set a new national and state record of 167-1. The old national mark of 161-11 was set by Helene Connell(Jackson, New Jersey) in 1977. Last year Deniz finished second in the Northern Section behind Karen Stampfli(Lassen, Susanville) and only the winner advanced to the state meet. However, Deniz qualified for the National AAU Junior team last summer. So she went to Moscow, USSR, instead of Bakersfield, California. In second was Linda Read (Alameda) at 147-3, almost 20 feet shorter than the junior from the north.

DISCUS - 1. Deniz (Gridley), 167-1 (New national interscholastic and state meet record, old national mark 161-11 by Connell of Memorial-Jackson, New Jersey; old state mark 159-3 by Deniz of Gridley, 1979); 2. Read (Alameda), 147-3; 3. Springer (Salinas), 145-8; 4. Magnone (Alwater), 136-1; 5. Argento (Kennedy, La Palma), 135-5.

STATE MEET

'quotes'

by Keith Conning

TONY BANKS (Morse, San Diego) 440: "I realized a three-year goal in breaking that county record. I set that. The officials gave me the win. I like winning, but I know Bill is faster than I am. They said he stepped over his lane 10 times, I don't know because I didn't see it."

SUE McNEAL (Carlsbad) High Jump: "I slipped at 5-4, that's all. At least I have another year."

BILL GREEN (Cubberley, Palo Alto) 440: "I have no idea exactly what happened. I saw myself touch the line twice. I don't know whether I should have been disqualified. That's for the officials to determine." 100: "I'm basically a second-half runner, so I came on when I had to in order to win."

JIM SCANNELLA (San Ramon, Danville) 120 HH: "Here's my chance. He's (Gary Lee) stumbling and the last part of the race is mine. I'm always a slow starter. I have been practicing my starts a lot lately, but it didn't do any good here. But I usually come on strong at the finish."

TYRONE ERVINE (Pasadena) 440 Relay "Someone would have to be 20 yards ahead of him (Mike Sanford) to beat him. When I finish my leg, the first thing I do is run over to the finish line. It doesn't matter what place we are when he gets the stick, we'll be in first when he finishes. He's the man. Whatever he wants we do. If he wants us to open doors for him we open doors."

JEFF NELSON (Burbank) 2 Mile: "I ran the first mile a little slower than usual and then picke it up and moved away."

WILLIAM RUSSELL (Commissioner, CIF): "Sacramento is subject to consideration upon the improvement of the quality of the track. It is not the type of track suitable for this kind of meet. A lot of work went into this meet, but we

to full compliance of a metric meet, it is very complicated surveying it to English. The mile relay exchange lanes were off Friday night. It is my opinion it would be far better to stay with the facility the way it is."

LESLIE DENIZ (Gridley) Discus: "I'm real happy with what I did. This was definitely my best series (foul, 141-2, 165-11, 162-11, 165-9, 167-1) ever. I worked out most of my flaws in a two-hour practice today with my coach Chuck Voorhees. The conditions were real good. They switched the cage location so the wind came in at an angle. It worked out very nicely."

TONYA ALSTON (Chico) High Jump and Low Hurdles: "I felt a lot better after hearing that (winning the high jump). I felt so good high jumping. I was looking forward to coming back from the hurdles and doing six feet. I really felt that I might have been able to get the national record (6-1). I never have jumped as well as I did." Hurdles: "I was trying to stay low because I got a slow start. But I felt cold. There was no momentum. I didn't get a chance to warm up because of the high jump. Just after they let me go from the high jump, I was called over for the start of the hurdles. Usually I'm tired from warming up. Tonight, I just had butterflies. I think not getting a chance to warm up caused my injury."

HENRY ANDRADE (Johnson, Sacramento) Low-High Hurdles: "I had bad luck yesterday, and it carried over to the highs. I false started. I don't know why they used a whistle in the qualifying and a gun in the finals. That really threw me off. The third place in the 330s was OK, though. I wasn't disappointed with that. I felt I had to run 36.3 to win, and I only ran about 37. But I was just as good as anybody else out there. It broke my heart not even participating in the highs. I was the only one out there who ran last year and I felt the race was mine. I feel I may have let some people down."

