Track Team to Host Arizona

The San Diego State Aztec Track and Field Team returns home to Choc Sportsman Track this Saturday afternoon, March 22, to host the University of Arizona in an intercollegiate dual meet. Also entered in the meet will be top athletes from the KCBQ Track Club and Club International.

Arizona is led by high jumper James Frazier who has a lifetime best of 7'-5½", a mark which tied him for the best jump in collegiate competition in 1979. The Wildcats currently have a record of 1-1 in dual meets in 1980 having beaten Occidental College, 101-52, followed by a loss to powerful Arizona State, 94-60.

Last weekend the Aztecs handed UC-Irvine a dual meet loss, tripping the Anteaters, 84-61. SDSU's decathlete John Young competed in four events, recording personal bests in the shot put (43-3) and discus (134-6). David Russell also set a seasonal best time for himself winning the 100 meter dash in 10.7 seconds.

Commented head coach Dick Hill, "We didn't plan to compete at full strength at Irvine. We wanted to give some guys with slight injuries a chance to heal. As a result, six or seven guys didn't even make the trip. We should be at full strength for this meet with Arizona. We certainly don't want to take them too lightly."

Following this Saturday's meet the Aztecs will have two days rest before facing the Air Force Academy and USIU at Choc Sportsman Track on Tuesday, March 25.