A lot of work went into this meet, but we know that you can't build a hard surface in three weeks. We knew what we were getting into when we came to Sacramento. If you run on a metric track you should run meters. There are problems converting meters to English (yards). When a track like Hughes is laid out

luck yesterday, and it carried over to the highs. I false started. I don't know why they used a whistle in the qualifying and a gun in the finals. That really threw me off. TANAYA KING (Berkeley) 440 Relay: "I took off too early and I was going so fast that I couldn't stop. I guess I was too anxious. I feel bad that I let my team down. But my coach (Willie White) told me it is just my first year and I shouldn't feel that way. But it's hard not to." 220: "I'm really happy I placed. Next year I'm going to train really hard."

NOR-CAL RUNNING REVIEW®

(Prep Ramblings, Continued from page 32)....

BROOKS MEET OF CHAMPIONS (Jun. 9, Berkeley): - Marian Franklin (Balboa) and Kim White (Berkeley) went one-two in the women's 400 meters in 54.14 and 54.77. Bill Green (Cubberley) placed second in the 400 in 46.46, making a big move down the stretch to move into the runnerup spot. Rob Wentworth (Livermore) held off fast-closing junior, Larry Guinee (Castro Valley) in the high school mile, 4:13.6 to 4:13.7. Dave Royal (Pet-aluma) and junior, Fernando Balderas (San Jose) likewise waged a close battle for third, with Royal coming out on top, 4:15.3 to 4:15.4. Judy Young (Berkeley) and Alesia Sweeney (Tamalpais), who are both juniors, placed fourth and fifth in the women's 100 meter hurdles with identical 14.30 clockings...over hurdles 3" higher than the high school barriers. Ann Regan (Camden) placed seventh in the women's 800 in 2:07.1, her season best. Soph Tracy Weber (Lynbrook, S.J.) was ninth at 2:09.7. Sophs Sharon Ware and Tanya King (Berkeley) placed fourth and fifth in the women's 200 in 24.15 and 24.84. /Conning/

GOLDEN WEST INVIT. (Jun. 16, Sacramento): - Alonzo Jackson (Oakland) placed sixth in the long jump with a 23-8½ leap. Jim Scannella (San Ramon) won the highs in 14.06 and was third in the one-lap intermediates (440) at 53.14. Vince Newsome (Vacaville) was seventh at 53.87. Nathan Williams (Edison, Stockton) placed fourth in the 440 at 47.47, while Kevin Hollins (Sacramento), the only hometown entry in the meet, took seventh at 48.27. Coy Justice (Logan, Union City) was sixth at 45-7 3/4 in the triple jump. Rob Wentworth (Livermore) placed fifth in the two-mile at 9:21.2, and State second-placer Tom Downs (Skyline, Oakland) scratched from the meet with a minor injury. /Keith Conning/

CALIFORNIA STATE MEET (Jun. 1-2, Sacramento): - Due to a slow track, many performances were not outstanding (timewise), but the competition certainly wasn't lacking. Northern California had only five State champs this year--Leslie Deniz (Gridley) in the discus, Tonya Alston (Chico) in the high jump, half-miler Ann Regan (Camden, San Jose), sprinter Bill Green (Cubberley, Palo Alto) in the 100, and Jim Scannella (San Ramon) in the high hurdles. -- Leslie Deniz broke the state record in the trials with a throw of 159-3, which broke the old record of 154-3 set by Christi Pyle (Hoover, Glendale) in 1978. In the finals she threw 167-1, breaking the national record of 161-11 set by Helene Connell (Jackson, N.J.) two years ago. -- Tonya Alston won the high jump at 5-9, defeating the defending champion, Sue McNeal (Carlsbad) in the process. Alston also qualified for the finals of the hurdles but pulled a hamstring during the finals. -- Ann Regan won her third straight half-mile crown in 2:10.21 and was clearly the class of the field. -- Bill Green upset Mike Sanford (Pasadena) in the 100 with a quick 9.58. He ran the 100-440 double this year because the schedule was not conducive to the 220-440 combination. Green later won the one-lapper in 46.27 but was disqualified for running out of his lane. He also anchored the Cubberley mile relay team to a third place finish. -- Jim Scannella just edged Gary Lee (Long Beach Poly) in the highs, with a

Pasadena Wins Title; Balkin Jumps 7-3¼

BY TERRY SHEPARD

Times Staff Writer

SACRAMENTO—Pasadena's boys and Westchester's girls won team titles and Glendale high jumper Lee Balkin set a meet record of 7-3¼ at the State high school track and field finals Saturday night at Hughes Stadium.

Both team races would have been photo-finish close had not the Palo Alto Cubberly boys and the Berkeley and San Geronio girls tossed away precious points. But disqualifications and dropped batons settled the issue before a crowd of 16,500.

Pasadena wound up with 16 points. Westchester won the girls' championship with 24 to 19 for runnerup San Geronio, with pre-meet favorite Berkeley dropping to third place with 13 points.

Pasadena seemed to be going for a tie at best when Cubberly's Bill Green outpowered Michael Sanford in the 100-yard dash, 9.59 to 9.66. It was only a slight upset, but seemed enough to deny Pasadena's Bulldogs the title, just as it denied Sanford his double-double, the 100 and 220 titles two years in a row.

But Sanford had already anchored Pasadena to first in the 440-relay (41.45) and he came back to win the 220 in 21.00. And then Green killed Cubberly's hopes by being disqualified in his specialty, the 440.

Green ran a blazing 46.27 to win the quarter-mile and seemingly set Cubberly up for a tie for the boy's title when he led his team to a second-place in the mile relay. But the officials detected that Green's time was helped by cutting corners on his lane and the meet-ending mile relay became unimportant.

In the girls' competition, Gwen Loud's one-woman show made Westchester too much for San Geronio's four Howard sisters and Berkeley's entire team. Loud, headed for UCLA, won three individual titles, all state records, and anchored the Comets' winning 440-yard relay.

Sanford Upset but Pasadena Wins State Track

when Berkeley and San Geronio misfired. Both were expected to be at the front of the 440 relay finish, but neither could handle the baton.

At the first pass, Sherri Howard and sister Denean dropped the baton and San Geronio's Spartans could not catch up. At the second pass, Berkeley ran out of its exchange zone without ever completing the pass and was disqualified for the fourth time in six State meet 440 relays.

Westchester, meanwhile, breezed away from the depleted pack, winning in 47.20 and getting six big points for first.

Loud then won the 100 (10.62), 220 (23.53) and long jump (20.4½). In the 220, Berkeley further destructed when Sharon Ware, expected to finish second behind Loud, false started.

It was in the 100 that Loud may have wrapped up the title. She caught Sherri Howard, who needed the win to bring San Geronio back into it, at 50 yards and pulled away.

Howard came back to make her own mark, setting a national interscholastic record in the 440. Despite the dirt track, she won in 53.65, lowering the 54.2 by Merry Johnson of Canyon (Tex.) High in 1977. Howard also anchored San Geronio to yet another national record in the mile relay (3:44.1 to the sisters' old 3:44.9), but it earned only six points, not enough to catch Westchester.

The only other national federation mark—a record that must be set in a prep meet—came from Leslie Deniz of Gridley, who threw the discus 167-1, bettering a two-year old mark of 161-11 by Helene Connell of Memorial in Jackson, N.J.

In other girls' highlights, Ann Reagan of Camden won her third-straight girls' 880 title in 2:10.3 and Susie Ray of

Villa Park set a State shot put record of 49-6½, bettering the 49-1 by Kathy Devine of Mission Bay in 1975.

In other boys' competition, David Mack of Locke won his second straight 880 by tracking down friend and arch-rival Jeff West of Crenshaw on the final straightway. And for once, they were enough apart to have different times, Mack 1:50.2 and West 1:50.5.

Mack also anchored Locke's winning mile relay, but the Saints failed in their attempt at a national record.

Balkin broke the record of 7-2 by Dennis Smith of Santa Monica in 1977. Balkin's first attempt at 7-4 just missed as his heel clipped the bar. The other two tries were not close. His winning mark is second all-time among preps to Gail Olsen of Sycamore (Ill.) Olson jumped 7-4¾.

Among the favorites not seen in their events were Vickie Cook of Chaminade, who scratched from the two-mile to concentrate on the mile; Tonya Alston of Chico, who injured a hamstring in the hurdles after already having won the high jump; and Greg Ellis of Menlo-Atherton, who was co-favorite in the pole vault but injured an ankle in warm-ups.

County Hopes Melt In Sacramento

By DAVID OSTERMAN
Register Sports Writer

SACRAMENTO — Temperatures hitting 90 degrees and a rapidly deteriorating track took their toll Friday during the qualifying rounds of the 61st annual California Track championships here.

Despite returning veterans in most of the boys' running events and outstanding talent in all the events, only one state record fell during the qualifying rounds.

That record came in the girls' discus, where Leslie Deniz of Gridley in Northern California threw 159-3 to break the year old record of 154-6 set by Christi Pyle of Glendale.

But even that was far from an outstanding mark. Deniz holds the national prep record of 175-10, set at the Pepsi Meet last month, and has surpassed the 160-foot mark three times this year.

The only real winner was the heat, which sapped the runners' strength and the steadily deteriorating clay surface of Hughes Stadium, which turned softer as the heats, three in each event, were run.

Many of the Orange County's entrants couldn't take the combination, and most failed to make today's finals, which start at 5 p.m.

A few notable exceptions will be on hand, however. John Brenner of Fullerton was the top qualifier in the shot put with a career best of 63-2, while Dave Cangelosi of Villa Park came in second in the mile

to Bill Madvin of University High.

Medvin, a defending state champion in the mile, is a clear favorite tonight after beating Cangelosi at his own race in the first mile heat.

Cangelosi, who's used a

night's finals, earning the fifth spot in the girls mile 2nd heat.

In team competition Pasadena High emerged as a clear favorite thanks to Michael Sanford's heroics. The talented sprinter, attempting to become the

CIF State Track & Field Meet

blazing kick to advantage the last two weeks, led the pack for the first two laps, before falling back on the third.

Medvin, who had stayed in the pack most of the way, took the lead with 300 yards to go and Cangelosi quickly moved back into contention. The two were practically even with 200 yards to go, before Medvin went into a kick and Cangelosi was unable to stay with him. The times were far from impressive. Medvin was caught in 4:14.8 while Cangelosi was second in 4:16.05. The two times were still the best of the night.

The girls' competition, Susie Ray of Villa Park and Rosario Ramos of Anaheim wee 1-2 among the shot put qualifiers with throws of 47-7 and 46-9/2, respectively.

Other local qualifiers included Ray in the 110 low hurdles, Joni Argento of Kennedy (134-7/2) in the girls' discus, Michelle Kelley of Irvine in the girls' 220 and Santa Ana Valley's girls 440 relay team.

Orange County did well in all the weight events. Besides having the top qualifiers in both the boys and girls shot put, all four

first high schooler to earn back-to-back doubles, recorded the best times of the day in the 100 (9.81) an 220 (21.47) and also made up three spots in the 440 relay to win going away in 41.89.

Bill Green of Cubberly won his heat of the 440 an also made the 100 finals, but the Palo Alto school, which will close after this year, is no longer a real contender after failing to make the finals in the sprint relay.

San Gorgonio and Westchester of Los Angeles are co-favorites in the girls competition.

Sherri Howard qualified in both the 100 and 440 and Denean Howard made the 440 finals for San Gorgonio along with the Spartan's mile relay team. Westchester's strength lies with Gwen Loud, who qualified in the 100, 220 and long jump.

Pasadena Moving Closer to Boys' State Track Title

BY TERRY SHEPARD
Times Staff Writer

SACRAMENTO—Pasadena moved a little closer to the boys' title, and the girls' race tightened into what could be a cliffhanger after preliminary rounds in the State high school track meet Friday.

Most of the qualifying went as expected before 8,200 in steamy Hughes Stadium at Sacramento City College. But boys' challenger Locke sacrificed points to put Pasadena in the driver's seat, and girls' favorite Berkeley lost enough points to give Westchester and San Geronio a real shot at the championship.

Locke scratched powerhouse David Mack from the 440 to save him for a try at the national record in the mile relay. The half-mile specialist had only been figured for a fourth place on The Times' dope sheet, but those sacrificed two points, gave breathing room to Pasadena. The Bulldogs had been doped as favorites over Locke, but only 16-14.

Pasadena appeared in good shape to deliver on all its expected points. Su-

per-sprinter Michael Sanford led the qualifying in the 100 (9.81), 220 (21.47) and anchored Pasadena's 440-yard relay to the fastest qualifying time of 41.89.

Meanwhile, Mack came through in his specialty, winning his 880 heat in 1:54.6. And as in the Arcadia Invitational and the City finals, Crenshaw's Jeff West got exactly the same time. The uncanny thing this time, though, was that West was in a different heat.

But the Locke strategy may have backfired a bit, since their mile relay team did not come close to the national record of 3:11.6 set by Banning last year.

The real culprit may have been the Hughes Stadium dirt track, which started out in poor condition and rapidly got worse.

"They dug up the track too fast to-night for any records," said Sherri Howard of San Geronio's record-setting Howard sisters. "I stepped in two holes and hurt my foot a little

again. But we weren't running for records tonight. Everything is coming out tomorrow.

If it comes out the way the Howard sisters hope, it could mean a state title for their Spartans. Berkeley, doped as a six-point favorite over San Geronio and Westchester, lost four points in a single race.

The Yellowjackets' Judy Young and Slerifa Sanders had been picked to finish third and fifth in the girls' 110-yard hurdles. But neither qualified for today's final. Young perhaps because of a recurring foot problem.

That gave a boost to San Geronio and Westchester, both of whom came through as expected or better. Gwen Loud of Westchester was the top qualifier in the 220 (24.10) and was second to Sherri Howard in the 100 (10.95 to 11.01). Loud also led the long jump qualifiers with a 20-7/8 which would have been a state record had it not been wind-aided.

San Geronio turned in the best mile relay qualifying time, although its 3:55.0 on the slow track was far off the Howard sisters' national record 3:44.9. Berkeley, the main challenger in the event that could decide the title, was second-best at 3:55.7. And doped for fourth and fifth. Westchester and San Geronio qualified second and third-fastest in the 440 relay, indicating a possible gain on Berkeley's No. 1-ranked relay unit.

The top three qualifiers in each of the three heats in the top event qualified for today's finals. In the mile runs, the top five from each of two heats qualified in the field events, approximately the top nine and ties.

The best of the field event qualifiers was Leslie Deniz of Gridley, who set the only State record of the first day. She threw the discus 159-3 to better last year's record of 154-6 by Christi Pyle of Glendale Hoover.

A disappointment in that event was Romona Ebert of Schurr, who failed to make the finals on a throw of only 121-2. 25 1/2 feet short of her season best.

Mosebar, Ellard Join Arnold In Prep Track Finals

Fresno Bee, June 2, 1979

By **TERRY BETTERTON**
Bee Sports Writer

SACRAMENTO — Don Mosebar of Mt. Whitney and Henry Ellard of Hoover displayed their talents in a couple of quick bursts while Yolanda Arnold of Chowchilla let it all hang out.

Mosebar and Ellard used as little effort as possible to qualify for today's final round in the 61st annual California State High School Track and Field Championships.

Ellard took only two jumps and came away as the man to beat in the triple jump, qualifying with a 50-10 effort.

Mosebar made only one attempt in the shot put — a 63-1 $\frac{3}{4}$ effort that makes him a marked man although John Brenner of Fullerton qualified first with a 63-2 best.

Arnold, however, had the biggest day of any valley athlete, qualifying in three events while winning a pair of heats.

The Chowchilla senior clipped a fast field in her 110-yard low hurdle heat with a 14.15 clocking, the best of the day. Then she shocked favorite Sharon Ware of Berkeley in the 220 heat, winning with a 24.94 clocking.

In the 100 heats, Arnold finished behind four-time valley champion Constance Ward of South, Ward timing 11.17 and Arnold just a hair back at 11.18.

That Arnold, or any of the other runners in this excellent field could even come close to respectable times was a credit only to the athletes. No credit can go to the disgraceful Hughes Stadium dirt track that was nothing more than a dust bowl by the end of the evening.

The State's best ever mile relay field — including valley all-time leader Edison High — staggered in the soft dirt and the times were unimpressive.

Edison, which can run 3:21.93 backwards — well almost — could manage only that in taking second in its heat. The same Tiger quartet timed a 3:14.6 in last week's valley championships.

The only meet record of the day came, obviously, in the field events when Gridley's Leslie Deniz tossed the discus 159-3 to lead the girls' qualifiers and that mark could fall again today since Deniz has a national-record 175-10 earlier this season.

Mosebar was impressive but he said he wanted to save something for today's finals after falling off in last year's second-day of the state meet when he finished fourth in the shot.

"I really felt good today (Friday) but I wanted to save it for the finals," the USC-bound Visalian who is undefeated this year in the shot said "Yes, I still would like to get the valley record (65-2 $\frac{1}{2}$). Mosebar was the only valley athlete to qualify in the discus, reaching 168-10 in the first of two throws. Ellard took only two jumps and then retired to let the triple jump field try to catch him.

Edison's 440 relay team also qualified for today's finals, winning its heat despite a shaky last handoff in 42.19, the third-best time of the day.

Edison's George Timmons finished third in his 440 heat to advance to the quarterfinals with a 49.46 time but was later disqualified — although officials refused to report what caused the disqualification.

Clovis' Janet Yarbrough made her girls low hurdle finals, timing 14.65 for a second in her heat but here 16-6 $\frac{1}{2}$ was not good enough to make the long jump finals. Coalinga's Paula Stevens did advance with an 18-10 $\frac{3}{4}$ effort, her best mark of the season.

North's Linda Goen will make another double appearance in the state meet, timing 5:05.82 in the mile and 2:16.90 in the 880 — both times just running to qualify and not running for time.

Merced's Shelly Nieto was second in her mile heat in 5:03.60.

Delano's Rita Banks moved on in the shot put with a valley-leading 43-0 effort.

The valley made one of its strongest showings in the long jump with Lemoore's George Gaffney getting the best mark of the day, 24-2 $\frac{1}{4}$, and Foothill's Larry Clemons next at 24-1 $\frac{1}{2}$.

Ozell Thompson of Edison made the 220 finals with a second-place 21.97 time and Tulare's Pete Quinonez, who was second in the state last year as a sophomore, moved into the finals with a 1:55.43 clocking.

Ken Bass of Madera, one of the favorites in the high jump, cleared 6-8 to make the finals and Brian Folmar of Sanger and Tim Sipes of Bakersfield cleared 14-0 to make the pole vault finals.

Springer, Hicks advance

SACRAMENTO (UPI) — Salinas high's Susan Springer and North Salinas high's Joe Hicks were two of the survivors for today's finals in the 61st California State High School track and field meet.

Both earned berths through performances in yesterday's trials.

Springer, making her fourth appearance in as many years, finished second to national record holder Leslie Deniz of Gridley in Friday's discus trials. Deniz established a new meet record with a toss of 159-3, nearly 16 feet ahead of Springer's 143-4 throw.

She also qualified in the shot put by placing seventh with a toss of 43-4.

Hicks, competing in the high jump, soared 6-8 and was one of 13 to gain spots in the finals. Palma's Dan Iliff failed to advance after clearing 6-6.

Also failing to make the finals was high jumper Kathy Raugust from Salinas high. Raugust jumped 5-6 but was eliminated from further competition when 12 jumpers surpassed 5-7.

Mike Sandford of Pasadena High School made a

strong bid Friday night to win an unprecedented back-to-back sprint doubles title.

Sandford, younger brother of USC track star James Sandford, coasted to wins in Friday's heats in 9.81 for the 100 yards and 21.47 for the 220. He won the finals of both events last year.

In the 330-yard low hurdles, San Ramon's Jim Scannella won his heat in 36.75, qualifying easily in a time only a half-second off the state record.

Defending champ Bill Green of Cubberly High School in Palo Alto won his 440 heat easily in 48.35 and also qualified for the 100.

In the girls' competition, Sue McNeal, the state record holder from Carlsbad High School in San Diego, qualified for the high-jump at 5-7 and will battle Tonya Alston from Chico in today's finals. McNeal's mark is 5-11 $\frac{1}{2}$, while Alston has hit 5-11 $\frac{1}{2}$. They will both shoot for the national mark of 6-1.

A crowd of 8,200 attended the first round of competition at Hughes Stadium.

Ray claims state shot title after tough fight with Ramos

Special To The Bulletin

For Susie Ray of Villa Park High and Rosario Ramos of Anaheim, the fight went right down to the wire. The two girls fought all year for the right to be the best, both in California and the nation, in the girls shot put.

And Saturday night at Hughes Stadium in Sacramento. It was Ray who claimed at least the state title.

The junior Spartan came from behind on her third throw of the night, uncorking a 49-6 toss to overtake Ramos and win the state title at the 61st annual

California State championships.

"It's not my best," said Ray, who also finished fourth in the 110 low hurdles, "But it's a lot better than I've done the last three weeks. It's nothing I could put my finger on, but I haven't been throwing well."

Ray has a seasonal best of 50-6½, four inches off the national best of 50-10½.

Ramos, a senior at Anaheim High maintained her hold on third in the nation and, at least for a while, was the state record holder.

Ramos threw a lifetime best of

49-4 on her second toss of the competition; a state meet record, and looked ready to out-throw Ray for the third straight week.

But the lead lasted only 15 minutes before Ray took control for good and earned the state championships.

While Ray was the only Big-A Empire athlete to walk away with a state title, several others enjoyed success at the state meet, which attracted 16,500 for the finals.

Chris Dressel of El Dorado finished third in the discus, throwing 170-3 on his fourth toss of the day. Joni Argento of Kennedy filled out the area medal winners, with a fifth-place finish of 135-5 in the girls discus.

Tim McIntyre of Los Alamitos finished second in the pole vault after barely missing at 15-6. McIntyre, who cleared 15-2 easily, finished behind Clark Elliot of Bellflower, who cleared 15-6. McIntyre ends the year as the state's only .16-0 pole vaulter on the prep level.

Ken Ernst of El Dorado had an early lead in the boys' two-mile, but couldn't hold it against a talented field which included national record holder Jeff Nelson of Burbank and Chuck Assumma of Eisenhower, junior national 3,000 meter champion.

Ernst finished sixth in 9:11.5 while Nelson successfully defended his state title with a 8:47.35 clocking.

Dave Cangelosi of Villa Park, who ran the second best qualifying time of 4:16.36 during Friday's prelims, faded early in the Saturday mile finals. The Villa Park High senior, who came into the meet with a 4:11.2 clocking, second best in the state, finished eighth in the finals.

"I was tight," said Cangelosi. "I could feel it in the first heat (when he was nursing an early lead." I just didn't have it."

Pasadena High won the state title in boy's, with Michael Sanford having a hand in all 16 of the Bulldog points. The talented sprinter anchored the 440 relay team to a 41.45 victory won the 220 in 20.99 was also second in the 100. The second place finish in the 100 denied Sanford a chance at becoming the first prep to ever double in the sprints two years in a row.

Special to the Bulletin

SACRAMENTO — Susie Ray of Villa Park High and Rosario Ramos of Anaheim High are set for still another showdown tonight during the shot put finals of the 61st annual California High School Track Championships.

The two talented shot putters finished one-two for the third week in a row Friday during the qualifying round at Hughes Stadium.

Competing before a paid crowd of 8,200, Ray recorded the best put of the night, going 47-7, while Ramos was second at 46-9½. Both marks are below the girls' seasonal best, but most of the estimated 800 competitors preserved their strength to fight the 90 degree temperatures.

While some of Orange County top contestants withered in the heat, Big-A competitors came through with flying colors. Only Chris Davenport of Troy, in the girls 110 low hurdles, and Ken DeShano of Canyon in the shot put failed to make in into tonight's finals, which start at 5 p.m.

Chris Dressel of El Dorado

passed up the shot put, but made it into the discus finals with his sixth-place toss of 168-2. Joanie Argento of Kennedy was sixth in the girls' discus with a throw of 134-7½.

The girls discus proved the only record of the night as Leslie Deniz of Gridley tossed the platter 159-3, to break the year-old mark of 154-6.

Tim McIntyre of Los Alamitos joined 12 other finalists in the pole vault after clearing 14-0 while Dave Cangelosi of Villa Park earned a spot in the boys' mile with a second place finish in his mile heat.

Cangelosi lost in a kick to Paul Medvin of University Los Angeles, the defending state champion.

Ray also made it into the 110 hurdle finals with a third place (14.48) finish in her heat. Ken Ernst of El Dorado is entered in the boys' two-mile which didn't hold prelims Friday.

The heat, combined with the poor condition of the clay track, held all the times down despite the unprecedented presence of 10 returning state champions in 11 events.

Gummy track slows runners at State meet

6/2/79

San Francisco Examiner, June 2, 1979

By King Thompson
Examiner Staff Writer

SACRAMENTO — The state high school track and field finals will be held here tonight at Hughes Stadium, and one thing is abundantly clear — meet records figure to be about as plentiful as open gas stations at midnight.

Although the stadium's clay track used to be considered one of the fastest around, it was anything but last night. Qualifying times in almost all events were considerably slower than clockings previously posted by the athletes.

"It's too gummy," said Wilson High's Brennan Redd, who won his heat in the 120 high hurdles (14.45) to become the only San Francisco athlete to advance to the finals.

"You go in it and your feet don't come out that quick," he continued. "They sort of stic."

Most of the athletes complained that the track was too soft on top, and underneath it was very hard. Some compared it to running on the beach. After a few races, it began to look like an off track at Golden Gate Fields.

This, of course, may be no fault of the meet officials. Late last night workmen were watering and grading the track in preparation for tonight's action. How much good that will do remains to be seen.

A brief look at some of the qualifying times give a good indication of the situation. Pasadena's Michael Sanford, who is trying to become the first athlete in California history to

double in the sprints two years in a row, won his heat in the 100-yard dash in 9.81. He won his sectional meet in 9.44.

In the 440, Cubberly's Bill Green captured his heat in 48.52, which was almost two seconds slower than his Central Coast Section winning time. Of course, he coasted a bit at the end last night, but he wasn't exactly pressed in the sectional meet, either.

The team title is still very much up for grabs between Cubberly and Pasadena. Although Cubberly's 440 relay team failed to qualify, coach Ken Preminger didn't think that was necessarily a fatal blow.

"We could still have a chance if the mile relay team does well," he said. "I think we're going to do better in the mile relay than people think. But you'd

have to still consider Pasadena the favorite."

Pasadena is favored in the 440 relay, but the Cougars could offset a victory there by winning the mile relay. Sanford figures to win the 220, and Green should take the 440. It could come down to the head-to-head match-up in the 100 between Green and Sanford.

Last night Green demonstrated why Cubberly could surprise some people in the mile relay. Although the Palo Alto school is not among the state leaders in the event, the Cougars won their heat when Green made up about 15 yards on the anchor leg and coasted to victory a good five to seven yards in the lead.

Among Bay Area athletes who qualified in two events last night was

Carl Montgomery of South San Francisco High, who placed third in his heat in both the 100 and 220. His 100 time was 10.07, and he ran the 220 in 22.13.

Others who did well included Jim Scannella of San Ramon, who finished first in the 120 high hurdles in 14.12 and was the leader in the 330 lows at 36.75. Pittsburg's Ray Threatt also made the finals in two events, as he finished second in the 100 in 9.86 and won his 220 heat in 21.71.

It was a long day for most Academic Athletic Association athletes, however. Raul Rodriguez of Lowell missed qualifying in the 880 when he finished fourth, and Balboa's 440 relay team dropped the baton on the anchor leg after having taken a slight lead on the turn.
